## Decision

Decision Date: October 18, 2017

NY State of Health Account ID:

Appeal Identification Number: AP00000020892

### Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your child was ineligible for Child Health Plus, effective September 1, 2017?

# **Procedural History**

On July 26, 2017, you updated your child's application for financial assistance. That day, a preliminary eligibility determination was made stating that your child was eligible to purchase a qualified health plan at full cost, effective September 1, 2017.

Also on July 26, 2017, you spoke to NYSOH's Account Review Unit and appealed insofar as your child was not found eligible for Child Health Plus.

On July 27, 2017, NYSOH issued a notice of eligibility determination stating that your child was eligible to purchase a qualified health plan at full cost through NYSOH, effective September 1, 2017. That notice also stated that your child was not eligible for Child Health Plus because state data sources show that your child is enrolled in coverage through the New York State Insurance Program (NYSHIP), and that children with state health benefits are not eligible for Child Health Plus and can only enroll in a full pay qualified health plan through NYSOH.

On October 11, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals unit. The record was developed during the hearing and closed at the end of the hearing.

# **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You testified that you are only appealing your child's eligibility. You stated that you are seeking for your child to be found eligible for Child Health Plus. This is because you find the copays of your child's current plan unaffordable.
- 2) You testified that you expect to file your 2017 tax return with a tax filing status of head of household and will claim your one child as a dependent on that return.
- 3) You testified that you have residential custody of your child, but you and your child's father have joint custody of your child.
- 4) You testified that your child's father does not reside with you.
- 5) The application that was submitted on July 26, 2017 listed annual household income of \$35,508.20, consisting of wages you earn from employment. You testified that this amount was correct.
- At the time of your July 26, 2017 application, your child was old.
- 7) Your application states, and you confirmed, that you will not be taking any deductions on your 2017 tax return.
- 8) Your application states, and you confirmed, that you reside in Niagara County.
- 9) You testified that your child's father works for the .
- 10) You testified that your child has been enrolled in the NYSHIP Empire Plan, through his father, since 2016, and remains enrolled in this plan.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

# **Applicable Law and Regulations**

## Child Health Plus

Child Health Plus (CHP) is a sliding-scale-premium program for children who are in a household that is over income for regular Medicaid (see New York Public Health Law (NY PHL) § 2510 et seq. and 42 USC § 1397aa). Eligibility rules are set out in NY PHL § 2511(2), as well as in the NYS Department of Health 2008-2012 Contract and Plan Manual.

A child who meets the eligibility requirements for Child Health Plus may be eligible to receive a subsidy payment if the child resides in a household with a household income at or below 400% of the federal poverty level (FPL) (NY Public Health Law § 2511(2)(a)(iii)).

To be eligible for Child Health Plus, the child:

- Must be under 19 years of age;
- Must be a New York State Resident;
- Must not have other health insurance coverage; and
- Must not be eligible for, or enrolled in, Medicaid

(NY Public Health Law § 2511(2)(a)-(e)).

Additionally, to be eligible for Child Health Plus, the child may not be a member of a family that is eligible for health benefits coverage under a State health plan on the basis of a family member's employment with a public agency of the state (NY-CSPA-19 at pg. 4-2, approved April 30, 2012 and effective November 11, 2011).

The "period of eligibility" for Child Health Plus is "that period commencing on the first day of the month during which a child is an eligible child and enrolled or recertified for enrollment on an annual basis based on all required information and documentation and ending on the last day of the twelfth month following such date," unless the Child Health Plus premiums are not timely paid or the child no longer resides in New York State, gains access to or obtains other health insurance coverage including the New York State Health Insurance Program (NYSHIP), or becomes eligible for Medicaid (NY Public Health Law § 2510(6), NY-CSPA-19 at pg. 4-2, approved April 30, 2012 and effective November 11, 2011).

# Legal Analysis

The issue for review is whether NYSOH properly determined that your child was ineligible for Child Health Plus, effective September 1, 2017.

On July 26, 2017, you updated your child's application for financial assistance. You testified that your child has had coverage through the NYSHIP Empire Plan since 2016, through his father who is an employee of the

In order to be eligible for Child Health Plus, a child must not have other insurance coverage or be a member of a family that is eligible for health benefits coverage under a State health plan on the basis of a family member's employment with a public agency of the state.

In the present instance, the record reflects that your child is eligible for and enrolled in health benefits coverage under a State health plan on the basis of his father's employment with a public agency of the state.

Therefore, NYSOH properly found your child is ineligible for Child Health Plus and the July 27, 2017 eligibility determination notice is correct and must be AFFIRMED.
