## Decision

Decision Date: October 24, 2017

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000020671

## Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that you and your spouse's enrollment in your qualified health plan ended effective August 31, 2017?

## Procedural History

On May 27, 2017, NYSOH issued an eligibility determination notice stating that you and your spouse were eligible to purchase a qualified health plan at full cost, effective July 1, 2017.

Also on May 27, 2017, NYSOH issued an enrollment notice which confirmed that you and your spouse remained enrolled in a qualified health plan, effective April 1, 2017.

On July 20, 2017, NYSOH issued a disenrollment notice indicating that the coverage in you and your spouse's qualified health plan would end, effective August 31, 2017.

Also on July 20, 2017, NYSOH issued a notice stating that you and your spouse were not eligible to enroll through NYSOH, because you no longer wished to receive coverage.

On July 19, 2017, you contacted the NYSOH Account Review Unit and appealed the date you and your spouse were disenrolled from your qualified health plan, requesting the disenrollment be made effective June 30, 2017.

On October 5, 2017, you had a telephone hearing with a Hearing Officer from the NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the proceeding.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You testified that you and your spouse travelled [REDACTED] on [REDACTED] where you both are currently.
- 2) You testified that on July 19, 2017 you contacted NYSOH to disenroll you and your spouse from your qualified health plan through NYSOH.
- 3) You testified that you owe premiums to your qualified health plan for the months of July 2017 and August 2017.
- 4) You testified that you and your spouse did not use your qualified health plan during the months of July 2017 and August 2017.
- 5) You testified that you are seeking retroactive disenrollment from you and your spouse's qualified health plan effective June 30, 2017.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Termination of a Qualified Health Plan

NYSOH must permit an enrollee to terminate his or her coverage with a qualified health plan coverage, with appropriate notice to the NYSOH or qualified health plan (45 CFR § 155.430(b)(1)(i)).

For enrollee-initiated terminations, the last day of coverage is either:

- 1) The termination date specified by the enrollee, if the enrollee provides reasonable notice (at least 14 days before the requested termination date);

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

- 2) Fourteen days after the enrollee requests the termination, if they do not provide reasonable notice; or
- 3) On a date on or after the date the enrollee requests the termination, if the enrollee's qualified health plan issuer and the enrollee agree to such a date

(45 CFR § 155.430(d)(2)(i)-(iii)).

NYSOH must permit an enrollee to retroactively terminate or cancel their enrollment in a qualified health plan if:

- 1) The enrollee demonstrates that they attempted to terminate their coverage and experienced a technical error that did not allow the coverage to be terminated, and requests retroactive termination within 60 days after they discovered the technical error.
- 2) The enrollment in the qualified health plan was unintentional, inadvertent, or erroneous and was the result of the error or misconduct of an officer, employee, or agent of NYSOH or HHS, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities. Such enrollee must request cancellation within 60 days of discovering the unintentional, inadvertent, or erroneous enrollment.
- 3) The enrollee was enrolled in a qualified health plan without their knowledge or consent by any third party, including third parties who have no connection with the Exchange, and requests cancellation within 60 days of discovering of the enrollment.

(45 CFR § 155.430(b)(2)(iv)(A-C)).

NYSOH permits a qualified health plan to terminate an individual's coverage if (1) the enrollee is no longer eligible for coverage or (2) non-payment of the premiums by the enrollee (45 CFR § 155.430(b)(2)(i)-(ii)).

## **Legal Analysis**

The issue under review is whether NYSOH properly determined that you and your spouse's enrollment in your qualified health plan ended effective August 31, 2017.

On May 27, 2017, NYSOH issued an eligibility determination notice stating that you and your spouse were eligible to purchase a qualified health plan at full cost effective, July 1, 2017. You and your spouse subsequently enrolled into a qualified health plan.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

On July 20, 2017, NYSOH issued a disenrollment notice indicating you and your spouse would be disenrolled from your qualified health plan effective August 31, 2017.

Also on July 20, 2017, NYSOH issued a notice stating that you and your spouse were not eligible to enroll through NYSOH, because you no longer wished to receive coverage.

You testified that you are seeking retroactive disenrollment from you and your spouse's qualified health plan effective June 30, 2017.

NYSOH must permit an enrollee to be retroactively disenroll from their qualified health plan if the enrollee demonstrates that there was a technical error that should have allowed them to terminate coverage earlier, or if their enrollment in the plan was unintentional, inadvertent, or erroneous and was the result of the error or misconduct of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities, or the enrollee was enrolled into a qualified health plan without their knowledge or consent by a third party.

There is no indication in the record that your enrollment in a qualified health plan as confirmed in the May 27, 2017 enrollment notice was unintentional, inadvertent, or erroneous, nor was your enrollment in a qualified health plan the result of the error or misconduct of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities. Furthermore, there is no indication that your enrollment in a qualified health plan as confirmed in the May 27, 2017 enrollment notice was without your knowledge or consent.

Therefore, there is no basis to find that NYSOH must permit you to retroactively terminate or cancel your enrollment in a qualified health plan.

The record reflects that on July 19, 2017 you contacted NYSOH and requested that you and your spouse be disenrolled from your qualified health plan as you no longer wanted to remain enrolled.

Enrollees must be allowed to terminate their coverage with a qualified health plan at the date they specify if they provide reasonable notice to NYSOH or to their health plan. Reasonable notice is defined as at least 14 days prior to the requested termination date.

NYSOH terminated your insurance coverage with your qualified health plan effective August 31, 2017, which is the last day of the month following your request.

Since you do not qualify to be retroactively disenrolled from your coverage and you did not provide reasonable notice to NYSOH, NYSOH properly determined that you and your spouse's disenrollment in your qualified health plan was effective August 31, 2017.

Therefore, the July 20, 2017, disenrollment notice is AFFIRMED.
