Decision

Decision Date: November 6, 2017

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000021676

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you were eligible to receive up to \$79.00 per month in advance payments of the premium tax credit, effective October 1, 2017?

Did NYSOH properly determine that you were not eligible for cost-sharing reductions?

Did NYSOH properly determine that you were not eligible for the Essential Plan?

Did NYSOH properly determine that you were not eligible for Medicaid?

Procedural History

On August 21, 2017, you updated your application for financial assistance. That day, a preliminary eligibility determination was prepared stating that you were eligible to receive an advance premium tax credit (APTC) of up to \$79.00 per month, effective October 1, 2017.

Also on August 21, 2017, you spoke to NYSOH's Account Review Unit and appealed insofar as you were not found eligible for Medicaid.

On August 22, 2017, NYSOH issued a notice of eligibility determination, based on the August 21, 2017 application, stating that you were eligible to receive an

APTC of up to \$79.00 per month, effective October 1, 2017. That notice also stated that you were not eligible for cost-sharing reductions (CSR), the Essential Plan, or Medicaid because your income was over the allowable income limits for those programs.

On October 24, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and remained open as the Hearing Officer directed you to provide as additional evidence to corroborate your testimony: (1) final paystub issued to you by your prior employer, [REDACTED]; (2) an unemployment Insurance monetary benefit determination letter issued to you reflecting your weekly benefit award; and (3) your unemployment benefit payment history reflecting all benefit payments made to you during the month of August 2017. The record was to be closed on October 27, 2017, or upon the receipt of the above referenced documents, whichever occurred earlier.

That same day, you provided to NYSOH Appeals Unit through your NYSOH account all the above referenced documents.

Accordingly, the record was closed on October 24, 2017.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2017 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself only.
- 3) The application that was submitted on August 21, 2017 listed annual household income of \$46,720.77, consisting of \$36,830.77 you earned from your employment with [REDACTED] between January 1, 2017 and July 5, 2017, and \$430.00 in weekly unemployment benefits you anticipated receiving during the remaining 23 weeks during 2017. You testified that this amount was correct.
- 4) Your application states that you will not be taking any deductions on your tax return.
- 5) You live in [REDACTED], New York.
- 6) You testified that based on your current income from unemployment benefits, you are unable to afford health plans through NYSOH, even after applying the maximum APTC available to you. You further testified that

you were seeking to be found eligible for either the Essential Plan or Medicaid.

- 7) On October 24, 2017, you provided to NYSOH Appeals Unit (1) your final earnings statement issued to you by ██████ reflecting that you received a total year-to-date income of \$36,830.77 on July 14, 2017, (2) an unemployment insurance monetary benefit determination confirming that you had been awarded \$430.00 per week in unemployment benefits, effective July 10, 2017, and (3) a screenshot of your weekly unemployment benefit payment history reflecting that you received \$430.00 in benefits payments on August 8, 2017, August 15, 2017, August 22, 2017, and August 28, 2017.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc.2016-24).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Federal Register 4036).

For annual household income in the range of at least 300% but less than 400% of the 2016 FPL, the expected contribution is 9.69% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2016-24).

Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see www.medicaid.gov/basic-health-program/downloads/ny-blueprint.pdf).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL "for the applicable budget period used to determine an individual's eligibility" (42 CFR § 435.4). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Fed. Reg. 8831).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

Legal Analysis

The first issue is whether NYSOH properly determined that you were eligible for an APTC of up to \$79.00 per month.

The application that was submitted on August 21, 2017 listed an annual household income of \$46,720.77, consisting of \$36,830.77 you earned from your employment with █████ between January 1, 2017 and July 5, 2017, and \$9,890.00 (\$430.00 x 23 weeks) in weekly unemployment benefits you anticipated receiving during 2017. The eligibility determination relied upon that information.

You are in a one-person household. You expect to file your 2017 income taxes as single and will claim no dependents on that tax return.

You reside in Kings County, where the second lowest cost silver plan available for an individual through NYSOH costs \$456.46 per month.

An annual income of \$46,720.77 is 393.27% of the 2016 FPL for a one-person household. At 393.27% of the FPL, the expected contribution to the cost of the health insurance premium is 9.69% of income, or \$377.27 per month.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$456.46 per month) minus your expected contribution (\$377.27 per month), which equals \$79.19 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$79.00 per month in APTC.

The second issue is whether you were properly found not eligible for CSR.

CSR is available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$46,720.77 is 393.27% of the applicable FPL, NYSOH correctly found you to be ineligible for CSR.

The third issue under review is whether NYSOH properly determined that you were not eligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since an annual household income of \$46,720.77 is 393.27% of the 2016 FPL, NYSOH properly found you to be not eligible for the Essential Plan.

The fourth issue is whether NYSOH properly determined that you were not eligible for Medicaid.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income that is at or below 138% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,060.00 for a one-person household. Since \$46,720.77 is 387.40% of the 2017 FPL, NYSOH properly found you to be not eligible for Medicaid on an expected annual income basis, using the information provided in your application.

However, financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size.

On October 24, 2017, at the direction of the Hearing Officer, you provided screenshot of your weekly unemployment benefit payment history reflecting that you received \$430.00 in benefits payments on August 8, 2017, August 15, 2017, August 22, 2017 and August 28, 2017. Accordingly, your total income during the month of August 2017 was \$1,720.00.

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is 1,387.00 per month. Since the documentation you provided shows that you received \$1,720.00 in August 2017 you do not qualify for Medicaid based on monthly income as of the date of your application.

Since the August 22, 2017 eligibility determination properly stated that, based on the information you provided, you were eligible for up to \$79.00 per month in APTC, not eligible for CSR, not eligible for the Essential Plan and not eligible for Medicaid, it is correct and is AFFIRMED.
