Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that you were eligible for Medicaid, effective October 1, 2017?

Procedural History

On October 31, 2017, NYSOH received your initial application for financial assistance with health insurance. That day a preliminary eligibility determination was prepared finding you eligible for Medicaid, effective October 1, 2017.

Also on October 31, 2017, you spoke to NYSOH's Account Review Unit and appealed the preliminary eligibility determination insofar as your Medicaid coverage began on October 1, 2017, and not November 1, 2017.

On November 1, 2017, NYSOH issued an eligibility determination notice, consistent with the preliminary eligibility determination, stating that you were eligible for Medicaid, effective October 1, 2017.

On January 12, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) According to your NYSOH account and your testimony, you initially applied for financial assistance through NYSOH on October 31, 2017. That day, you were found fully eligible for Medicaid coverage.
- 2) You testified that had you applied for health coverage 14 hours later, you would have still been eligible for Medicaid, but that coverage would have been effective November 1, 2017, instead of October 1, 2017.
- 3) You testified that you wanted your Medicaid coverage to begin on November 1, 2017, because you did not have any medical expenses in October 2017 and you would like your twelve months of Medicaid coverage to end on October 31, 2018 instead of September 30, 2018.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Medicaid

An individual is eligible for fee-for-service Medicaid effective on the first day of the month if an individual was eligible any time during that month (42 CFR § 435.915(b), Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010,13ADM-03(III)(F)).

Legal Analysis

It should be noted, that neither your eligibility for Medicaid or the effective date of your Medicaid Managed Care plan is in dispute.

The issue under review is whether NYSOH properly determined that you were eligible for Medicaid starting October 1, 2017.

According to your NYSOH account, and your testimony, you initially applied for financial assistance through NYSOH on October 31, 2017. That day, you were found fully eligible for Medicaid coverage.

Medicaid Fee-For Service coverage is effective on the first day of the month in which that applicant was found eligible for Medicaid. Since you were found eligible for Medicaid on October 31, 2017, NYSOH properly determined that you were eligible for Medicaid, effective October 1, 2017. Therefore, the November 1, If you need this information in a language other than English or you need assistance reading this notice, we can help you.
