Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you were eligible to receive up to \$273.00 per month in advance payments of the premium tax credit, effective February 1, 2018?

Did NYSOH properly determine that you were eligible for cost-sharing reductions?

Did NYSOH properly determine that you were not eligible for the Essential Plan?

Did NYSOH properly determine that you were not eligible for Medicaid?

Procedural History

On January 5, 2018, you applied for health insurance and financial assistance through NYSOH.

That day, a preliminary eligibility determination was prepared stating that you were eligible to receive up to \$273.00 in advance payments of the premium tax credit (APTC) and cost-sharing reductions (CSR), effective February 1, 2018.

Also on January 5, 2018, you spoke to NYSOH's Account Review Unit and appealed that preliminary eligibility determination notice insofar as you were not eligible for an increased amount of financial assistance.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On January 6, 2018, NYSOH issued an eligibility determination notice stating that you were eligible to receive up to \$273.00 per month in APTC, as well as CSR if you enrolled in a silver-level qualified health plan, effective February 1, 2018. That notice also stated that you were not eligible for the Essential Plan or Medicaid because your annual household income was over the allowable income limits for those programs.

On March 7, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record support the following findings of fact:

- 1) You testified that you expect to file your tax return for 2018 with a tax filing status of head of household. You will claim your two children as dependents on that tax return.
- 2) You are seeking insurance for yourself since your children were already enrolled in a Child Health Plus health plan.
- 3) The application that was submitted on January 5, 2018 listed annual household income of \$42,640.00, consisting solely of income you earn from your employment with [REDACTED]. You testified that this amount was correct.
- 4) You testified that you receive \$820.00 per week before taxes are deducted, and this income level does not fluctuate. You further testified that you received at least \$3,280.00 during the month of your application, January 2018.
- 5) Your NYSOH application reflects that you will not be taking any deductions on your 2018 tax return.
- 6) You live in [REDACTED], New York.
- 7) You testified that without additional financial assistance, you would not be able to afford health insurance through NYSOH. You further testified that you were ideally seeking a no-cost health plan such as the Essential Plan or Medicaid.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

APTC are generally available to a person who is eligible to enroll in a qualified health plan and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a qualified health plan, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 26 CFR § 1.36B-2, 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2018 is set by federal law at 2.01% to 9.56% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3, IRS Rev. Proc. 2017-36).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2017 FPL, which is \$20,420.00 for a three-person household (82 Federal Register 8831).

For annual household income in the range of at least 200% but less than 250% of the 2017 FPL, the expected contribution is between 6.34% and 8.10% of the household income (26 CFR § 1.36B-3(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2017-36).

Cost-Sharing Reductions

Cost-sharing reductions are available to a person who (1) is eligible to enroll in a qualified health plan through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

for which coverage is requested, and (4) is enrolled in a silver-level qualified health plan (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable FPL or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application that was the 2017 FPL, which is \$20,420.00 for a three-person household (82 Fed. Reg. 8831).

Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL “for the applicable budget period used to determine an individual's eligibility” (42 CFR § 435.4). On the date of your application, that was the 2017 FPL, which is \$20,420.00 for a three-person household (82 Fed. Reg. 8831).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

Legal Analysis

The first issue under review is whether NYSOH properly determined that you were eligible for up to \$273.00 per month in APTC.

The application that was submitted on January 5, 2018 listed an annual household income of \$42,640.00, which consisted of \$820.00 in gross income per week over a 52-week period. The eligibility determination relied upon that information.

You are in a three-person household. You expect to file your 2018 income tax return as head of household and will claim your two children as dependents on that tax return.

You reside in Queens County, where the second lowest cost silver plan available for an individual through NYSOH costs \$509.30 per month.

An annual income of \$42,640.00 is 208.81% of the 2017 FPL for a three-person household. At 208.81% of the FPL, the expected contribution to the cost of the health insurance premium is 6.65% of income, or \$236.31 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$509.30 per month) minus your expected contribution (\$236.31 per month), which equals \$272.99 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$273.00 per month in APTC.

The second issue under review is whether you were properly determined eligible for CSR.

CSR is available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$42,640.00 is 208.81% of the applicable FPL, NYSOH correctly found you to be eligible for CSR.

The third issue under review is whether NYSOH properly determined you were not eligible for the Essential Plan.

The Essential Plan is generally provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$20,420.00 for a three-person household. Since an annual household income of \$42,640.00 is 208.81% of the 2017 FPL, NYSOH correctly found you to be not eligible for the Essential Plan.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

The fourth issue under review is whether NYSOH properly determined that you were not eligible for Medicaid.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income that is at or below 138% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$20,420.00 for a three-person household. Since \$42,640.00 is 208.81% of the 2017 FPL, NYSOH properly found you to be not eligible for Medicaid on an expected annual income basis, using the information provided in your application.

However, financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size.

You credibly testified that you receive \$820.00 per week before taxes are deducted, and this income level does not fluctuate. You further credibly testified that you received at least \$3,280.00 during the month of your application, January 2018, representing four weekly payments of \$820.00 during that month.

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is \$2,349.00 per month. Since you credibly testified, and your NYSOH account, reflects that you earned at least \$3,280.00 in January 2018, you do not qualify for Medicaid based on monthly income as of the date of your application.

Since the January 6, 2018 eligibility determination notice properly stated that, based on the information you provided, you were eligible for up to \$273.00 per month in APTC, eligible for CSR, not eligible for the Essential Plan and not eligible for Medicaid, it is correct and is AFFIRMED.
