Decision

Decision Date: November 3, 2017

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000021293

Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your children's eligibility for and enrollment in their Child Health Plus plan was effective September 1, 2017?

Procedural History

On August 8, 2017, your twin infant children were added to your NYSOH account. That day, a preliminary eligibility determination was prepared finding your children were eligible to enroll in Child Health Plus (CHP), each with a \$45.00 monthly premium, effective September 1, 2017.

Also on August 8, 2017, you spoke to NYSOH's Account Review Unit and appealed the start date of your children's CHP coverage, insofar as it would begin on September 1, 2017 and not June 1, 2017.

On August 9, 2017, NYSOH issued an eligibility determination notice stating that your children were eligible to enroll in CHP each with a \$45.00 monthly premium, effective September 1, 2017.

Also on August 9, 2017, NYSOH issued a plan enrollment notice, based on your plan selection on August 8, 2017, confirming your children's enrollment in a CHP plan each with a \$45.00 monthly premium, starting September 1, 2017.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On October 26, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you are appealing only your children's eligibility and enrollment start date.
- 2) According to your NYSOH account and your testimony, your [REDACTED] children were born on [REDACTED].
- 3) According to your NYSOH account and your testimony, on August 8, 2017 you updated your account to add your children and you were able to select a CHP plan for enrollment for your children that day.
- 4) You testified that you and your spouse are covered by your spouse's employer sponsored insurance.
- 5) You testified that the children were covered by your insurance until they were released from the hospital.
- 6) You testified that you were under the impression that the children were covered under your existing health care plan.
- 7) You testified that you need your children's CHP plan to begin on June 1, 2017 because they both had [REDACTED] and [REDACTED] in the months of June 2017, July 2017, and August 2017 that are uncovered by medical insurance.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Child Health Plus

Child Health Plus is a sliding-scale-premium program for children who are in a household that is over-income for regular Medicaid (see NY Public Health Law § 2510 et seq.). Eligibility rules are set out in NY Public Health Law § 2511(2).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

The “period of eligibility” for Child Health Plus is “that period commencing on the first day of the month during which a child is an eligible child and enrolled or recertified for enrollment on an annual basis based on all required information and documentation and ending on the last day of the twelfth month following such date,” unless the CHP premiums are not timely paid or the child no longer resides in New York State, gains access to or obtains other health insurance coverage, or becomes eligible for Medicaid (NY Public Health Law § 2510(6)).

“A State must specify a method for determining the effective date of eligibility for [Child Health Plus], which can be determined based on the date of application or through any other reasonable method that ensures coordinated transition of children between [Child Health Plus] and other insurance affordability programs as family circumstances change and avoids gaps or overlaps in coverage” (42 CFR § 457.340(f)).

The State of New York has provided that a child’s period of eligibility for Child Health Plus begins on the first day of the month during which a child is eligible. A child will become eligible on the first day of the next month, if the application is received by the 15th of the month; applications received after the 15th day of the month will be processed for the first day of the second following month (see e.g. State Plan Amendment (SPA) NY-14-0005, approved February 3, 2015 and effective January 1, 2014).

On December 22, 2015, the Governor of New York signed into law an amendment to NY Public Health Law § 2511(2)(g) stating that in the case of a newborn enrolled into Child Health Plus, the date of enrollment shall be the date of the child’s birth if the parent applied for insurance prior to the child’s birth or within 60 days after the child’s birth. This amendment was scheduled to take effect as of January 1, 2016 (S04745B, Chap 577, Laws of New York, 2015). However, on April 8, 2016, the Governor of New York signed an amendment to chapter 577 of the Laws of 2015, which delayed the effective date to January 1, 2017. (S06421A, Chap 27, Laws of New York, 2016; NY Public Health Law § 2511(2)(i)).

Legal Analysis

The issue under review is whether NYSOH properly determined that your children’s eligibility for and enrollment in their CHP plan was effective September 1, 2017.

Your [REDACTED] were born on [REDACTED] and on August 8, 2017 they were added to your NYSOH account. They were found eligible for CHP, each with a \$45.00 monthly premium and a plan was selected on August 8, 2017, with an enrollment start date of September 1, 2017.

In New York State, the date on which a CHP plan can take effect typically depends on the day a person selects the plan for enrollment. If an application for insurance coverage is received through NYSOH by the 15th of the month, benefits are provided on the first day of the next month. If an application is received after the 15th of the month, coverage begins the first day of the second following month.

However, section 2511 of the Public Health Law has been amended to provide that CHP coverage shall be retroactive to the first day of the month of birth for newborns, effective January 1, 2017, provided that the application for coverage on behalf of the child was made prior to, or within sixty days of, the child's birth.

Your children were born on [REDACTED] and 60 days from that date was [REDACTED]. Therefore, as the update to your account adding the children was made on August 8, 2017, it was beyond the 60-day time limit to allow for backdating of the children's CHP coverage to the date of their birth.

Therefore, the August 9, 2017 eligibility determination and plan enrollment notices stating that your children's eligibility for and enrollment in their CHP plan was effective September 1, 2017, were correct and must be AFFIRMED.
