NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000021035

Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your child's previous eligibility for and enrollment in Child Health Plus terminated effective July 31, 2017?

Procedural History

On April 18, 2017, your child was added to your NY State of Health (NYSOH) account and an application was submitted on her behalf.

On April 19, 2017, NYSOH issued a notice of eligibility determination stating that your child was conditionally eligible to enroll in Child Health Plus (CHP) with a \$30.00 per month premium, effective April 1, 2017. The notice requested that you provide documentation confirming her citizenship status and Social Security number by July 17, 2017.

Also on July 19, 2017, NYSOH issued a notice confirming your child's enrollment in a CHP plan, effective April 1, 2017.

On July 24, 2017, NYSOH issued an eligibility determination notice stating that your child was not eligible for Medicaid, CHP, or to receive tax credits or cost-sharing reductions to help pay for the cost of insurance. She also could not enroll in a qualified health plan at full cost because you had not confirmed her citizenship status and Social Security number within the required timeframe.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

Also on July 24, 2017, NYSOH issued a disenrollment notice stating that your child's coverage in her CHP plan would end effective July 31, 2017 because she is no longer eligible to enroll in health insurance through NYSOH.

On August 1, 2017, your child's Social Security number was added to your NYSOH account. In response to the update to your application, NYSOH prepared a preliminary eligibility determination notice stating that your child was eligible to enroll in CHP with a \$30.00 per month premium, effective September 1, 2017.

Also on August 1, 2017, you spoke to NYSOH's Account Review Unit and appealed your child's disenrollment from her CHP plan in the month of August 2017.

On August 2, 2017, NYSOH issued an eligibility determination notice stating that your child was eligible to enroll in CHP with a \$30.00 per month premium, effective September 1, 2017.

Also on August 2, 2017, NYSOH issued an enrollment confirmation notice stating that your child was enrolled in a CHP plan, effective September 1, 2017.

On October 13, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you are only appealing your child's disenrollment from her CHP plan for the month of August 2017
- 2) The record indicates that your child was added to your NYSOH account on April 18, 2017. The application that was submitted that day indicates that she was a US Citizen but she did not have a Social Security number because you were in the process of applying for one.
- 3) You testified that you provided her Social Security number to NYSOH when you updated your application on August 1, 2017.
- 4) You testified that you did not know your child had been disenrolled from her CHP plan until you attempted to fill a prescription and were told that she no longer insured.

- 5) The record indicates that on July 31, 2017, your youngest child's Social Security number was added to your NYSOH account.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Child Health Plus

A child who meets the eligibility requirements for Child Health Plus may be eligible to receive a subsidy payment if the child resides in a household with a household income at or below 400% of the federal poverty level (FPL) (New York Public Health Law (PHL) § 2511(2)(a)(iii)).

To be eligible for Child Health Plus, the child:

- Must be under 19 years of age;
- Must be a New York State Resident;
- Must not have other health insurance coverage; and
- Must not be eligible for, or enrolled in, Medicaid

(NY Public Health Law § 2511(2)(a)-(e)).

As a condition of eligibility for Child Health Plus, an individual, including children, must furnish their Social Security Number and evidence of their citizenship or status as a qualified immigrant or PRUCOL alien to NY State of Health for verification purposes (42 CFR § 435.910(a) and (b)(3); 42 CFR § 457.340(b); 18 NYCRR § 360-3.2(j)(2) and (3); see *generally* 18 NYCRR § 360-3.2(j)).

NYSOH must require an applicant who has a Social Security Number to provide the number but does not require an applicant's Social Security Number as a condition of enrollment for Child Health Plus if the applicant is not eligible to receive one or his or her number is not yet available (42 CFR § 457.340(b), 42 CFR § 435.910(h)(1); Model State Children's Health Insurance Program Plan, Section 4.1.9).

If an applicant attests to citizenship, status as a national, or lawful presence, and NYSOH is unable to verify such attestation, NY State of Health must then provide the applicant with 90 days to provide satisfactory documentary evidence. Notice is considered received 5 days after the date on the notice, unless the applicant demonstrates that he or she did not receive the notice within the 5 day period (45 CFR § 155.315(c)(3), (f)(2)(i)).

If NYSOH remains unable to verify the citizenship attestation after the 90-day period ends, it must determine the applicant's eligibility based on the information available (45 CFR § 155.315(f)(5)).

NYSOH is required to provide proper written notice to an applicant of any decision effecting an enrollee's Child Health Plus eligibility (42 CFR § 457.340(e)). When Child Health Plus coverage is denied, suspended or terminated NYSOH must provide sufficient notice to enable the child's parent or caretaker relative to take appropriate actions to allow Child Health Plus coverage to continue without interruption (42 CFR § 457.340(e)(2); 42 CFR § 457.1130(a)(3)).

The State of New York has provided that a child's period of eligibility for Child Health Plus begins on the first day of the month during which a child is eligible. A child will become eligible on the first day of the next month, if the application is received by the 15th of the month; applications received after the 15th day of the month will be processed for the first day of the second following month (see State Plan Amendment (SPA) NY-14-0005, approved February 3, 2015 and effective January 1, 2014).

Legal Analysis

The issue under review is whether NYSOH properly determined that your child's eligibility for and enrollment in CHP terminated effective July 31, 2017.

NYSOH is required to determine whether individuals are eligible to enroll in coverage through NYSOH, and must confirm, among other things, their Social Security number and citizenship status.

If NYSOH cannot verify an individual's citizenship status or Social Security number, it must provide the individual with notice of the inconsistency. NYSOH must then provide the individual with a period of 90 days from the date notice is received to resolve the inconsistency.

The record indicates that your youngest child was added to your NYSOH account on April 18, 2017. The application that was submitted that day indicates that she was a U.S Citizen but she did not have a Social Security number because you were in the process of applying for one.

In the eligibility determination issued on April 19, 2017 you were advised that your child's eligibility for CHP was only conditional, and that you needed to confirm her Social Security number and citizenship status before July 17, 2017.

The record indicates that NYSOH did not have her Social Security number before the July 17, 2017 deadline.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

On July 24, 2017, NYSOH issued a disenrollment notice stating that your youngest child's coverage in her Child Health Plus plan would end effective July 31, 2017 because she was no longer eligible to enroll in health insurance through NYSOH. According to the eligibility determination issued on that day, this was because NYSOH did not receive documentation of her citizenship status and Social Security number.

When NYSOH denies, terminates, or suspends a child's Child Health Plus coverage, they are required to provide sufficient notice so that a child's parent is able to take action to prevent a gap in coverage for the child. Notice is considered received five days after the date on the notice. In this case, the notice formally disenrolling your child from her Child Health Plus plan was dated July 24, 2017. Therefore, the notice terminating your child's enrollment would be considered received as of July 29, 2017.

When changes are made to an individual's application after the 15th of any month, NYSOH must make the redetermination that results from a change effective the first day of the next following month. Since you would have received NYSOH's notice terminating your child's CHP eligibility after the 15th of the month, any changes you would have made to your account to prevent a gap in coverage would not have been effective until August 31, 2017.

Therefore, NYSOH failed to provide you with sufficient notice that would have allowed you to take action in order to prevent a gap in CHP coverage for your child for the month of August 2017, and the July 24, 2017 eligibility determination and disenrollment notices are **RESCINDED**.
