Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your children's eligibility for and enrollment in their Child Health Plus plan was effective October 1, 2017?

Procedural History

On April 11, 2017, NYSOH received your household's non-financial application for health insurance.

On April 12, 2017, NYSOH issued an eligibility determination notice stating that your children were eligible to purchase a qualified health plan at full cost, effective May 1, 2017.

On May 30, 2017, NYSOH received your household's application requesting financial assistance for health insurance.

On May 31, 2017, NYSOH issued an eligibility determination notice stating that your children were eligible to purchase a qualified health plan at full cost, effective July 1, 2017. The notice stated that your children were not eligible for Child Health Plus because state data sources show that they are enrolled in coverage through New York State Insurance Program (NYSHIP) and children with state health benefits are not eligible for Child Health Plus.

On June 13, 2017, June 21, 2017, June 28, 2017, July 1, 2017, July 7, 2017, July 11, 2017, July 14, 2017, July 25, 2017, August 10, 2017, and August 16, 2017, NYSOH issued eligibility determination notices stating that your children were not eligible for Child Health Plus because state data sources show that they are enrolled in coverage through NYSHIP and children with state health benefits are not eligible for Child Health Plus.

On August 24, 2017, NYSOH removed the NYSHIP from your NYSOH application.

On August 25, 2017, NYSOH issued an eligibility determination notice stating that your children were eligible for Child Health Plus with a \$60.00 per month premium each, effective October 1, 2017.

On August 29, 2017, NYSOH issued an enrollment confirmation notice stating that your children were enrolled in a Child Health Plus plan, effective October 1, 2017.

On September 13, 2017, you spoke to NYSOH's Account Review Unit and appealed the start date of your children's enrollment in their Child Health Plus plan, insofar as enrollment did not begin September 1, 2017.

On November 17, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you are seeking to have your children's eligibility for and enrollment in Child Health Plus be effective as of September 1, 2017.
- 2) On May 30, 2017, you submitted an application for financial assistance for your children. This application indicates that your children have NYSHIP coverage.
- 3) On June 23, 2017, NYSOH received by fax a letter stating that your children's coverage in NYSHIP terminated as of July 1, 2017.
- 4) The record indicates that the NYSHIP was removed from the system on August 24, 2017.

- 5) You testified that your children were without a Child Health Plus plan during July, August, and September 2017. You testified that in September 2017 your children incurred medical bills.
- 6) The record indicates that you selected a Child Health Plus plan for your children child on August 28, 2017.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Child Health Plus

Child Health Plus (CHP) is a sliding-scale-premium program for children who are in a household that is over income for regular Medicaid (see New York Public Health Law (NY PHL) § 2510 et seq. and 42 USC § 1397aa). Eligibility rules are set out in NY PHL § 2511(2), as well as in the NYS Department of Health 2008-2012 Contract and Plan Manual.

A child who meets the eligibility requirements for Child Health Plus may be eligible to receive a subsidy payment if the child resides in a household with a household income at or below 400% of the federal poverty level (FPL) (NY Public Health Law § 2511(2)(a)(iii)).

To be eligible for Child Health Plus, the child:

- Must be under 19 years of age;
- Must be a New York State Resident;
- Must not have other health insurance coverage; and
- Must not be eligible for, or enrolled in, Medicaid

(NY Public Health Law § 2511(2)(a)-(e)).

Additionally, to be eligible for Child Health Plus, the child may not be a member of a family that is eligible for health benefits coverage under a State health plan on the basis of a family member's employment with a public agency of the state (NY-CSPA-19 at pg. 4-2, approved April 30, 2012 and effective November 11, 2011).

The "period of eligibility" for Child Health Plus is "that period commencing on the first day of the month during which a child is an eligible child and enrolled or recertified for enrollment on an annual basis based on all required information and documentation and ending on the last day of the twelfth month following

such date,” unless the Child Health Plus premiums are not timely paid or the child no longer resides in New York State, gains access to or obtains other health insurance coverage including the New York State Health Insurance Program (NYSHIP), or becomes eligible for Medicaid (NY Public Health Law § 2510(6), NY-CSPA-19 at pg. 4-2, approved April 30, 2012 and effective November 11, 2011).

The State of New York has provided that a child’s period of eligibility for Child Health Plus begins on the first day of the month during which a child is eligible. A child will become eligible on the first day of the next month, if the application is received by the 15th of the month; applications received after the 15th day of the month will be processed for the first day of the second following month (see State Plan Amendment (SPA) NY-14-0005, approved February 3, 2015 and effective January 1, 2014).

Legal Analysis

The issue for review is whether NYSOH properly determined that your children’s eligibility for and enrollment in a Child Health Plus plan was effective October 1, 2017.

On May 30, 2017, you submitted an application for financial assistance for your children. This application indicates that your children have NYSHIP coverage.

On May 31, 2017, NYSOH issued an eligibility determination notice stating that your children were not eligible for Child Health Plus because state data sources show that they are enrolled in coverage through NYSHIP.

In order to be eligible for Child Health Plus, a child must not have other insurance coverage or be a member of a family that is eligible for health benefits coverage under a State health plan on the basis of a family member’s employment with a public agency of the state.

On June 23, 2017, NYSOH received by fax a letter stating that your children’s coverage in NYSHIP terminated as of July 1, 2017.

The reference to NYSHIP was subsequently removed from NYSOH’s system on August 24, 2017. You selected a Child Health Plus plan on August 28, 2017.

Generally, the date on which a Child Health Plus plan can take effect depends on the day a person selects the plan for enrollment.

A plan that is selected from the first day to and including the fifteenth day of a month will go into effect on the first day of the following month. A plan that is

selected on or after the sixteenth day of the month will go into effect on the first day of the second following month.

Since you submitted documentation confirming the end date of your children's NYSHIP coverage on June 23, 2017, a plan could have been selected as of that day. Had you been able to submit an application and select a plan that day, your children's eligibility and enrollment would have begun on the first day of the second following month after June; that is August 1, 2017.

Therefore, the August 25, 2017 edibility determination and August 29, 2017, enrollment confirmation notices are MODIFIED to state that your children's eligibility for and enrollment in their Child Health Plus plan was effective as of August 1, 2017.

The August 25, 2017 edibility determination and August 29, 2017, enrollment confirmation notices are MODIFIED to state that your children's eligibility for and enrollment in their Child Health Plus plan was effective as of August 1, 2017.

Your case is RETURNED to NYSOH to backdate your children's Child Health Plus plan effective August 1, 2017.

Effective Date of this Decision: December 12, 2017
