Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your child's enrollment in her Child Health Plus plan was effective October 1, 2017?

Procedural History

On August 17, 2017, you submitted an application for financial assistance.

On August 18, 2017, NYSOH issued a notice of eligibility determination, based on your August 17, 2017 application, stating that your child was eligible to enroll in Child Health Plus with a \$15.00 monthly premium, effective October 1, 2017.

Also on August 18, 2017, NYSOH issued a notice of enrollment, based on your plan selection on August 17, 2017, stating that your child was enrolled in a Child Health Plus plan, and that this enrollment in the plan would start October 1, 2017.

On October 3, 2017, you spoke to NYSOH's Account Review Unit and appealed the start date of your child's Child Health Plus plan insofar as it did not begin September 1, 2017.

On December 1, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you are appealing only your child's eligibility.
- 2) You submitted an application to NYSOH for financial assistance on August 17, 2017.
- 3) You testified, and the record reflects, that you enrolled your child into a Child Health Plus plan on August 17, 2017.
- 4) You testified that you need your child's Child Health Plus plan to begin on September 1, 2017 because you incurred a medical bill in September 2017.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Child Health Plus

The "period of eligibility" for Child Health Plus is "that period commencing on the first day of the month during which a child is an eligible child and enrolled or recertified for enrollment on an annual basis based on all required information and documentation and ending on the last day of the twelfth month following such date," unless the CHP premiums are not timely paid or the child no longer resides in New York State, gains access to or obtains other health insurance coverage, or becomes eligible for Medicaid (NY Public Health Law § 2510(6)).

"A State must specify a method for determining the effective date of eligibility for [Child Health Plus], which can be determined based on the date of application or through any other reasonable method that ensures coordinated transition of children between [Child Health Plus] and other insurance affordability programs as family circumstances change and avoids gaps or overlaps in coverage" (42 CFR § 457.340(f)).

The State of New York has provided that a child's period of eligibility for Child Health Plus begins on the first day of the month during which a child is eligible. A child will become eligible on the first day of the next month, if the application is received by the 15th of the month; applications received after the 15th day of the month will be processed for the first day of the second following month (see e.g. State Plan Amendment (SPA) NY-14-0005, approved February 3, 2015 and effective January 1, 2014).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

Legal Analysis

The issue is whether NYSOH properly determined that your child's enrollment in her Child Health Plus plan was effective October 1, 2017.

On August 17, 2017, you submitted an application for financial assistance with health insurance.

Also on August 17, 2017, you testified, and NYSOH records reflect, that you selected a Child Health Plus plan for your child.

The date on which a Child Health Plus plan can take effect depends on the day a person selects the plan for enrollment. A plan that is selected between the first day and fifteenth day of a month goes into effect on the first day of the following month. A plan that is selected from the sixteenth day of the month and the end of the month goes into effect on the first day of the second following month.

Since you selected a plan for your child on August 17, 2017, your child's enrollment would begin on the first day of the second following month; that is, on October 1, 2017.

Therefore, the August 18, 2017 enrollment confirmation notice stating that your child's enrollment in her Child Health Plus plan was effective October 1, 2017, is correct and must be AFFIRMED.

Decision
