Decision

Decision Date: January 19, 2018

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000023349

Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your child's enrollment in his Child Health Plus plan was effective November 1, 2017?

Procedural History

On September 27, 2017, NYSOH issued a notice of eligibility determination, based on your September 26, 2017 application, stating that your child was eligible to enroll in a full cost Child Health Plus plan, effective November 1, 2017.

Also, on September 27, 2017, NYSOH issued a notice of enrollment, based on your plan selection on September 26, 2017, stating that your child was enrolled in a Child Health Plus plan with a \$209.57 monthly premium, and that his enrollment in the plan would start November 1, 2017.

On October 13, 2017, you spoke to NYSOH's Account Review Unit and appealed the start date of your child's Child Health Plus plan insofar as it did not begin October 1, 2017.

On December 14, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you are appealing only your child's eligibility.
- 2) You applied to NYSOH for financial assistance with health insurance on September 26, 2017.
- 3) You testified, and your account confirms, that you selected a Child Health Plus plan for your child on September 26, 2017.
- 4) You testified that you spoke to a NYSOH representative who advised you that there was a possibility that your child's Child Health Plus coverage could be backdated to October 1, 2017.
- 5) You testified that you need your child's Child Health Plus plan to begin on October 1, 2016 because your child incurred a medical bill in October 2017.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Child Health Plus

The "period of eligibility" for Child Health Plus is "that period commencing on the first day of the month during which a child is an eligible child and enrolled or recertified for enrollment on an annual basis based on all required information and documentation and ending on the last day of the twelfth month following such date," unless the CHP premiums are not timely paid or the child no longer resides in New York State, gains access to or obtains other health insurance coverage, or becomes eligible for Medicaid (NY Public Health Law § 2510(6)).

"A State must specify a method for determining the effective date of eligibility for [Child Health Plus], which can be determined based on the date of application or through any other reasonable method that ensures coordinated transition of children between [Child Health Plus] and other insurance affordability programs as family circumstances change and avoids gaps or overlaps in coverage" (42 CFR § 457.340(f)).

The State of New York has provided that a child's period of eligibility for Child Health Plus begins on the first day of the month during which a child is eligible. A child will become eligible on the first day of the next month, if the application is

received by the 15th of the month; applications received after the 15th day of the month will be processed for the first day of the second following month (see e.g. State Plan Amendment (SPA) NY-14-0005, approved February 3, 2015 and effective January 1, 2014).

Legal Analysis

The issue is whether NYSOH properly determined that your child's enrollment in his Child Health Plus plan was effective November 1, 2017.

You testified that you contacted NYSOH on September 26, 2017 and enrolled your child into a Child Health Plus plan.

The date on which a Child Health Plus plan can take effect depends on the day a person selects the plan for enrollment. A plan that is selected between the first day and fifteenth day of a month goes into effect on the first day of the following month. A plan that is selected from the sixteenth day of the month and the end of the month goes into effect on the first day of the second following month.

Since you selected a plan for your child on September 26, 2017, your child's enrollment became effective on the first day of the following month; that is on November 1, 2017.

Therefore, the September 27, 2017 enrollment confirmation notice stating that your child's enrollment in his Child Health Plus plan was effective November 1, 2017, is correct and must be AFFIRMED.
