## lssue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health properly determine that your eligibility for and enrollment in a qualified health plan was effective February 1, 2018?

## **Procedural History**

According to your NY State of Health (NYSOH) account, in December 2016, you were determined eligible to enroll in a qualified health plan at full cost. You were enrolled into platinum level qualified health plan as of January 1, 2017.

On January 13, 2017, NYSOH issued a plan disenrollment notice stating that your enrollment in your qualifed health plan terminated as of January 1, 2017. This notice stated that your coverage was ending because you did not pay your insurance bill by the payment deadline.

On December 20, 2017, NYSOH received your updated application for financial assistance with health insurance.

On December 21, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to enroll in a qualifed health plan at full cost through NYSOH, effective February 1, 2018.

Also on December 21, 2017, NYSOH issued a plan enrollment notice confirming your enrollment in a platinum level qualifed health plan, effective February 1, 2018.

On December 29, 2017, you spoke to NYSOH's Account Review Unit and appealed the eligibility determination insofar as it began your enrollment in your qualifed health plan on February 1, 2018, and not January 1, 2018.

On March 5, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

## Findings of Fact

A review of the record supports the following findings of fact:

- 1) According to your NYSOH account, you have not had health insurance through NYSOH since January 1, 2017.
- 2) According to your NYSOH account and your testimony, you updated your NYSOH account on December 20, 2017.
- 3) According to your NYSOH account and your testimony, you selected a qualified health plan for enrollment on December 20, 2017.
- 4) Your enrollment in the qualifed health plan became effective February 1, 2018.
- You testfied that you need your qualifed health plan to begin as of January 1, 2018, because you have medical bills from that month that you would like to be reimbursed for.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## Applicable Law and Regulations

## Enrollment in a Qualified Health Plan

NYSOH must provide annual open enrollment periods during which time qualified individuals may enroll in a qualified health plan and enrollees may change qualified health plans (45 CFR § 155.410(a)(1)).

For the benefit year beginning on January 1, 2018, the annual open enrollment period for the Federal Marketplace began on November 1, 2017 through December 15, 2018 (45 CFR § 155.410(e)(3)). However, the annual open enrollment period through NYSOH began on November 1, 2017 and extended through January 31, 2018 (We're Open! NY State of Health Open Enrollment

Period Begins Today, (November 1, 2017), <u>https://info.nystateofhealth.ny.gov/news/press-release-we%E2%80%99re-open-ny-state-health-open-enrollment-period-begins-today</u>).

### Enrollment in a Qualified Health Plan

The effective date of coverage by a qualified health plan is determined by the date on which an applicant selects a plan for enrollment. For individuals who are eligible for enrollment, NYSOH must generally ensure that coverage is effective the first day of the following month for selections received by NYSOH from the first to the fifteenth of any month (45 CFR §§ 155.410(f)(2), 155.420(b)(1)(i)). For selections received by NYSOH from the sixteenth to the last day of any month, NYSOH must ensure coverage is effective the first day of the second following month (45 CFR §§ 155.410(f)(2), 155.420(b)(1)(ii)).

# Legal Analysis

The issue under review is whether NYSOH properly determined that your enrollment in a qualified health plan was effective February 1, 2018.

The record indicates that you have not had health insurance through NYSOH since January 1, 2017. NYSOH provided an open enrollment period for health insurance in 2018, from November 1, 2017 until January 31, 2018.

You testfied, and the record indicates, that on December 20, 2017 you updated the information in your NYSOH account and submitted a request to enroll into a qualifed health plan. On December 21, 2017, NYSOH issued a plan enrollment notice stating that your enrollment in your qualifed health plan was effective February 1, 2018.

When an individual updates information in their application after the 15th of any month, NYSOH will make the determination that results from the change effective the first day of the second following month. Additionally, the date on which a qualified health plan can take effect depends on the day a person selects the plan for enrollment. A plan that is after the fifteenth day of a month goes into effect on the first day of the second following month.

Since you updated your NYSOH account and selected a plan for enrollment on December 20, 2017, your qualifed health plan should have taken effect on the first day of the second following month after December 2017, that is on, February 1, 2018.

Therefore, NYSOH's December 21, 2017 eligibility determination notice and plan enrollment notices are AFFIRMED because they properly began your eligibility for and enrollment in your qualified health plan on February 1, 2018.
