Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health properly determine that your enrollment in a Medicaid Managed Care plan terminated effective July 31, 2017?

Procedural History

On May 9, 2017, NY State of Health (NYSOH) issued an eligibility determination notice stating that you were eligible for Medicaid effective May 1, 2017.

On May 10, 2017, NYSOH issued a notice of enrollment confirming your enrollment in a Medicaid Managed Care plan, with a plan enrollment start date of June 1, 2017.

On June 29, 2017, NYSOH redetermined your household's eligibility for financial assistance with health insurance.

On June 30, 2017, NYSOH issued a notice of eligibility redetermination stating that you would remain eligible for Medicaid, effective August 1, 2017, however, you were unable to select a Medicaid Managed Care plan as the system was showing that you had other full benefit health insurance or Medicare.

Also, on June 30, 2017, NYSOH issued an enrollment confirmation notice stating that your coverage would end on July 31, 2017, and that the type of Medicaid coverage you were eligible for does not require you to enroll in a health plan.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On August 18, 2017, an application for financial assistance was run on your behalf. That day, a preliminary determination was made, stating that you remained eligible to for Medicaid and you selected a Medicaid Managed Care plan for enrollment.

Also on August 18, 2017, you spoke to NYSOH's Account Review Unit and appealed the start date of your enrollment in your Medicaid Managed Care plan, insofar as your enrollment did not begin August 1, 2017.

On August 19, 2017, NYSOH issued an eligibility determination notice stating that you were eligible for Medicaid effective August 1, 2017. The notice advised you to pick a health plan.

Also on August 19, 2017, NYSOH issued an enrollment confirmation notice stating that your enrollment in a Medicaid Managed Care plan would begin October 1, 2017.

On October 24, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified, and your account confirms, that you were determined eligible for Medicaid effective May 1, 2017.
- 2) You testified that on May 9, 2017 you selected a Medicaid Managed Care plan.
- 3) You testified, and your account confirms, that on July 31, 2017 you were disenrolled from your Medicaid Managed Care plan because the system determined that you had active Third-Party health insurance.
- 4) You testified that you have not had insurance through an employer.
- 5) You testified that although your previous employer offered employer-sponsored coverage, you were let go prior to any employer-sponsored coverage becoming effective.
- 6) The record indicates that the Third-Party Health Insurance was removed from the system on August 18, 2017.

- 7) You testified that you were without a Medicaid Managed Care plan during August and September 2017 and incurred medical bills.
- 8) The record does not contain any information from NYSOH regarding where they obtained the information that you were enrolled in third party health insurance.
- 9) The record indicates that you were reenrolled into a Medicaid Managed Care plan on October 1, 2017, and are currently covered.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Medicaid

An individual is eligible for fee-for-service Medicaid effective on the first day of the month if that individual was eligible at any time during that month (42 CFR § 435.915(b); Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010, 13ADM-03(III)(F)).

Medicaid Managed Care plan enrollments received on or before the fifteenth day of the month are effective the first day of the following month. Enrollments received after the fifteenth day of the month are effective the first day of the second following month (Medicaid Managed Care Model Contract (Appendix H-6(b)(ii) & (iii), effective 3/1/2014 – 2/28/2019; see 18 NYCRR § 360-10.3(h); Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010, 13 ADM-03(III)(F)).

Continuous Coverage

Most applicants determined eligible for Medicaid are guaranteed 12 months of Medicaid coverage offered through Medicaid Managed Care, even if the adult loses Medicaid eligibility because of any changes or updates they make to their Marketplace account. For example, even if income increases above the Medicaid limit allowed for the household size, the insured will remain covered under Medicaid for a 12-month period. This 12-month period is referred to as “continuous coverage,” and is set based on the start date of the original Medicaid eligibility determination or the date of any subsequent Medicaid eligibility determination based on modified adjusted gross income (see 42 CFR § 435.916; NY Social Services Law (NY SSL) § 366(4)(c)).

Third Party Health Insurance

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

A person who has primary medical or health care coverage available from or under a third-party insurance provider is not permitted to enroll into a Medicaid Managed Care plan (NY SSL § 364-j(3)(e)(xx); Medicaid Managed Care Model Contract (Appendix H-6), effective 3/1/2014 – 2/28/2019). However, they will remain eligible for fee-for-service Medicaid with limited exceptions, including entering prison or another facility that provides medical care, lack of state residence, or failing to provide a valid social security number (NY SSL § 366(4)(c)).

Legal Analysis

The issue for review is whether NYSOH properly determined that your enrollment in your Medicaid Managed Care plan was terminated effective July 31, 2017.

In the May 9, 2017 notice of eligibility determination, you were found eligible for Medicaid, effective May 1, 2017. On May 9, 2017, you selected a Medicaid Managed Care plan, effective June 1, 2017, as is documented by the May 10, 2017 notice of enrollment confirmation.

Generally, when an individual is eligible for Medicaid through NYSOH they are required to enroll in a Medicaid Managed Care plan. Applicants determined eligible will be enrolled or remain in their Medicaid plan with limited exceptions, including entering prison or another facility that provides medical care, moving out of state, or failing to provide a valid Social Security number.

On June 29, 2017, NYSOH redetermined your household's eligibility for financial assistance with health insurance. On June 30, 2017, NYSOH issued a disenrollment notice advising that your coverage in your Medicaid Managed Care plan would be terminated as of July 31, 2017 because you had full benefit health insurance or Medicare.

When NYSOH determines that a person has active coverage in a health insurance plan outside of NYSOH, that person is not eligible to enroll or remain enrolled in a Medicaid Managed Care plan.

However, you credibly testified that you have not had employer sponsored coverage. You testified that although your previous employer offered employer sponsored coverage, you were let go prior to that coverage taking effect.

Therefore, when NYSOH cancelled your coverage in a Medicaid Managed Care plan due to your having third party health insurance, you did not, in fact, have third party health insurance and the information relied upon by NYSOH in making the determination to terminate your coverage under your Medicaid Managed Care plan was incorrect.

Accordingly, the June 30, 2017 disenrollment notice terminating your coverage under your Medicaid Managed Care plan, effective July 31, 2017 is RESCINDED.

Decision

The June 30, 2017 disenrollment notice is RESCINDED.

Your case is RETURNED to NYSOH to reinstate your Medicaid Managed Care plan effective August 1, 2017.

Effective Date of this Decision: November 7, 2017

How this Decision Affects Your Eligibility

NYSOH improperly disenrolled you from your Medicaid Managed Care plan.

Your case is being sent back to reinstate your Medicaid Managed Care plan as of August 1, 2017.
