Decision

Decision Date: February 13, 2018

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000024766

Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health properly determine that you were eligible to receive up to \$272.57 per month in advance payments of the premium tax credit, effective February 1, 2018?

Procedural History

On November 24, 2017, NY State of Health (NYSOH) received your updated application for financial assistance with health insurance. That day a preliminary eligibility determination was prepared finding you no longer eligible for Medicaid, effective November 1, 2017, but your Medicaid coverage would continue until January 31, 2018.

Also on November 24, 2017, you spoke to NYSOH's Account Review Unit and appealed the preliminary eligibility determination insofar as you were ineligible for Medicaid.

On November 25, 2017, NYSOH issued an eligibility determination notice stating that you were no longer eligible for Medicaid, effective November 1, 2017. This notice further stated that NYSOH would continue your Medicaid coverage until January 31, 2018.

Also on November 25, 2017, NYSOH issued a plan enrollment notice confirming your enrolment in your Medicaid Managed Care plan, effective March 1, 2017.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On December 4, 2017, NYSOH issued a notice stating that it was time for you to renew your health insurance coverage through NYSOH. This notice further stated that, based on the information listed in your November 24, 2017 application, NYSOH determined that you qualified for an advanced premium tax credit (APTC) of up to \$272.57, effective February 1, 2018. This notice further stated that you no longer qualified for Medicaid through NYSOH as of January 31, 2018.

On December 6, 2017, NYSOH issued an eligibility determination notice stating that you were eligible for Medicaid, effective January 1, 2018. This notice stated that you had been granted Aid to Continue until a decision is made on your appeal.

Also on December 6, 2017, NYSOH issued a plan enrollment notice confirming your enrollment in a Medicaid Managed Care plan, effective March 1, 2017.

On January 24, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. During the hearing, you testified that you are appealing your eligibility for financial assistance as of February 1, 2018. Therefore, the Hearing Officer agreed to amend your appeal to include the December 4, 2017 eligibility determination notice. The record was developed during the hearing and the record was left open until February 9, 2018, to allow you time to submit supporting documentation.

On February 6, 2018, the NYSOH's Appeals Unit received your supporting documents by secure facsimile. The documents were made part of the record as Appellant's Exhibit #1 and the record was closed.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your tax return for 2018 with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking health insurance for yourself.
- 3) The application that was submitted on November 24, 2017, listed annual household income of \$33,484.10, consisting of income you receive from unemployment benefits and income you receive from your employment. You testified that this amount was incorrect.
- 4) You testified that you recently started working in October 2017, and as a result, you no longer receive unemployment benefits.

- 5) You testified that you are employed as a [REDACTED] and your income can vary week to week depending on the school schedule.
- 6) You further testified that you do not know for certain if you will be [REDACTED] [REDACTED] during the summer months in 2018.
- 7) You submitted income documentation which indicated that on average you make \$382.40 per week from your employment. Using this information, your expected annual income for 2018 is calculated to be \$19,884.80 (\$382.40 X 52 weeks)(see Appellant Exhibit #1).
- 8) Your application states that you will not be taking any deductions on your 2018 tax return.
- 9) Your application states, and you confirmed, that you live in Erie County.
- 10) You testified that you are unable to afford your health insurance without additional financial assistance.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

APTC are generally available to a person who is eligible to enroll in a qualified health plan and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a qualified health plan, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 26 CFR § 1.36B-2, 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2018 is set by federal law at 2.01% to 9.56% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3, IRS Rev. Proc. 2017-36).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Federal Register 8831).

For annual household income in the range of at least 250% but less than 300% of the 2017 FPL, the expected contribution for 2018 is between 8.10% and 9.56% of the household income (26 CFR § 1.36B-3(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2017-36).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

Cost-Sharing Reductions

Cost-sharing reductions are available to a person who (1) is eligible to enroll in a qualified health plan through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level qualified health plan (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable FPL or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and

(6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Fed. Reg. 8831).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/downloads/ny-blueprint.pdf>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

The Essential Plan is considered minimum essential coverage; therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL "for the applicable budget period used to determine an individual's eligibility" (42 CFR § 435.4). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one -person household (82 Fed. Reg. 8831).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

Legal Analysis

The issue under review is whether NYSOH properly determined that you were eligible for up to \$272.57 per month in APTC.

On November 24, 2017, an application for financial assistance with health insurance was submitted on your behalf. The application that was submitted listed an expected annual household income for 2018 of \$33,484.10. This annual expected income included \$11,180.00 that you receive in unemployment benefits. You testified that this income amount was incorrect.

You testified that in 2017 you did receive unemployment benefits. However, you further testified that you started a job in October 2017. Therefore, you testified that you no longer receive unemployment benefits.

As a result, based on the credible evidence on the record, the income amount used to calculate your eligibility for financial assistance in the November 24, 2017 application is not an accurate reflection of your expected annual income for 2018. You testified, and provided documentation, that you currently receive on average \$382.40 a week from your employment. Using this information, your expected annual income for 2018 is calculated to be at most \$19,884.80, provided you work 52 weeks in 2018 (see Appellant Exhibit #1).

Therefore, the income amount relied upon in the December 4, 2017 eligibility determination notice is not supported by the record such that the eligibility determination notice is RESCINDED.

Your case is RETURNED to NYSOH to redetermine your eligibility for financial assistance in 2018, based on a household of one person, for an individual residing in Erie County, with an annual expected income for 2018 of \$19,884.80, and to notify you accordingly.
