## Decision

Decision Date: December 12, 2017

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000023278

## Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you were eligible to receive an advance premium tax credit of up to \$249.00 per month, effective November 1, 2017?

Did NYSOH properly determine that you were eligible for cost-sharing reductions?

Did NYSOH properly determine that you were not eligible for the Essential Plan?

## Procedural History

On October 11, 2017, you applied to NYSOH for financial assistance with your health insurance. That day, a preliminary eligibility determination was prepared, stating that you were eligible to receive an advance premium tax credit (APTC) of up to \$249.00 per month, and if you enrolled in a silver-level plan, eligible to receive cost-sharing reductions (CSR), effective November 1, 2017.

Also on October 11, 2017, you spoke to NYSOH's Account Review Unit and appealed insofar as you were not found eligible for the Essential Plan. You were found eligible for "Aid to Continue" during the pendency of the appeal, so you were reenrolled in the Essential Plan for a limited time.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On October 12, 2017, NYSOH issued a notice of eligibility determination, based on the October 11, 2017 application, stating that you were eligible to receive an APTC of up to \$249.00 per month and, if you enrolled in a silver-level plan, eligible to receive CSR, effective November 1, 2017. That notice also stated that you were not eligible for the Essential Plan because your household income was over the allowable income limit for that program.

On December 7, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

## Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2017 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself only.
- 3) The application that was submitted on October 11, 2017, listed annual household income of \$25,014.00, consisting of \$2,550.00 you earned from your former employer, [REDACTED], between January 1, 2017 and August 30, 2017, and \$12.00 per hour you receive from your employment with [REDACTED] over a typical 36-hour week during 2017. You testified that these income amounts and rate of earnings were reasonably accurate when you submitted your application.
- 4) Your application reflects that you will not be taking any deductions on your 2017 tax return.
- 5) You live in [REDACTED].
- 6) You testified that the plans available to you, even after applying the maximum APTC, were unaffordable. You further testified that you were seeking to be found eligible for the Essential Plan since you had been previously enrolled in this plan on a limited basis with a \$20.00 monthly premium.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## Applicable Law and Regulations

### Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a QHP and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NYSOH in the county where the taxpayer resides

*minus*

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), IRS Revenue Procedure (RP) 2016-24).

In an analysis of APTC eligibility, the determination is based on the applicable FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Federal Register 4036).

For annual household income in the range of at least 200% but less than 250% of the 2016 FPL, the expected contribution is between 6.43% and 8.21% of the household income (26 CFR § 1.36B-3, IRS RP 2016-24).

### Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

### Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036).

### **Legal Analysis**

The first issue is whether NYSOH properly determined that you were eligible to receive an APTC of up to \$249.00 per month, effective November 1, 2017.

The application that was submitted on October 11, 2017 listed an annual household income of \$25,014.00, consisting of (1) \$2,550.00 you earned from your former employer, [REDACTED] between January 1, 2017 and August 30, 2017, and (2) \$22,464.00 (\$12.00 x 36 hours x 52 weeks) you anticipate receiving from your employment with [REDACTED] during 2017. The eligibility determination relied upon that information.

You are in a one-person household. You expect to file your 2017 income taxes as single and will claim no dependents on that tax return.

You reside in [REDACTED], where the second lowest cost silver plan available for an individual through NYSOH costs \$390.79 per month.

An annual income of \$25,014.00 is 210.56% of the 2016 FPL for a one-person household. At 210.56% of the FPL, the expected contribution to the cost of the health insurance premium is 6.81% of income, or \$141.87 per month.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$390.79 per month) minus your expected contribution (\$141.87 per month), which equals \$248.92 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$249.00 per month in APTC.

The second issue is whether you were properly found eligible for CSR.

CSR is available to a person who has a household income no greater than 250% of the applicable FPL. Since a household income of \$25,014.00 is 210.56% of the applicable FPL, NYSOH correctly found you to be eligible for CSR.

The third issue under review is whether NYSOH properly determined that you were not eligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since an annual household income of \$25,014.00 is 210.56% of the 2016 FPL, NYSOH properly found you not eligible for the Essential Plan.

Because the October 12, 2017 eligibility determination notice properly stated that, based on the information you provided, you were eligible for up to \$249.00 per month in APTC, eligible for CSR, and not eligible for the Essential Plan, it is correct and is AFFIRMED.
