Decision

Decision Date: January 22, 2018

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000023565

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you were eligible to receive up to \$85.00 per month in advance payments of the premium tax credit, effective December 1, 2017?

Did NYSOH properly determine that you were not eligible for cost-sharing reductions?

Did NYSOH properly determine that you were not eligible for the Essential Plan?

Did NYSOH properly determine that you were not eligible for Medicaid?

Procedural History

On October 20, 2017, you updated your application for financial assistance. That day, a preliminary eligibility determination was prepared stating that you were eligible to receive up to \$85.00 in APTC, effective December 1, 2017.

Also on October 20, 2017, you spoke to NYSOH's Account Review Unit and appealed the eligibility determination, insofar as you were not eligible for increased financial assistance.

On October 21, 2017, NYSOH issued a notice of eligibility determination, based on the October 20, 2017 application, stating that you were eligible to receive up

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

to \$85.00 in APTC, effective December 1, 2017. That notice also stated that you were not eligible for cost-sharing reductions, the Essential Plan, or Medicaid because your income was over the allowable income limits for those programs.

On October 27, 2017, an application for financial assistance was run on your behalf.

On October 28, 2017, NYSOH issued an eligibility determination notice, stating that you were eligible for the Essential Plan for a limited time, effective December 1, 2017, because you had been granted aid to continue until a decision is made on your appeal.

Also on October 28, 2017, NYSOH issued an enrollment confirmation notice, stating that you were enrolled in the Essential Plan, effective December 1, 2017.

On December 13, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and held open up to December 29, 2017, to allow you time to submit supporting documents.

As of December 29, 2017, the Appeals Unit did not receive any documents from you and none were viewable in your NYSOH account. Therefore, the record was closed that same day and this decision is based on the record as developed at the time of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2017 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself.
- 3) The application that was submitted on October 20, 2017 listed annual household income of \$46,000.00, consisting of income you earn from your employment. You testified that this amount was correct.
- 4) You testified that you earned a net \$1,313.00 in October 2017.
- 5) Your application states that you will not be taking any deductions on your 2017 tax return. You testified that you may be taking a student loan interest deduction.
- 6) Your application states that you live in Kings County.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

- 7) You testified that you have bills including rent, gas, utilities and credit card debt and cannot afford a health insurance premium.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3T(g)(1), IRS Rev. Proc.2016-24).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036.).

For annual household income in the range of at least 300% but less than 400% of the 2016 FPL, the expected contribution is 9.69% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2016-24).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036.).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/basic-health-program.html>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

The Essential Plan is considered minimum essential coverage therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL "for the applicable budget period used to determine an individual's eligibility" (42 CFR § 435.4). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Fed. Reg. 8831).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

Modified Adjusted Gross Income

NYSOH bases its eligibility determinations on modified adjusted gross income as defined in the federal tax code (45 CFR § 155.300(a)). The term "modified adjusted gross income" means adjusted gross income increased by (1) any income that was excluded under 26 USC § 911 for United States citizens or residents living abroad, (2) tax-exempt interest received or accrued, and (3) Social Security benefits that were excluded from gross income under 26 USC § 86 (see 26 USC § 36B(d)(2)(B), 26 CFR § 1.36B-1(e)(2)).

"Adjusted gross income" means, in the case of an individual taxpayer, gross federal taxable income minus certain specific deductions, such as expenses reimbursed by an employer, losses from sale or exchange of property, losses from premature withdrawal of funds from time savings accounts, deductions attributable to royalties, and certain retirement savings (26 USC § 62(a)). Living

expenses, such as rent and utilities are not an allowable deduction in computing adjusted gross income.

Legal Analysis

The first issue is whether NYSOH properly determined that you were eligible for an APTC of up to \$85.00 per month.

The application that was submitted on October 20, 2017 listed an annual household income of \$46,000.00 and the eligibility determination relied upon that information.

During the hearing, you testified that the amount you provided in your application was correct. However, you testified that your current bills, which include rent, gas, utilities and credit card debt prevent you from being able to afford a health insurance premium.

Since the Internal Revenue Service rules do not allow living expenses such as rent, utilities, cable and phone to be deducted from the calculation of your adjusted gross income, they cannot be deducted when the NYSOH computes your modified adjusted gross income for APTC purposes. Therefore, NYSOH correctly determined your household income to be \$46,000.00.

You are in a one-person household. You expect to file your 2017 income taxes as single and will claim no dependents on that tax return.

You reside in Kings County, where the second lowest cost silver plan available for an individual through NYSOH costs \$456.46 per month.

An annual income of \$46,000.00 is 387.51% of the 2016 FPL for a one-person household. At 387.21% of the FPL, the expected contribution to the cost of the health insurance premium is 9.69% of income, or \$371.45 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$456.46 per month) minus your expected contribution (\$371.45 per month), which equals \$85.01 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$85.00 per month in APTC.

The second issue is whether you were properly found not eligible for cost-sharing reductions. Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$46,000.00 is 387.21% of the applicable FPL, NYSOH correctly found you to be not eligible for cost sharing reductions.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

The third issue under review is whether NYSOH properly determined that you were not eligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since an annual household income of \$46,000.00 is 387.21% of the 2016 FPL, NYSOH properly found you to be not eligible for the Essential Plan.

The fourth issue is whether NYSOH properly determined that you were not eligible for Medicaid.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income that is at or below 138% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,060.00 for a one-person household. Since \$46,000.00 is 381.43% of the 2017 FPL, NYSOH properly found you to be not eligible for Medicaid on an expected annual income basis, using the information provided in your application.

However, financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size.

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is \$1,387.00 per month.

You testified that you earned a net \$1,313.00 in October 2017, but did not submit supporting documentation. Since there is insufficient documentation to calculate your gross income for October 2017, the Appeals Unit cannot determine if you qualify for Medicaid on the basis of monthly income as of the date of your application.

Since the October 20, 2017 eligibility determination properly stated that, based on the information you provided, you were eligible for up to \$85.00 per month in APTC, not eligible for cost-sharing reductions, not eligible for the Essential Plan and not eligible for Medicaid, it is correct and is AFFIRMED.

Decision

The October 20, 2017 eligibility determination notice is AFFIRMED.

Effective Date of this Decision: January 22, 2018
