Decision

Decision Date: December 12, 2017

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000022789

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you were eligible to receive an advance premium tax credit of up to \$242.00 per month, effective October 1, 2017?

Did NYSOH properly determine that you were not eligible for cost-sharing reductions?

Did NYSOH properly determine that you were not eligible for the Essential Plan?

Did NYSOH properly determine that you were not eligible for Medicaid?

Procedural History

On September 15, 2017, NYSOH redetermined your eligibility for health insurance.

Also on September 15, 2017, NYSOH received (1) a letter issued by NYS Dept. of Labor, dated June 13, 2017, confirming that your unemployment claim was complete, and (2) Official Record of Benefit Payment History issued by NYS Dept. of Labor reflecting benefits you received between June 27, 2017 and September 12, 2017.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On September 16, 2017, NYSOH issued a notice of eligibility determination stating that you were eligible to receive an advance premium tax credit (APTC) of up to \$242.00 in APTC, effective October 1, 2017. That notice also stated that you were not eligible for cost-sharing reductions (CSR), the Essential Plan or Medicaid because your household income was over the allowable income limits for those programs.

On September 25, 2017, you spoke to NYSOH's Account Review Unit and appealed insofar as you were not found eligible for additional financial assistance, including either eligibility for the Essential Plan or Medicaid.

On November 30, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and remained open as the Hearing Officer directed you to provide as additional evidence to corroborate your testimony: an updated Official Record of Benefit Payment History issued by NYS Dept. of Labor, reflecting all benefits you received during the month of September 2017. The record was to be closed on December 1, 2017, or upon the receipt of the above referenced documents, whichever occurred earlier. No additional documents were received from you by December 1, 2017.

Accordingly, the record was closed on December 1, 2017.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2017 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself only.
- 3) The redetermination issued on September 15, 2017, listed an annual household income of \$30,340.00, consisting of \$25,000.00 you earned from your employment with [REDACTED] between January 1, 2017 and June 30, 2017, and \$356.00 per week you anticipate receiving in unemployment benefits during the remaining 15 weeks of the 2017 calendar year. You testified that this total amount was correct.
- 4) Your application reflects that you will not be taking any deductions on your 2017 tax return.
- 5) You live in [REDACTED].

- 6) You testified that even with the maximum APTC applied to a plan premium through NYSOH, plans are unaffordable to you since your sole source of income is your unemployment benefits. You further testified that you were seeking to become eligible for either the Essential Plan or Medicaid.
- 7) You did not provide any additional income documentation to NYSOH Appeals Unit prior to the record closing on December 1, 2017.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a QHP and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NYSOH in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), IRS Revenue Procedure (RP) 2016-24).

In an analysis of APTC eligibility, the determination is based on the applicable FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of

your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Federal Register 4036).

For annual household income in the range of at least 250% but less than 300% of the 2016 FPL, the expected contribution is between 8.21% and 9.69% of the household income (26 CFR § 1.36B-3, IRS RP 2016-24).

Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036).

Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

In an analysis of Medicaid eligibility, the determination is based on the FPL “for the applicable budget period used to determine an individual's eligibility” (42 CFR § 435.4). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Fed. Reg. 8831, 8832).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

Legal Analysis

The first issue is whether NYSOH properly determined that you were eligible to receive and APTC of up to \$242.00 per month, effective October 1, 2017.

The NYSOH redetermined your eligibility on September 15, 2017, based on an annual household income of \$30,340.00, consisting of \$25,000.00 you earned from your employment with [REDACTED] between January 1, 2017 and June 30, 2017, and \$5,340.00 (\$356.00 x 15 weeks) you anticipate receiving in unemployment benefits during the remaining 15 weeks of the 2017 calendar year. The eligibility determination relied upon that information.

You are in a one-person household. You expect to file your 2017 income taxes as single and will claim no dependents on that tax return.

You reside in Suffolk County, where the second lowest cost silver plan available for an individual through NYSOH costs \$453.37 per month.

An annual income of \$30,340.00 is 255.39% of the 2016 FPL for a one-person household. At 255.39% of the FPL, the expected contribution to the cost of the health insurance premium is 8.37% of income, or \$211.61 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$453.37 per month) minus your expected contribution (\$211.61 per month), which equals \$241.76 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$242.00 per month in APTC.

The second issue is whether you were properly found not eligible for CSR.

CSR are available to a person who has a household income no greater than 250% of the applicable FPL. Since a household income of \$30,340.00 is 255.39% of the applicable FPL, NYSOH correctly found you to be not eligible for CSR.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

The third issue under review is whether NYSOH properly determined that you were not eligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since an annual household income of \$30,340.00 is 255.39% of the 2016 FPL, NYSOH properly found you not eligible for the Essential Plan.

The fourth issue is whether NYSOH properly determined that you were not eligible for Medicaid.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income that is at or below 138% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,060.00 for a one-person household. Since \$30,340.00 is 251.58% of the 2017 FPL, NYSOH properly found you to be not eligible for Medicaid on an expected annual income basis, using the information provided in your application.

However, financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size.

The record reflects that you did not provide any additional income documentation to NYSOH Appeals Unit prior to the record closing on December 1, 2017

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is \$1,387.00 per month. Since you did not provide the income documentation prior to the record closing on December 1, 2017, we are unable to send your case to NYSOH to review whether you qualify for Medicaid on the basis of monthly income as of the date of your application.

Because the September 16, 2017 eligibility determination notice stated that, based on the information you provided, you were eligible for up to \$242.00 per month in APTC, not eligible for CSR, not eligible for the Essential Plan, and not eligible for Medicaid, it is correct and is AFFIRMED.

Decision

The September 16, 2017 eligibility determination notice is AFFIRMED.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).
