Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health provide a timely determination of your Medicaid eligibility as of October 3, 2017?

Did NY State of Health properly determine that your Medicaid Managed Care plan began November 1, 2017?

Procedural History

On August 18, 2017, NY State of Health (NYSOH) received your application for financial assistance with your health insurance.

On August 19, 2017, NYSOH issued a notice stating more information was needed to make a determination. The notice explained the income information that you provided to NYSOH did not match what was obtained from state and federal data sources. You were asked to submit income documentation for your household by September 2, 2017.

On September 13, 2017, an application for financial assistance with health insurance was run on your behalf.

On September 14, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to purchase a qualified health plan at full cost, effective October 1, 2017. The notice stated that you were not eligible for Medicaid

because NYSOH did not receive the requested information to verify your income by the due date.

On October 2, 2017, NYSOH received your application for health insurance. Also on this date you uploaded pay stubs to your NYSOH account.

On October 2, 2017, NYSOH verified the paystubs you uploaded as documentation and a new application was submitted on your behalf. That day, a preliminary determination was prepared stating that you were eligible for Medicaid, effective October 1, 2017. You enrolled into a Medicaid Managed Care plan with a plan start date of November 1, 2017.

Also on October 2, 2017, you contacted the NYSOH Account Review Unit and requested an appeal of the start date of your Medicaid Managed Care plan, requesting that it begin October 1, 2017.

On October 3, 2017, NYSOH issued an eligibility determination notice was issued finding you eligible for Medicaid effective October 1, 2017.

Also on October 3, 2017, an enrollment confirmation notice was issued confirming the selection of a Medicaid Managed Care plan on October 2, 2017. The notice confirmed your enrollment in a plan starting November 1, 2017.

On December 1, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and held open to allow the Hearing Officer to review telephone recordings. Two telephone recordings were reviewed and the record was closed.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified, and the record reflects, that you are appealing your enrollment start date of your Medicaid Managed Care plan.
- 2) According to your NYSOH account, NYSOH received your applications for financial assistance on August 18, 2017 and October 2, 2017.
- 3) On October 2, 2017, you submitted documentation of your unemployment benefits to NYSOH for verification of the income stated in your applications.
- 4) On October 2, 2017, your documentation was verified as acceptable proof of income.

- 5) The record reflects that you selected a Medicaid Managed Care plan on October 2, 2017.
- 6) You testified that you want your Medicaid Managed Care plan to begin on October 1, 2017.
- 7) You placed a call to NYSOH on August 18, 2017. During that call, you updated your application. The NYSOH representative advised you that you needed to provide documentation to support the income information in your application. You advised the representative that you had previously submitted a letter regarding your unemployment benefits, and the representative advised you to submit it again. You stated that you would resend the letter.
- 8) You placed a call to NYSOH on October 2, 2017. During that call, you submitted an updated application for health insurance. You repeatedly stated that you had faxed and mailed the letter to NYSOH in August 2017.
- 9) You testified that you do not recall if the NYSOH representative advised you to submit income documentation in August 2017. You also testified that the representative advised you that the letter in your account would be sufficient proof of income.
- 10) You testified that you would have submitted income documentation if you had been told to do so. You did not testify that you submitted income documentation in August 2017.
- 11) There is no evidence in the record that you submitted documentation in August 2017, either by fax or by mail.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Medicaid

An individual is eligible for fee-for-service Medicaid effective on the first day of the month if an individual was eligible any time during that month (42 CFR § 435.915(b), Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010, 13ADM-03(III)(F)).

Medicaid Managed Care plan enrollments received on or before the fifteenth day of the month are effective the first day of the following month. Enrollments received after the fifteenth day of the month are effective the first day of the

second following month (Medicaid Managed Care Model Contract (Appendix H-6(b)(ii) & (iii), effective 3/1/2014 – 2/28/2019; see 42 USC § 1315; § 364-j(1)(c); 18 NYCRR § 360-10.3(h), Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010, 13ADM-03(III)(F)).

