## Decision

Decision Date: March 1, 2018

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000025241

## Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health properly determine that your children's enrollment in their Child Health Plus plan was effective December 1, 2017?

## Procedural History

On October 20, 2017, NY State of Health (NYSOH) issued an eligibility determination notice, based on your October 19, 2017 initial application, stating that your children were eligible to enroll in Child Health Plus (CHP) with a \$9.00 monthly premium, effective December 1, 2017.

Also on October 20, 2017, a plan enrollment notice was issued, based on your plan selection on October 19, 2017, stating that your children were enrolled in a CHP plan with an enrollment start date of December 1, 2017.

On December 4, 2017, you spoke to NYSOH's Account Review Unit and appealed the start date of your children's CHP plan insofar as it did not begin September 1, 2017.

On February 26, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You testified that you are appealing only your children's enrollment start date in their CHP plan.
- 2) You testified that your children previously had CHP coverage directly through their health plan.
- 3) You testified that neither your health plan nor NYSOH notified you that your children were up for renewal or that they were to be terminated from their CHP plan. You found out they had no insurance when you received a bill from their physician's office.
- 4) You further testified that a NYSOH representative advised you that this was NYSOH's mistake.
- 5) According to your NYSOH account and your testimony, you submitted an initial application to NYSOH for financial assistance on October 19, 2017. You enrolled your children into a CHP plan through NYSOH on that same day with a December 1, 2017 enrollment start date.
- 6) You testified that you need your children's CHP plan to begin on September 1, 2017, because you have medical bills for the months of September 2017 through November 2017.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Child Health Plus

The "period of eligibility" for CHP is "that period commencing on the first day of the month during which a child is an eligible child and enrolled or recertified for enrollment on an annual basis based on all required information and documentation and ending on the last day of the twelfth month following such date," unless the CHP premiums are not timely paid or the child no longer resides in New York State, gains access to or obtains other health insurance coverage, or becomes eligible for Medicaid (NY Public Health Law § 2510(6)).

"A State must specify a method for determining the effective date of eligibility for [Child Health Plus], which can be determined based on the date of application or through any other reasonable method that ensures coordinated transition of

children between [Child Health Plus] and other insurance affordability programs as family circumstances change and avoids gaps or overlaps in coverage” (42 CFR § 457.340(f)).

The State of New York has provided that a child's period of eligibility for CHP begins on the first day of the month during which a child is eligible. A child will become eligible on the first day of the next month, if the application is received by the 15th of the month; applications received after the 15th day of the month will be processed for the first day of the second following month (see e.g. State Plan Amendment (SPA) NY-14-0005, approved February 3, 2015 and effective January 1, 2014).

## **Legal Analysis**

The issue under review is whether NYSOH properly determined that your children's enrollment in their CHP plan was effective December 1, 2017.

You testified that your children previously had CHP coverage directly through their health plan. You testified that you were never given notice by your children's health plan or NYSOH that they were up for renewal or that their CHP coverage was about to end. You further testified that you first learned that your children were terminated from their CHP plan when you received a bill from their physician's office.

Since we have no jurisdiction over your health plan, we can only review whether NYSOH, based on the evidence in your NYSOH account and your testimony, properly determined that your and your children's enrollment in their CHP plan, was effective December 1, 2017.

Although you testified that NYSOH did not notify you of your children's renewal and impending termination of CHP coverage, this testimony is not convincing as there is no evidence to support the conclusion that NYSOH would be required to notify you of these occurrences when your children's coverage is purchased directly through the health plan.

According to your NYSOH account, and your testimony, on October 19, 2017, you initially applied for health insurance for your children through NYSOH and submitted a request to enroll in a CHP plan that day.

The date on which a CHP plan can take effect depends on the day a person selects the plan for enrollment. A plan that is selected between the first day and fifteenth day of a month goes into effect on the first day of the following month. A plan that is selected from the sixteenth day of the month and the end of the month goes into effect on the first day of the second following month.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

Since you initially applied for health insurance and enrolled your children in a CHP plan through NYSOH on October 19, 2017, which is after the fifteenth of the month, coverage in their CHP plan would properly take effect the first day of the second month following October 2017; that is, as of December 1, 2017.

Therefore, the October 20, 2017 plan enrollment notice stating that your children's enrollment in their CHP plan was effective December 1, 2017, is correct and must be AFFIRMED.
