## Decision

Decision Date: October 4, 2017

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000020461

## Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your child's eligibility for and enrollment in his Child Health Plus plan was effective July 1, 2017?

## Procedural History

On May 26, 2017, NYSOH issued a notice of eligibility determination, based on your May 25, 2017 application, stating that your child was eligible to enroll in Child Health Plus (CHP) with a \$9.00 monthly premium, effective July 1, 2017.

Also on May 26, 2017, NYSOH issued a notice of enrollment, based on your plan selection on May 25, 2017, stating that your child was enrolled in a CHP plan, and that this enrollment in the plan would start July 1, 2017.

On July 12, 2017, you spoke to NYSOH's Account Review Unit and appealed the start date of your child's CHP plan insofar as it did not begin as of May 1, 2017.

On September 29, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You testified that you are appealing only your child's eligibility.
- 2) You submitted an application to NYSOH for financial assistance on May 25, 2017.
- 3) You testified, and the record reflects, that you enrolled your child into a XHP plan on May 25, 2017.
- 4) You testified that your spouse's employer-sponsored health plan coverage ended during the first or second week of April 2017 due to separation of employment.
- 5) You testified that you need your child's CHP plan to begin on May 1, 2017 because of medical bills incurred during the month of May 2017, totaling approximately \$900.00.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Child Health Plus

The "period of eligibility" for Child Health Plus is "that period commencing on the first day of the month during which a child is an eligible child and enrolled or recertified for enrollment on an annual basis based on all required information and documentation and ending on the last day of the twelfth month following such date," unless the CHP premiums are not timely paid or the child no longer resides in New York State, gains access to or obtains other health insurance coverage, or becomes eligible for Medicaid (NY Public Health Law § 2510(6)).

"A State must specify a method for determining the effective date of eligibility for [Child Health Plus], which can be determined based on the date of application or through any other reasonable method that ensures coordinated transition of children between [Child Health Plus] and other insurance affordability programs as family circumstances change and avoids gaps or overlaps in coverage" (42 CFR § 457.340(f)).

The State of New York has provided that a child's period of eligibility for Child Health Plus begins on the first day of the month during which a child is eligible. A child will become eligible on the first day of the next month, if the application is

received by the 15th of the month; applications received after the 15th day of the month will be processed for the first day of the second following month (see e.g. State Plan Amendment (SPA) NY-14-0005, approved February 3, 2015 and effective January 1, 2014).

## **Legal Analysis**

The issue is whether NYSOH properly determined that your child's eligibility for an enrollment in his CHP plan was effective July 1, 2017.

You testified that you contacted NYSOH on May 25, 2017 and enrolled your child into a CHP plan.

The date on which a CHP plan can take effect depends on the day a person selects the plan for enrollment. A plan that is selected between the first day and fifteenth day of a month goes into effect on the first day of the following month. A plan that is selected from the sixteenth day of the month and the end of the month goes into effect on the first day of the second following month.

Therefore, the May 26, 2017 eligibility determination and enrollment notices stating that your child's eligibility for and enrollment in his Child Health Plus plan was effective July 1, 2017, is correct and must be AFFIRMED.
