#### Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your and your children's enrollment in a Medicaid Managed Care plan was effective November 1, 2017?

# **Procedural History**

On August 2, 2017, NYSOH received your household's application for health insurance.

On August 3, 2017, NYOSH issued an eligibility determination stating that you and your children were eligible for Medicaid, effective August 1, 2017.

Also on August 3, 2017, NYSOH issued a plan enrollment notice confirming that you and your children were enrolled in a Medicaid Managed Care plan, effective August 1, 2017.

On August 21, 2017, the August 3, 2017 eligibility determination and enrollment confirmation notices were returned to NYSOH as undeliverable.

On August 26, 2017, NYSOH issued a notice of discontinuance stating that you and your children were no longer eligible to receive health insurance through NYSOH, effective August 26, 2017, because notices regarding your eligibility and coverage sent to you by NYSOH were returned as undeliverable. This notice also

stated that you needed to update your mailing address so that you could remain eligible for health coverage through NYSOH.

Also on August 26, 2017, NYSOH issued a plan disenrollment notice confirming that your and your children's Medicaid Managed Care plan would end on August 31, 2017.

On September 7, 2017, the August 26, 2017 discontinuance and disenrollment notices were returned to NYSOH as undeliverable.

On September 20, 2017, NYSOH received your updated application for financial assistance with health insurance. That day, a preliminary eligibility determination was prepared stating that you and your children were eligible for Medicaid, you also reenrolled yourself and your children into a Medicaid Managed Care plan.

Also on September 20, 2017, you spoke to NYSOH's Account Review Unit and appealed the start date of your and your children's Medicaid Managed Care plan insofar as you and your children were without coverage for September and October 2017.

On September 21, 2017, NYSOH issued a plan enrollment notice, based on the plan selection you made on September 20, 2017, stating that you and your children were enrolled in a Medicaid Managed Care plan as of November 1, 2017.

On September 30, 2017, NYSOH issued an eligibility determination notice based on your September 20, 2017 application, stating that you and your children were eligible for Medicaid, effective September 1, 2017.

On November 14, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

# Findings of Fact

A review of the record supports the following findings of fact:

- 1) You and your children were enrolled into a Medicaid Managed Care plan effective August 1, 2017.
- 2) You and your children were disenrolled from your Medicaid Managed Care plan, effective August 31, 2017.

- 4) The notices sent on August 3, 2017 and August 26, 2017 were addressed to:
- 5) The application that was submitted on August 2, 2017 was done by an NYSOH representative. The mailing address listed on your account at that time was
- 6) You testified that the -zip code is correct.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## Applicable Law and Regulations

#### Medicaid

An individual is eligible for fee-for-service Medicaid effective on the first day of the month if an individual was eligible any time during that month (42 CFR § 435.915(b), Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010,13ADM-03(III)(F)).

Medicaid Managed Care plan enrollments received on or before the fifteenth day of the month are effective the first day of the following month. Enrollments received after the fifteenth day of the month are effective the first day of the second following month (Medicaid Managed Care Model Contract (Appendix H-6(b)(ii) & (iii), effective 3/1/2014 – 2/28/2019; see 42 USC § 1315; § 364-j(1)(c); 18 NYCRR § 360-10.3(h), Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010,13ADM-03(III)(F)).

To be eligible for enrollment in a Medicaid Managed Care plan through the New York State of Health, an applicant must be a resident of New York State (NY Public Health Law § 2510(6)).

Generally, most adults determined eligible for Medicaid are guaranteed 12 months of Medicaid coverage, even if they lose Medicaid eligibility because of any changes or updates they make to their NYSOH account. For example, even if income increases above the Medicaid limit allowed for the household size, the insured will remain covered under Medicaid for a 12-month period. This 12-month period is referred to as "continuous coverage" and is set based on the

start date of the original Medicaid eligibility determination or the date of a subsequent Medicaid eligibility determination based on modified adjusted gross income (NY Social Services Law § 366(4)(c)).

An individual will be enrolled or remain in their Medicaid plan with limited exceptions, including entering prison or another facility that provides medical care, lack of state residence, failing to provide a valid social security number, or having third party health insurance (NY Social Services Law § 366(4)(c)).

## Legal Analysis

The issue under review is whether NYSOH properly determined that your and your children's enrollment in a Medicaid Managed Care plan was effective November 1, 2017.

You and your children were found eligible for and enrolled into a Medicaid Managed Care plan, effective August 1, 2017.

For an applicant to remain eligible for enrollment in a Medicaid Managed Care plan through NYSOH, they must meet both the financial and non-financial requirements. One of the non-financial requirements is that the applicant must be a New York State Resident.

According to your NYSOH account, on August 3, 2017, NYSOH issued an eligibility determination and enrollment confirmation notices that were returned to NYSOH as undeliverable on August 21, 2017. You and your children were subsequently disenrolled from your Medicaid Managed Care plans because NYOSH received mail addressed to you that was undeliverable; therefore, the system assumed that you no longer met the state residency requirement for enrollment in a Medicaid Managed Care plan.

As such, on August 26, 2017, NYSOH issued a discontinuance notice and a plan disenrollment notice, stating that you and your children were no longer eligible to enroll in Medicaid and your Medicaid Managed Care plan would end, effective August 31, 2017. These notices were also returned as undeliverable to NYSOH on September 7, 2017.

However, the notices that were sent to you on August 3, 2017 and August 26, 2017 were addressed to:

Based on the credible evidence of the record, it is reasonable to conclude that the notices were returned as undeliverable through no fault of your own, and was the result of an error of NYSOH for failing to include the correct zip code that was

correctly listed in your NYSOH account. As a result, your and your children's disenrollment from your Medicaid Managed Care plan was in error.

Therefore, the August 26, 2017 discontinuance notice must be RESCINDED.

The September 21, 2017 enrollment confirmation notice is MODIFIED to state that you and your children were enrolled in a Medicaid Managed Care plan effective September 1, 2017.

Your case is RETURNED to NYSOH to reinstate your and your children's coverage in your Medicaid Managed Care plans as of September 1, 2017, and to notify you accordingly.
