Decision Date: January 4, 2018

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000022418

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you were eligible to receive up to \$153.00 per month in advance payments of the premium tax credit, effective October 1, 2017?

Did NYSOH properly determine that you were not eligible for cost-sharing reductions?

Did NYSOH properly determine that you were not eligible for the Essential Plan?

Did NYSOH properly determine that you were not eligible for Medicaid?

Procedural History

On August 7, 2017, you uploaded a letter from your employer and submitted an application for financial assistance.

On August 8, 2017, NYSOH issued a notice stating that the income information in your application does not match what NYSOH received from state and federal data sources. You were directed to provide proof of current household income by August 22, 2017.

On August 9, 2017, NYSOH issued a notice stating that the documentation you submitted did not confirm the information in your application. You were directed to provide additional proof of income by September 6, 2017.

On August 30, 2017, you submitted additional documentation.

Also on August 30, 2017, NYSOH verified your documentation and submitted an application on your behalf.

On August 31, 2017, NYSOH issued a notice of eligibility determination stating that you were eligible to receive up to \$153.00 in APTC, effective October 1, 2017. That notice also stated that you were not eligible for Medicaid because your income was over the allowable income limit for that program.

On September 11, 2017, you submitted an updated application for financial assistance with health insurance.

On September 12, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to receive up to \$153.00 in APTC, effective October 1, 2017.

On September 14, 2017, you spoke to NYSOH's Account Review Unit and appealed the eligibility determination, insofar as you were seeking Medicaid.

On November 29, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and held open up to December 13, 2017, to allow you to submit supporting documents.

As of December 13, 2017, the Appeals Unit did not receive any documents from you and none were viewable in your NYSOH account. Therefore, the record was closed that same day and this decision is based on the record as developed at the time of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2017 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself, specifically Medicaid.
- 3) The application that was submitted on September 11, 2017 listed annual household income of \$37,180.00, consisting of \$26,000.00 in earned income and \$11,180.00 in unemployment benefits. You testified that this

amount seemed correct, although you did not have documentation to confirm.

- 4) You testified, and provided documentation, that you are receiving \$430.00 per week in unemployment benefits, and that you received the first check on August 14, 2017.
- 5) You testified that you were let go from your previous employment on August 5, 2017. You submitted a letter from your previous employer which states that you are no longer employed, and that your last day of employment was August 1, 2017.
- 6) You testified, that your monthly income for September 2017 was \$1,720.00.
- 7) Your application states that you will not be taking any deductions on your 2017 tax return.
- 8) Your application states that you live in Suffolk County.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc.2016-24).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036.).

For annual household income in the range of at least 300% but less than 400% of the 2016 FPL, the expected contribution is 9.69% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2016-24).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

§ 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036.).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/basic-health-program.html>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

The Essential Plan is considered minimum essential coverage therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL "for the applicable budget period used to determine an individual's eligibility" (42 CFR § 435.4). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Fed. Reg. 8831).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

Legal Analysis

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

The first issue is whether NYSOH properly determined that you were eligible for an APTC of up to \$153.00 per month.

The application that was submitted on September 11, 2017 listed an annual household income of \$37,180.00 and the eligibility determination relied upon that information.

You are in a one-person household. You expect to file your 2017 income taxes as single and will claim no dependents on that tax return.

You reside in Suffolk County, where the second lowest cost silver plan available for an individual through NYSOH costs \$453.37 per month.

An annual income of \$37,180.00 is 312.96% of the 2016 FPL for a one-person household. At 312.96% of the FPL, the expected contribution to the cost of the health insurance premium is 9.69% of income, or \$300.23 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$453.37 per month) minus your expected contribution (\$300.23 per month), which equals \$153.14 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$153.00 per month in APTC.

The second issue is whether you were properly found not eligible for cost-sharing reductions. Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$37,180.00 is 312.96% of the applicable FPL, NYSOH correctly found you to be not eligible for cost sharing reductions.

The third issue under review is whether NYSOH properly determined that you were not eligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since an annual household income of \$37,180.00 is 312.96% of the 2016 FPL, NYSOH properly found you to be not eligible for the Essential Plan.

The fourth issue is whether NYSOH properly determined that you were not eligible for Medicaid.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income that is at or below 138% of the FPL for the applicable

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

family size. On the date of your application, the relevant FPL was \$12,060.00 for a one-person household. Since \$37,180.00 is 308.29% of the 2017 FPL, NYSOH properly found you to be not eligible for Medicaid on an expected annual income basis, using the information provided in your application.

However, financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size.

You submitted a letter from unemployment that shows that you began receiving \$430.00 per week on August 14, 2017, which results in a monthly income of \$1,720.00 for September 2017.

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is \$1,387.00 per month. Since the documentation you provided shows that you earned \$1,720.00 in September 2017 you do not qualify for Medicaid on the basis of monthly income as of the date of your application.

Since the September 12, 2017 eligibility determination properly stated that, based on the information in your application, you were eligible for up to \$153.00 per month in APTC, not eligible for cost-sharing reductions, not eligible for the Essential Plan and not eligible for Medicaid, it is correct and is AFFIRMED.
