NY State of Health Account [REDACTED]
Appeal Identification Number: AP000000023864

[REDACTED]

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health properly determine that you were eligible to receive up to \$196.00 per month in advance payments of the premium tax credit, for a limited time, effective October 1, 2017?

Did NY State of Health properly determine that you were not eligible for cost-sharing reductions?

Did NY State of Health properly determine that you were not eligible for the Essential Plan?

Procedural History

On August 26, 2017, NYSOH received an application for financial assistance with health insurance.

On August 27, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to receive an advance premium tax credit (APTC) of up to \$196.00 per month, for a limited time, effective October 1, 2017. The notice requested that you provide income documentation to NYSOH by November 24, 2017 to confirm your eligibility. That notice also stated that you were not eligible for either cost-sharing reductions (CSR) or Essential Plan because your income was over the allowable income limits for those programs.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On October 31, 2017, you spoke to NYSOH's Account Review Unit and appealed insofar as you were not found eligible for the Essential Plan.

On January 12, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your 2017 taxes with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself only.
- 3) The application that was submitted on August 26, 2017 listed annual household income of \$33,644.00, consisting of \$647.00 per week you earn from your employment with [REDACTED] [REDACTED]. You testified that this amount was correct.
- 4) You testified, and your NYSOH application reflects, that you will not be taking any deductions on your 2017 tax return.
- 5) You live in Bronx County, New York.
- 6) You testified that your lack of additional income and increased living expenses, such as your rent, make purchasing a QHP through NYSOH unaffordable. Accordingly, you were seeking to be found eligible for the Essential Plan at a reduced monthly premium.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage

except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2017 is set by federal law at 2.04% to 9.69% of household income (26 USC § 36B(b)(3)(A), IRS Revenue Procedure (RP) 2016-24).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Federal Register 4036.).

For annual household income in the range of at least 250% but less than 300% of the 2017 FPL, the expected contribution is between 8.21% and 9.69% of the household income (26 CFR § 1.36B-3T(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2016-24).

Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable FPL or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a

household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2016 FPL, which is \$11,880.00 for a one-person household (81 Fed. Reg. 4036.).

Legal Analysis

The first issue is whether NYSOH properly determined that you were eligible for an APTC of up to \$196.00 per month, for a limited time, effective October 1, 2017.

The application that was submitted on August 26, 2017 listed an annual household income of \$33,644.00, which consisted of \$647.00 per week you earn from your employment with [REDACTED]. The eligibility determination relied upon that information.

You are in a one-person household. You expect to file your 2017 income taxes as single and will claim no dependents on that tax return.

You reside in Bronx County, where the second lowest cost silver plan available for an individual through NYSOH costs \$453.36 per month.

An annual income of \$33,644.00 is 283.20% of the 2016 FPL for a one-person household. At 283.20% of the FPL, the expected contribution to the cost of the health insurance premium is 9.19% of income, or \$257.73 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$453.36 per month) minus your expected contribution (\$257.73 per month), which equals \$195.63 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$196.00 per month in APTC.

The second issue is whether you were properly found not eligible for CSR.

CSR is available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$33,644.00 is 283.20% of the applicable FPL, NYSOH correctly found you to be not eligible for CSR.

The third issue under review is whether NYSOH properly determined that you were not eligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$11,880.00 for a one-person household. Since an annual household income of \$33,644.00 is 283.20% of the 2016 FPL, NYSOH properly found you to be eligible for the Essential Plan.

Since the August 27, 2017 eligibility determination notice properly stated that, based on the information you provided, you were eligible for up to \$196.00 per month in APTC, for a limited time, not eligible for CSR, and not eligible for the Essential Plan, it is correct and is AFFIRMED.
