Decision

Decision Date: February 5, 2018

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000024788

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health properly determine that you were eligible to receive up to \$481.00 per month in advance payments of the premium tax credit, effective January 1, 2018?

Did NY State of Health properly determine that you were eligible for cost-sharing reductions?

Did NY State of Health properly determine that you were not eligible for the Essential Plan?

Did NY State of Health properly determine that you were not eligible for Medicaid?

Procedural History

On November 24, 2017, NY State of Health (NYSOH) received your updated application for financial assistance with health insurance.

That day, a preliminary eligibility determination was prepared finding you eligible to receive up to \$481.00 in advance payments of the premium tax credit (APTC) and cost-sharing reductions, effective January 1, 2018.

Also on November 24, 2017, you spoke to NYSOH's Account Review Unit and appealed that preliminary eligibility determination notice insofar as you were not eligible for an increased amount of financial assistance.

On November 25, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to receive up to \$481.00 per month in APTC, as well as cost-sharing reductions if you enrolled in a silver level qualified health plan, both effective January 1, 2017. That notice also stated that you were not eligible for the Essential Plan or Medicaid because your annual household income was over the allowable income limits for those programs.

On January 11, 2018, you were scheduled to have a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. That day you requested that the hearing be adjourned, which was granted.

On January 16, 2018, you had an adjourned telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. Under oath, you waived your right to formal notice of the telephone hearing. The record was developed during the hearing and held open to January 31, 2018, to allow you time to submit supporting documents.

On January 26, 2018, NYSOH received your supporting documents by fax. The documents were made part of the record as Appellant's Exhibit #1 and the record was closed.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your tax return for 2018 with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking health insurance for yourself.
- 3) The application that was submitted on November 24, 2017, listed an annual household income of \$24,960.00 in earnings from your employment. You testified that this amount was incorrect.
- 4) On January 26, 2017, you faxed a thirteen-page document to NYSOH containing multiple weekly paystubs; which included a paystub dated January 3, 2018 for a gross income amount of \$384.00, a paystub dated January 9, 2018 for a gross income amount of \$324.00, a paystub dated January 16, 2018 for a gross income amount of \$579.00, and a paystub dated January 23, 2018 for a gross income amount of \$390.00.

- 5) Using these paystubs, your average weekly gross income is \$419.25 and your annual expected income for 2018 is approximately \$21,801.00.
- 6) You testified, and provided documentation to show, that your monthly income for November 2017 was \$1,614.00.
- 7) Your application states that you will not be taking any deductions on your 2018 tax return.
- 8) Your application states, and you testified, that you live in Dutchess County, NY.
- 9) You testified that you cannot afford your health insurance with the current premium and out of pocket expenses.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

APTC are generally available to a person who is eligible to enroll in a qualified health plan and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a qualified health plan, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 26 CFR § 1.36B-2, 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for

2018 is set by federal law at 2.01% to 9.56% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3, IRS Rev. Proc. 2017-36).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Federal Register 8831).

For annual household income in the range of at least 200% but less than 250% of the 2017 FPL, the expected contribution for 2018 is between 6.34% and 8.10% of the household income (26 CFR § 1.36B-3(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2017-36).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

Cost-Sharing Reductions

Cost-sharing reductions are available to a person who (1) is eligible to enroll in a qualified health plan through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level qualified health plan (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable FPL or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

CFR § 155.300(a)). On the date of your application that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Fed. Reg. 8831).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/downloads/ny-blueprint.pdf>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

The Essential Plan is considered minimum essential coverage; therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL "for the applicable budget period used to determine an individual's eligibility" (42 CFR § 435.4). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Fed. Reg. 8831).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

Legal Analysis

The first issue under review is whether NYSOH properly determined that you were eligible for up to \$481.00 per month in APTC.

The application that was submitted on November 24, 2017, listed an annual household income of \$24,690.00 and the eligibility determination relied upon that information.

You are in a one-person household for purposes of this analysis. This is because you expect to file your 2018 income tax return as single and will claim no dependents on that tax return.

You reside in Dutchess County, where the second lowest cost silver plan available for an individual through NYSOH for 2018 costs \$618.25 per month.

An annual income of \$24,960.00 is 206.97% of the 2017 FPL for a one-person household. At 206.97% of the FPL, the expected contribution to the cost of the health insurance premium is 6.59% of income, or \$137.07 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$618.25 per month) minus your expected contribution (\$137.07 per month), which equals \$481.18 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$481.00 per month in APTC, using the information you provided in your application.

The second issue under review is whether you were properly determined eligible for cost-sharing reductions.

Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$24,960.00 is 206.97% of the applicable FPL, NYSOH correctly found you to be eligible for cost sharing reductions, using the information you provided in your application.

The third issue under review is whether NYSOH properly determined you were ineligible for the Essential Plan.

The Essential Plan is generally provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,060.00 for a one-person household. Since an annual household income of \$24,960.00 is 206.97% of the 2017 FPL, NYSOH correctly found you to be ineligible for the Essential Plan, based on the information you provided in your NYSOH application.

The fourth issue under review is whether NYSOH properly determined that you were ineligible for Medicaid.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

adjusted gross income that is at or below 138% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$24,960.00 for a one-person household. Since \$24,960.00 is 206.97% of the 2017 FPL, NYSOH properly found you to be ineligible for Medicaid on an expected annual income basis, using the information provided in your application.

However, financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size.

You submitted income documentation that shows in November 2017 you received \$1,614.00 in gross income from your employment.

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is \$1,387.00 per month. Since the documentation you provided shows that you earned \$1,614.00 in November 2017, you do not qualify for Medicaid based on monthly income as of the date of your application.

Since the November 25, 2017 eligibility determination notice properly stated that, based on the information you provided, you were eligible for up to \$481.00 per month in APTC, eligible for cost-sharing reductions, and ineligible for the Essential Plan and Medicaid, it is correct and is AFFIRMED.

However, on January 26, 2018, the NYSOH's Appeals Unit received your supporting documentation. You submitted four weekly paystubs for the month of January 2018. Using these paystubs, the Hearing Officer calculated your average weekly income to be \$419.25.

Since the record now contains a more accurate reflection of your expected annual income, your case is RETURNED to NYSOH to redetermine your eligibility based on a household of one person, for an individual residing in Dutchess County, with an annual expected income of \$21,801.00, and to notify you accordingly.
