## Decision

Decision Date: November 20, 2017

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000021036

## Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that you were eligible to enroll in the Essential Plan, with a \$20.00 monthly premium, effective September 1, 2017, and ineligible for Medicaid?

## Procedural History

On July 18, 2017, NYSOH received your updated application for financial assistance.

On July 19, 2017, NYSOH issued notices stating that more proof was needed to confirm the income information in your application and directing you to provide income documentation by October 16, 2017. However, you would be eligible to enroll in the Essential Plan with a \$20.00 monthly premium for a limited time, effective September 1, 2017.

On July 27, 2017, NYSOH issued a notice of eligibility determination based on a July 26, 2017 redetermination, stating that you were eligible to enroll in the Essential Plan with a \$20.00 monthly premium, effective September 1, 2017.

Your eligibility for Medicaid ended August 31, 2017.

On August 1, 2017, you contacted NYSOH's Account Review Unit and requested an appeal of that eligibility determination insofar as you were not eligible for Medicaid

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On October 18, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You testified that you do not expect to file a tax return for 2017; however, if you did file a return, you would file as single with no dependents, and you would not have any deductions.
- 2) You testified that you had many expenses, including a mortgage and utility bills.
- 3) You are seeking insurance for yourself.
- 4) The application that was submitted on July 18, 2017, which requested financial assistance, listed annual household income of \$21,540.00, consisting of Social Security benefits. You testified that this amount was correct, and that you receive \$1,795.00 per month in 2017.
- 5) Your application states that you live in Ulster County.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Federal Register 4036.).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016, <https://www.medicaid.gov/basic-health-program/downloads/ny-blueprint.pdf> ).

The Essential Plan is considered minimum essential coverage therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

### Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL “for the applicable budget period used to determine an individual's eligibility” (42 CFR § 435.4). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (81 Fed. Reg. 4036).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

### Modified Adjusted Gross Income (MAGI)

NYSOH bases its eligibility determinations on modified adjusted gross income as defined in the federal tax code (45 CFR § 155.300(a)). The term “modified adjusted gross income” means adjusted gross income increased by (1) any income that was excluded under 26 USC § 911 for United States citizens or residents living abroad, (2) tax-exempt interest received or accrued, and (3) Social Security benefits that were excluded from gross income under 26 USC § 86 (see 26 USC § 36B(d)(2)(B), 26 CFR § 1.36B-1(e)(2)).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

“Adjusted gross income” means, in the case of an individual taxpayer, gross federal taxable income minus certain specific deductions, such as expenses reimbursed by an employer, losses from sale or exchange of property, losses from premature withdrawal of funds from time savings accounts, deductions attributable to royalties, and certain retirement savings (26 USC § 62(a)). Living expenses, such as rent and utilities are not an allowable deduction in computing adjusted gross income.

## **Legal Analysis**

The issue under review is whether NYSOH properly determined that you were eligible to enroll in the Essential Plan, with a \$20.00 monthly premium, effective September 1, 2017, and ineligible for Medicaid.

You testified that you had expenses such as a mortgage and utility bills. However, there is no provision in statutes or regulations that would allow NYSOH to consider such expenses when calculating your MAGI.

The application that was submitted on July 18, 2017 listed an annual household income of \$21,540.00, which you testified was correct, and the eligibility determination relied upon that information.

You are in a one-person household. You do not expect to file a tax return for 2017, but if you did, you would file as single, with no dependents, and you would not have any deductions.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household MAGI that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since an annual household income of \$21,540.00 is 181.31% of the 2016 FPL, NYSOH properly found you to be eligible for the Essential Plan.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income that is at or below 138% of the FPL for the applicable family size. On the date of your application, the relevant FPL for Medicaid was \$12,060.00 for a one-person household. Since \$21,540.00 is 178.61% of the applicable 2016 FPL, NYSOH properly found you to be ineligible for Medicaid on an expected annual income basis, using the information provided in your application and confirmed by your testimony.

However, financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

According to the available evidence, your monthly income is \$1,795.00.

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is \$1,386.00 per month. Since the documentation you provided shows that you earned \$1,795.00 in July 2017, you do not qualify for Medicaid based on monthly income.

Since the July 27, 2017 notice of eligibility determination properly stated that, based on the information you provided, you were eligible to enroll in the Essential Plan and ineligible for Medicaid, it was correct and is AFFIRMED.
