## Decision

Decision Date: December 11, 2017

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000023137

## Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly terminate your child's Child Health Plus plan for non-payment of premium effective, September 1, 2017?

Did NYSOH properly determine that your child's reenrollment in his Child Health Plus plan was effective November 1, 2017?

## Procedural History

On August 8, 2017, NYSOH issued a notice of eligibility determination, based on your August 7, 2017 application, stating that your child was eligible for Child Health Plus effective September 1, 2017.

Also on August 8, 2017, NYSOH issued a notice of enrollment, stating that your child was enrolled in a Child Health Plus plan, and that this enrollment in the plan would start September 1, 2017.

On October 4, 2017, NYSOH issued a disenrollment notice stating that your child's enrollment in his Child Health Plus plan was terminated, effective September 30, 2017, because a premium payment had not been received by the health plan.

On October 5, 2017, NYSOH received your request to reenroll your child into a Child Health Plus plan.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

Also on October 5, 2017, you spoke to NYSOH's Account Review Unit and appealed the start date of your child's Child Health Plus plan insofar as he did not have coverage for the month of October 2017.

On October 6, 2017, NYSOH issued a notice of enrollment, based on your plan selection on October 5, 2017, stating that your child was enrolled in a Child Health Plus plan and that coverage would start on November 1, 2017.

On December 4, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You testified that you are only appealing your child's disenrollment from his Child Health Plus plan for the month of October 2017.
- 2) Your child was enrolled into a Child Health Plus plan, effective September 1, 2017.
- 3) You testified that you paid your premiums to your child's Child Health Plus plan for September.
- 4) You testified that you were late with payment for October 2017. You explained that you had been provided incorrect information by your child's Child Health Plus plan regarding when the premium payments were due and whether or not you were entitled to a grace period.
- 5) Your child was disenrolled from his Child Health plus plan, effective September 30, 2017.
- 6) You testified that when you became aware that your child had been disenrolled you contacted NYSOH to reenroll them.
- 7) On October 5, 2017, NYSOH received your request to reenroll your child into a Child Health Plus plan.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Appealable Issues

An applicant has the right to appeal to NYSOH's Appeals Unit: (1) an eligibility determination, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions; (2) a redetermination of eligibility, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions; (3) an eligibility determination for an exemption; (4) a failure by NYSOH to provide timely notice of an eligibility determination 45 CFR § 155.505; and (5) a denial of a request for a special enrollment period (45 CFR § 155.505(b)(1)(iii), 45 CFR § 155.305(b), and 45 CFR § 155.420(d)).

### Child Health Plus

A child who meets the eligibility requirements for Child Health Plus may be eligible to receive a subsidy payment if the child resides in a household with a household income at or below 400% of the federal poverty level (FPL) (NY Public Health Law § 2511(2)(a)(iii)).

To be eligible for Child Health Plus, the child:

- Must be under 19 years of age;
- Must be a New York State Resident;
- Must not have other health insurance coverage; and
- Must not be eligible for, or enrolled in, Medicaid

(NY Public Health Law § 2511(2)(a)-(e)).

The "period of eligibility" for Child Health Plus is "that period commencing on the first day of the month during which a child is an eligible child and enrolled or recertified for enrollment on an annual basis based on all required information and documentation and ending on the last day of the twelfth month following such date," unless the Child Health Plus premiums are not timely paid or the child no longer resides in New York State, gains access to or obtains other health insurance coverage, or becomes eligible for Medicaid (NY Public Health Law § 2510(6)).

"A State must specify a method for determining the effective date of eligibility for [Child Health Plus], which can be determined based on the date of application or through any other reasonable method that ensures coordinated transition of children between [Child Health Plus] and other insurance affordability programs as family circumstances change and avoids gaps or overlaps in coverage" (42 CFR § 457.340(f)).

The State of New York has provided that a child's period of eligibility for Child Health Plus begins on the first day of the month during which a child is eligible. A child will become eligible on the first day of the next month, if the application is received by the 15th of the month; applications received after the 15th day of the month will be processed for the first day of the second following month (see State Plan Amendment (SPA) NY-14-0005, approved February 3, 2015 and effective January 1, 2014).

## **Legal Analysis**

The first issue under review is whether NYSOH properly terminated your child's Child Health Plus plan for non-payment of premium effective, September 30, 2017.

On August 7, 2017, your child was enrolled in a Child Health Plus plan, effective September 1, 2017.

You testified that you paid your premiums to your child's Child Health Plus plan for September 2017. However, in October 2017 you were late with your premium payment.

On October 4, 2017, NYSOH issued a notice stating that your child was disenrolled from his Child Health Plus plan for non-payment of premiums, effective September 30, 2017.

NYSOH Appeals Unit only has the authority to review issues related to the following: (1) an eligibility determination, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions, (2) a redetermination of eligibility, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions, (3) an eligibility determination for an exemption, (4) a failure to provide timely notice of an eligibility determination and (5) a denial of a special enrollment period.

Since the Appeals Unit is not given the authority to review termination of enrollment due to non-payment of premiums, we cannot reach the merits as to whether or not your child was properly terminated from his Child Health Plus plan for non-payment of premiums. Therefore, your appeal of the October 4, 2017 disenrollment notice is **DISMISSED** as a non-appealable issue.

The second issue is whether NYSOH properly determined that your child reenrollment in his Child Health Plus plan was effective November 1, 2017.

You contacted NYSOH on October 5, 2017 to reenroll your child into his Child Health Plus plan.

The date on which a Child Health Plus plan can take effect depends on the day a person selects the plan for enrollment. A plan that is selected between the first day and fifteenth day of a month goes into effect on the first day of the following month. A plan that is selected from the sixteenth day of the month and the end of the month goes into effect on the first day of the second following month.

As you contacted NYSOH to reenroll your child into a Child Health Plus plan on October 5, 2017, his reenrollment should have taken effect the first day of the first month after October; that is, on November 1, 2017.

Therefore, the October 6, 2017 enrollment confirmation notice stating that your child's reenrollment in his Child Health Plus plan was effective November 1, 2017 is AFFIRMED.

Since your issue concerns a health insurer and/or payment, reimbursement, coverage, benefits, rates and/or premiums, you can contact NY Department of Financial Services at their Consumer Hotline at (800) 342-3736 (Monday through Friday, 8:30 AM to 4:30 PM); or locally to (212) 480-6400; or you can file a complaint at <http://www.dfs.ny.gov/consumer/fileacomplaint.htm>