Verification Process

For all individuals whose income is needed to calculate the household's eligibility, NYSOH must request data that will allow NYSOH to verify the household's income (45 CFR §155.320(c)(1)(i), 42 CFR § 435.945).

If NYSOH cannot verify the income information required to determine eligibility they must attempt to resolve the inconsistency including giving the applicant the opportunity to submit satisfactory documentary evidence (45 CFR §155.315(f) 42 CFR § 435.952).

Timely Notice of Medicaid Eligibility

When an individual applies for insurance through NYSOH, NYSOH must determine that person's eligibility promptly and without undue delay (45 CFR § 155.310(e)(1); 42 CFR § 435.1200(b)(3)(iii)).

To assess whether an eligibility determination was untimely, NYSOH must base the time period from the date of application to the date NYSOH notifies the applicant of its decision (45 CFR § 155.310(e)(2)). However, if the applicant submits an incomplete application or there is not sufficient information for NYSOH to make an eligibility determination, then NYSOH must notify that applicant that more information is needed to complete the application (45 CFR § 155.310(k)(1)).

NYSOH must provide Medicaid applicants notice of their eligibility determination within 45 days from the date of the application (42 CFR § 435.912).

Legal Analysis

The first issue is whether NYSOH's provided you with timely determination of your Medicaid eligibility as of October 3, 2017.

For all individuals whose income is needed to calculate the household's eligibility, NYSOH must request data that will allow NYSOH to verify the household's income.

If NYSOH cannot verify the income information required to determine eligibility they must attempt to resolve the inconsistency including giving the applicant the opportunity to submit satisfactory documentary evidence.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

You updated your NYSOH account on August 18, 2017. The income amount that was entered into this application did not match federal and state data sources. As a result, NYSOH asked that you submit additional documentation to confirm your income.

You testified that you do not recall if the NYSOH representative advised you that you needed to submit income documentation, but you also testified that the representative advised you that the letter was already in your account. A review of the recording from August 18, 2017 reflects that the NYSOH representative advised you that you need to submit documentation and to send in the letter explain your income again, and you stated that you would resend it.

During the October 2, 2017 telephone recording, you advised the NYSOH representative that you had both mailed and faxed the letter in August 2017. You testified that had you known you needed to submit documentation, you would have sent it. You did not testify that you had submitted the documentation in August 2017, and there is no evidence in the record that you submitted documentation in August 2017.

On October 2, 2017, you uploaded a copy of your paystubs as proof of your income and on October 2, 2017, NYSOH verified those paystubs as acceptable proofs of income.

Therefore, your application was considered complete as of October 2, 2017 for purposes of issuing an eligibility determination.

NYSOH must provide Medicaid applicants notice of their eligibility determination within 45 days from the date of the completed application. To assess whether an eligibility determination was untimely, NYSOH must base the time period from the date of the completed application to the date NYSOH notifies the applicant of its decision.

NYSOH issued an eligibility determination notice on October 3, 2017 that stated you were eligible for Medicaid effective October 1, 2017. Since NYSOH issued an eligibility determination one day from the date your application was considered complete, the October 3, 2017 eligibility determination was timely.

The second issue is whether NYSOH properly determined that your enrollment in your Medicaid Managed Care plan was effective November 1, 2017.

The record reflects that you selected a Medicaid Managed Care plan on October 2, 2017.

The date on which a Medicaid Managed Care plan can take effect depends on the day a person selects the plan for enrollment.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

A plan that is selected from the first day to and including the fifteenth day of a month will go into effect on the first day of the following month. A plan that is selected on or after the sixteenth day of the month will go into effect on the first day of the second following month.

Since the October 3, 2017 eligibility determination notice was timely issued, you were able to select a Medicaid Managed Care plan as of that day. Your plan would therefore properly take effect on the first day of the next month following after October 3, 2017; that is, on November 1, 2017.

Therefore, the October 3, 2017 enrollment confirmation notice stating that your enrollment in your Medicaid Managed Care plan would be effective November 1, 2017, was correct and must be AFFIRMED.
