Decision

Decision Date: January 12, 2018

NY State of Health Account ID:

Appeal Identification Number: AP000000024533

Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that you were enrolled in your qualified health plan from October 1, 2017 through October 31, 2017?

Procedural History

On November 7, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to purchase a qualified health plan at full cost through NYSOH, effective December 1, 2017. This notice directed you to confirm your health plan selection by November 29, 2017, otherwise you could not get coverage for 2017.

On November 9, 2017, NYSOH issued an enrollment confirmation notice, based on your plan selection on November 8, 2017, stating that you were enrolled in a qualified health plan with a plan enrollment start date of October 1, 2017.

On November 17, 2017, you contacted the NYSOH Account Review Unit and appealed insofar as you were not disenrolled from your qualified health plan from October 1, 2017 through October 31, 2017.

On January 8, 2017, you had a telephone hearing with a Hearing Officer from the NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the proceeding.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

Findings of Fact

A review of the record supports the following findings of fact:

- You testified that you had coverage through your spouse's employer until September 30, 2017.
- 2) You testified, and the record reflects, that you submitted an application for financial assistance on-line on November 6, 2017.
- 3) In the application you submitted on November 6, 2017, you selected a special enrollment period reason of "lost or will lose health coverage" and an event date of September 30, 2017.
- 4) Your NYSOH account reflects that on November 8, 2017, you selected a qualified health plan for enrollment.
- 5) You testified that when you selected a qualified health plan for enrollment, you were not given the option of selecting an enrollment start date. You went on to testify that you assumed that your coverage would start as of November 1, 2017, since you applied for coverage in November.
- 6) You further testified that you did not know that you had been enrolled into your qualified health plan with an October 1, 2017 start date until you received your December 2017 premium bill, which also billed you for coverage in October 2017. You went on to explain that the November 2017 premium bill did not request payment for October 2017.
- 7) You testified that as soon as you received the December 2017 premium bill requesting payment for October 2017, you contacted NYSOH to request disenrollment for October 2017.
- 8) The record reflects that on November 17, 2017, you contacted NYSOH to disenroll yourself from your qualified health plan for October 1, 2017 through October 31, 2017.
- 9) You testified that you have not yet paid the premium for your qualified health plan for the month of October 2017 as you are waiting on the outcome of the appeal.
- 10) You testified that you did not use your coverage in the month of October 2017.
- 11) You testified that you are seeking retroactive disenrollment from your qualified health plan for the month of October 2017.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Termination of a Qualified Health Plan

NYSOH must permit an enrollee to terminate his or her coverage with a qualified health plan coverage, with appropriate notice to the NYSOH or qualified health plan (45 CFR § 155.430(b)(1)(i)).

For enrollee-initiated terminations, the last day of coverage is either:

- The termination date specified by the enrollee, if the enrollee provides reasonable notice (at least 14 days before the requested termination date);
- 2) Fourteen days after the enrollee requests the termination, if they do not provide reasonable notice; or
- On a date on or after the date the enrollee requests the termination, if the enrollee's qualified health plan issuer and the enrollee agree to such a date

(45 CFR § 155.430(d)(2)(i)-(iii)).

NYSOH must permit an enrollee to retroactively terminate or cancel their enrollment in a qualified health plan if:

- 1) The enrollee demonstrates that they attempted to terminate their coverage and experienced a technical error that did not allow the coverage to be terminated, and requests retroactive termination within 60 days after they discovered the technical error.
- 2) The enrollment in the qualified health plan was unintentional, inadvertent, or erroneous and was the result of the error or misconduct of an officer, employee, or agent of NYSOH or HHS, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities. Such enrollee must request cancellation within 60 days of discovering the unintentional, inadvertent, or erroneous enrollment.
- 3) The enrollee was enrolled in a qualified health plan without their knowledge or consent by any third party, including third parties who have

no connection with the Exchange, and requests cancellation within 60 days of discovering of the enrollment.

(45 CFR § 155.430(b)(2)(iv)(A-C)).

NYSOH permits a qualified health plan to terminate an individual's coverage if (1) the enrollee is no longer eligible for coverage or (2) non-payment of the premiums by the enrollee (45 CFR § 155.430(b)(2)(i)-(ii)).

Legal Analysis

The issue under review is whether NYSOH properly determined that you were enrolled in your qualified health plan from October 1, 2017 through October 31, 2017.

On November 7, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to purchase a qualified health plan at full cost, effective December 1, 2017. You subsequently enrolled into a qualified health plan.

You testified that you are seeking retroactive disenrollment from your qualified health plan from October 1, 2017 through October 31, 2017.

NYSOH must permit an enrollee to be retroactively disenroll from their qualified health plan if the enrollee demonstrates that there was a technical error that should have allowed them to terminate coverage earlier, or if their enrollment in the plan was unintentional, inadvertent, or erroneous and was the result of the error or misconduct of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities, or the enrollee was enrolled into a qualified health plan without their knowledge or consent by a third party.

You testified that you submitted an application for financial assistance with health insurance on November 6, 2017 to obtain coverage for yourself for November 1, 2017. You credibly testified that when you selected a plan for enrollment, you were not permitted to specify the date you wanted your enrollment to begin, nor were you advised that your enrollment was to begin as of October 1, 2017.

Therefore, the record reflects that your enrollment in a qualified health plan with an October 1, 2017 enrollment start date was the result of the error of NYSOH.

The record reflects that you first contacted NYSOH to retroactively disenroll yourself from your qualified health plan for the month of October 2017 on November 17, 2017, which request was within 60 days of your discovery of the erroneous enrollment.

As your enrollment in a qualified health plan with an October 1, 2017 start date was the result of an error by NYSOH, and you requested cancellation within 60 days of discovering the erroneous enrollment, you must be permitted to retroactively terminate your enrollment in your qualified health plan from October 1, 2017 through October 31, 2017.

Therefore, the November 9, 2017 enrollment confirmation notice is MODIFIED to reflect that your enrollment in your qualified health plan was effective November 1, 2017.

Your case is RETURNED to NYSOH to disenroll you from your qualified health plan for the month of October 2017. Your enrollment should have begun as of November 1, 2017.
