## Decision

Decision Date: March 23, 2018

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000026161

## Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you were eligible to receive up to \$319.00 per month in advance payments of the premium tax credit (APTC), effective February 1, 2018?

Did NYSOH properly determine that you were not eligible for cost-sharing reductions?

Did NYSOH properly determine that you were not eligible for the Essential Plan?

Did NYSOH properly determine that you were not eligible for Medicaid?

## Procedural History

On December 20, 2017, you updated your application for health insurance and financial assistance through NYSOH.

That day, a preliminary eligibility determination was prepared stating that you were eligible to receive up to \$319.00 per month in APTC, effective February 1, 2018.

Also on December 20, 2017, you spoke to NYSOH's Account Review Unit and appealed that preliminary eligibility determination notice insofar as you were not eligible for the Essential Plan.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On December 21, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to receive up to \$319.00 per month in APTC, effective February 1, 2018. That notice also stated that you were not eligible for cost-sharing reductions, the Essential Plan, or Medicaid because your annual household income was over the allowable income limits for those programs.

On March 2, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and held open through March 19, 2018, to allow you time to submit supporting documents.

On March 4, 2018, NYSOH received your supporting documents by upload. The documents were incorporated into the record, and the record was closed.

## Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your tax return for 2018 with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself.
- 3) The application that was submitted on December 20, 2017 listed annual household income of \$30,160.00, consisting of income you earn from employment.
- 4) You testified that you earn \$14.50 an hour, and work an average of forty hours per week.
- 5) You testified that you sometimes work overtime, but not very often.
- 6) After the hearing, you uploaded documentation to your NYSOH account showing that you earned the following in December 2017:
  - a. 12/6/17: \$585.44 (Document [REDACTED]);
  - b. 12/13/17: \$551.00 (Document [REDACTED]);
  - c. 12/20/17: \$431.48 (Document [REDACTED]);
  - d. 12/28/17: \$261.00 (Document [REDACTED]).
- 7) Your application states that you will not be taking any deductions on your 2018 tax return.
- 8) Your application states that you live in Rensselaer County.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Advance Payments of Premium Tax Credit

APTC are generally available to a person who is eligible to enroll in a qualified health plan and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a qualified health plan, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 26 CFR § 1.36B-2, 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

*minus*

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2018 is set by federal law at 2.01% to 9.56% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3, IRS Rev. Proc. 2017-36).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Federal Register 8831).

For annual household income in the range of at least 250% but less than 300% of the 2017 FPL, the expected contribution is between 8.10% and 9.56% of the household income (26 CFR § 1.36B-3(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2017-36).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

### Cost-Sharing Reductions

Cost-sharing reductions are available to a person who (1) is eligible to enroll in a qualified health plan through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level qualified health plan (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

### Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable FPL or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Fed. Reg. 8831).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/downloads/ny-blueprint.pdf>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

The Essential Plan is considered minimum essential coverage; therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax

credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

## Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL “for the applicable budget period used to determine an individual's eligibility” (42 CFR § 435.4). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Fed. Reg. 8831).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

## **Legal Analysis**

The first issue under review is whether NYSOH properly determined that you were eligible for up to \$319.00 per month in APTC.

The application that was submitted on December 20, 2017 listed an annual household income of \$30,160.00, and the eligibility determination relied upon that information.

You are in a one-person household. You expect to file your 2018 income tax return as single and will claim no dependents on that tax return.

You reside in Rensselaer County, where the second lowest cost silver plan available for an individual through NYSOH costs \$522.62 per month.

An annual income of \$30,160.00 is 250.08% of the 2017 FPL for a one-person household. At 250.08% of the FPL, the expected contribution to the cost of the health insurance premium is 8.10% of income, or \$203.58 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

county (\$522.62 per month) minus your expected contribution (\$203.58 per month), which equals \$319.04 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$319.00 per month in APTC, based on the information in your December 20, 2017 application.

The second issue under review is whether you were properly determined ineligible for cost-sharing reductions. Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$30,160.00 is 250.08% of the applicable FPL, NYSOH correctly found you to be ineligible for cost sharing reductions, based on the information in your December 20, 2017 application.

The third issue under review is whether NYSOH properly determined you were ineligible for the Essential Plan.

The Essential Plan is generally provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,060.00 for a one-person household. Since an annual household income of \$30,160.00 is 250.08% of the 2017 FPL, NYSOH correctly found you to be ineligible for the Essential Plan, based on the information in your December 20, 2017 application.

The fourth issue under review is whether NYSOH properly determined that you were ineligible for Medicaid.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income that is at or below 138% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,060.00 for a one-person household. Since \$30,160.00 is 250.08% of the 2017 FPL, NYSOH properly found you to be ineligible for Medicaid on an expected annual income basis, using the information provided in your application.

However, financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size.

You submitted four paystubs from December 2017 that show your total income from that month was \$1,828.92.

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is \$1,387.00 per month. Since the documentation you provided shows that you earned \$1,892.92 in

December 2017, you do not qualify for Medicaid based on monthly income as of the date of your application.

Since the December 21, 2017 eligibility determination notice properly stated that, based on the information you provided, you were eligible for up to \$319.00 per month in APTC, ineligible for cost-sharing reductions, ineligible for the Essential Plan and ineligible for Medicaid, it was correct and is AFFIRMED.

However: As you submitted documentation after the hearing reflecting four weeks' worth of earnings, the record now contains more accurate income information. The paystubs you submitted reflect average weekly earnings of \$457.23 (\$1,892.92 divided by four weeks). This amounts to an expected annual income of \$23,775.96 (\$457.23 times 52 weeks).

Therefore, your case is RETURNED to NYSOH to redetermine your eligibility for financial assistance for 2018, based on a one-person household with an expected annual income of \$23,775.96, residing in Rensselaer County.

NYSOH is directed to notify you promptly in writing of your new eligibility, and to assist you in enrolling in a health plan once your eligibility has been redetermined.

Your enrollment in your health plan can begin as early as April 1, 2018, or a later month of your choosing.
