Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your daughter's enrollment in her Child Health Plus plan was effective January 1, 2018?

Procedural History

On May 5, 2017, NYSOH received your daughter's initial application for financial assistance with their health insurance.

On May 6, 2017, NYSOH issued an eligibility determination notice stating your daughter was eligible for Child Health Plus for a limited time, effective June 1, 2017. The notice requested you provide proof of your income by July 4, 2017.

Also on May 6, 2017, NYSOH issued an enrollment notice confirming your daughter's enrollment on May 5, 2017 in a Child Health Plus plan effective June 1, 2017.

On July 11, 2017, NYSOH issued an eligibility determination notice stating your daughter was eligible to purchase a qualified health plan at full cost, effective August 1, 2017. The notice stated you did not qualify for Child Health Plus because federal and state data sources show she was already enrolled in Medicaid, Child Health Plus, or another program.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On July 11, 2017, NYSOH issued a disenrollment notice stating your daughter's Child Health Plus plan would end effective July 31, 2017.

On November 28, 2017, NYSOH received your daughter's updated application for financial assistance.

On November 29, 2017, NYSOH issued an eligibility determination notice stating your daughter was eligible for Child Health Plus for a cost of \$9.00 per month, effective January 1, 2018.

Also on November 30, 2017, you spoke to NYSOH's Account Review Unit and appealed the start date of your daughter's Child Health Plus plan insofar as it did not begin December 1, 2017.

On December 1, 2017, you requested an expedited appeal.

On December 4, 2017, your expedited appeal request was approved.

On December 5, 2017, an enrollment notice was issued confirming your daughter's enrollment in a Child Health Plus plan with a start date of January 1, 2018.

On December 11, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit with the aid of [REDACTED]. The record was developed during the hearing and closed at the end of the proceeding that day.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you are appealing only your daughter's enrollment start date in her Child Health Plus plan.
- 2) Your child was disenrolled from her Child Health Plus plan through NYSOH effective July 31, 2017.
- 3) Records from eMedNY show your daughter had coverage under Medicaid through her local district from May 1, 2017 to October 31, 2017.
- 4) You testified you applied for Medicaid for your daughter at the hospital she had been admitted to.

- 5) You testified you went down to the local Medicaid offices in Brooklyn in October 2017 and were told that she may be able to continue her Medicaid coverage with them because of the serious nature of her [REDACTED].
- 6) You submitted an application for health insurance for your daughter through NYSOH on November 28, 2017.
- 7) You enrolled your daughter into a Child Health Plus plan on December 4, 2017.
- 8) You testified that you need your daughter's Child Health Plus plan to begin on December 1, 2017 as she has [REDACTED] which are planned for that month.
- 9) You reside in Kings County, NY.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Child Health Plus

A child who meets the eligibility requirements for Child Health Plus (CHP) may be eligible to receive a subsidy payment if the child resides in a household with a household income at or below 400% of the federal poverty level (FPL) (New York Public Health Law (PHL) § 2511(2)(a)(iii)). To be eligible to enroll in CHP with subsidy payments, a child must not be "eligible for medical assistance"; that is, must not be eligible for Medicaid (NY Public Health Law § 2511(2)(b)).

The "period of eligibility" for Child Health Plus is "that period commencing on the first day of the month during which a child is an eligible child and enrolled or recertified for enrollment on an annual basis based on all required information and documentation and ending on the last day of the twelfth month following such date," unless the CHP premiums are not timely paid or the child no longer resides in New York State, gains access to or obtains other health insurance coverage, or becomes eligible for Medicaid (NY Public Health Law § 2510(6)).

"A State must specify a method for determining the effective date of eligibility for [Child Health Plus], which can be determined based on the date of application or through any other reasonable method that ensures coordinated transition of children between [Child Health Plus] and other insurance affordability programs as family circumstances change and avoids gaps or overlaps in coverage" (42 CFR § 457.340(f)).

The State of New York has provided that a child's period of eligibility for Child Health Plus begins on the first day of the month during which a child is eligible. A child will become eligible on the first day of the next month, if the application is received by the 15th of the month; applications received after the 15th day of the month will be processed for the first day of the second following month (see e.g. State Plan Amendment (SPA) NY-14-0005, approved February 3, 2015 and effective January 1, 2014).

Legal Analysis

The issue under review is whether NYSOH properly determined that your daughter's enrollment in their Child Health Plus plan was effective January 1, 2018.

Your child was initially enrolled in Child Health Plus through NYSOH effective June 1, 2017. However, she was disenrolled from that plan because she began receiving Medicaid coverage outside of NYSOH.

On November 28, 2017, you reapplied for coverage through NYSOH. As a result of that application your daughter was determined eligible for Child Health Plus for a cost of \$9.00 per month, effective January 1, 2018.

You enrolled your daughter in a Child Health Plus plan on December 4, 2017.

The date on which a Child Health Plus plan can take effect depends on the day a person selects the plan for enrollment. A plan that is selected between the first day and fifteenth day of a month goes into effect on the first day of the following month. A plan that is selected from the sixteenth day of the month and the end of the month goes into effect on the first day of the second following month.

Since your daughter's enrollment was submitted on December 4, 2017, her Child Health Plus plan would take effect on the first day of the month following December, which is January 1, 2018.

Therefore, the December 5, 2017 enrollment confirmation notice is **AFFIRMED** as it properly began your daughter's enrollment in her Child Health Plus plan on January 1, 2018.
