## Decision

Decision Date: April 23, 2018

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000026331

## Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health properly determine that you were eligible to receive up to \$224.00 per month in advance payments of the premium tax credit (APTC), effective January 1, 2018?

Did NY State of Health properly determine that you were not eligible for cost-sharing reductions?

Did NY State of Health properly determine that you were not eligible for the Essential Plan?

Did NY State of Health properly determine that you were not eligible for Medicaid?

## Procedural History

On November 16, 2017, you applied for health insurance and financial assistance through NYSOH.

On November 17, 2017, NYSOH issued an eligibility determination notice stating that, for a limited time, you were eligible to receive up to \$224.00 in APTC, effective January 1, 2018. The notice directed you to provide documentation confirming your income before February 14, 2018. The notice also stated that you were not eligible for cost-sharing reductions, the Essential Plan, or Medicaid because your annual household income was over the allowable income limits for those programs.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On December 7, 2017, you uploaded documentation to your NYSOH account as Documents [REDACTED]. That day, NYSOH reviewed document [REDACTED] and determined it was insufficient to verify your income.

On December 8, 2017, NYSOH issued a notice stating, in relevant part, that the documentation you submitted did not confirm the information in your application, and to send in additional proof to verify your income by February 14, 2018.

Also on December 8, 2017, you selected a qualified health plan for enrollment.

On December 9, 2017, NYSOH issued a plan enrollment notice stating that you were enrolled in a qualified health plan, effective January 1, 2018.

On December 26, 2017, you spoke to NYSOH's Account Review Unit and appealed the November 17, 2017 eligibility determination notice insofar as you were not eligible for an increased amount of financial assistance.

On January 9, 2018, NYSOH issued a notice stating that you were eligible for the Essential Plan with a \$20.00 monthly premium for a limited time, effective January 1, 2018. This was because you had been granted Aid to Continue pending the outcome of your appeal.

On January 9, 2018, NYSOH issued a plan enrollment notice stating that you were enrolled in an Essential Plan, effective January 1, 2018.

On February 28, 2018, a Hearing Officer called you at the scheduled hearing time. You stated that you did not receive the evidence packet prepared by NYSOH for the hearing. The Hearing Officer agreed to adjourn your hearing.

On March 22, 2017, you had a telephone hearing with a Hearing Officer from NYSOH's Appeal Unit. You confirmed that you reviewed the evidence packet prepared by NYSOH. The record was developed during the hearing and held open until April 18, 2018, to allow you time to submit supporting documents.

As of April 18, 2018, the Appeals Unit did not receive any documents from you and none were viewable in your NYSOH account. Therefore, the record was closed and this decision is based on the record as developed at the time of the hearing.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You are seeking health insurance for yourself.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

- 2) You testified that you expect to file your tax return for 2018 with a tax filing status of single. You will claim not claim any dependents on that tax return.
- 3) According to your NYSOH account and your testimony, on November 16, 2017, you submitted an application for financial assistance online and entered an annual household income of \$44,220.00, consisting of income you earn from your employment and withdrawals from your IRA account.
- 4) You testified that this amount was incorrect because you are paid based on commissions, which vary, and because you do not regularly receive withdrawals from your IRA account.
- 5) Your application states that you will not be taking any deductions on your 2018 tax return.
- 6) Your application states that you live in Onondaga County, NY.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Advance Payments of Premium Tax Credit

APTC are generally available to a person who is eligible to enroll in a qualified health plan and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a qualified health plan, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 26 CFR § 1.36B-2, 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

*minus*

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2018 is set by federal law at 2.01% to 9.56% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3, IRS Rev. Proc. 2017-36).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Federal Register 8831).

For annual household income in the range of at least 300% but less than 400% of the 2017 FPL, the expected contribution in 2018 is 9.56% of the household income (26 CFR § 1.36B-3(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2017-36).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

### Cost-Sharing Reductions

Cost-sharing reductions are available to a person who (1) is eligible to enroll in a qualified health plan through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level qualified health plan (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

### Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable FPL or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application that was the 2017 FPL, which is \$12,060.00 for a one-person (82 Fed. Reg. 8831).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/downloads/ny-blueprint.pdf>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

The Essential Plan is considered minimum essential coverage; therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

### Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL "for the applicable budget period used to determine an individual's eligibility" (42 CFR § 435.4). On the date of your application, that was the 2017 FPL, which \$12,060.00 for a one-person (82 Fed. Reg. 8831).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

## **Legal Analysis**

The first issue under review is whether NYSOH properly determined that you were eligible for up to \$224.00 per month in APTC.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

In the application you submitted on November 16, 2017, you listed your annual household income as \$44,220.00, and the eligibility determination relied upon that information.

You are in a one-person household for purposes of the following analyses. This is because you expect to file your 2018 income tax return as single and will not claim any dependents on that tax return.

You reside in Onondaga County, where the second lowest cost silver plan available for an individual through NYSOH costs \$576.11 per month.

An annual income of \$44,220.00 is 366.67% of the 2017 FPL for a one-person household. At 366.67% of the FPL, the expected contribution to the cost of the health insurance premium is 9.56% of income, or \$352.28 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$576.11 per month) minus your expected contribution (\$352.29 per month), which equals \$223.82 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$224.00 per month in APTC.

The second issue under review is whether you were properly determined ineligible for cost-sharing reductions. Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$44,220.00 is 366.67% of the applicable FPL, NYSOH correctly found you were not eligible for cost-sharing reductions.

The third issue under review is whether NYSOH properly determined you were not eligible for the Essential Plan.

The Essential Plan is generally provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,060.00 for a one-person household. Since an annual household income of \$44,220.00 is 366.67% of the 2017 FPL, NYSOH correctly found you were not eligible for the Essential Plan.

The fourth issue under review is whether NYSOH properly determined that you were ineligible Medicaid.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income that is at or below 138% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,060.00 for

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

a one-person household. Since \$44,220.00 is 366.67% of the 2017 FPL, NYSOH properly found you were not eligible for Medicaid on an expected annual income basis, using the information provided in your application.

However, you testified that the annual household income of \$44,220.00 consisting of income you earn from your employment, and withdrawals from your IRA account was incorrect because you are paid based on commissions, which vary and because you do not regularly receive withdrawals from your IRA account. The Hearing Officer left the record open until April 18, 2018, for you to submit a copy of your 2017 tax return, copies of any Form 1099s from 2017, and statements from your IRA account. No documentation was received by the April 18, 2018.

Since you did not submit the documentation, there is insufficient evidence in the record to disturb the November 17, 2017 eligibility determination made by NYSOH.

Therefore, the November 17, 2017 eligibility determination notice properly stated that, based on the information you provided, you were eligible for up to \$224.00 per month in APTC, and ineligible for cost-sharing reductions, the Essential Plan, and Medicaid, and is AFFIRMED.
