Decision

Decision Date: March 22, 2018

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000027210

Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health properly determine that your children's enrollment in their Child Health Plus plan was effective February 1, 2018?

Procedural History

On December 17, 2017, NY State of Health (NYSOH) issued a notice of eligibility determination, based on your December 16, 2017 application, stating that your children were eligible to enroll in Child Health Plus, on a limited basis, with a \$9.00 monthly premium each, effective February 1, 2018. The notice directed you to provide proof of income by February 14, 2018.

Also on December 17, 2017, NYSOH issued a notice of enrollment, based on your plan selection on December 16, 2017, stating that your children were enrolled in a Child Health Plus plan, and that this enrollment in the plan would start February 1, 2018.

On January 15, 2018, you spoke to NYSOH's Account Review Unit and appealed the start date of your children's Child Health Plus plan insofar as it did not begin January 1, 2018.

On March 14, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you are appealing only your children's eligibility.
- 2) You applied to NYSOH for financial assistance with health insurance on December 16, 2017.
- 3) You testified, and the record reflects, that you enrolled your children into a Child Health Plus plan on December 16, 2017.
- 4) On December 17, 2017, NYSOH issued a notice of enrollment, based on your plan selection on December 16, 2017, stating that your children were enrolled in a Child Health Plus plan, and that this enrollment in the plan would start February 1, 2018.
- 5) You testified that you need your children's Child Health Plus plan to begin on January 1, 2018 because they incurred medical bills during January 2018.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Child Health Plus

The "period of eligibility" for Child Health Plus is "that period commencing on the first day of the month during which a child is an eligible child and enrolled or recertified for enrollment on an annual basis based on all required information and documentation and ending on the last day of the twelfth month following such date," unless the CHP premiums are not timely paid or the child no longer resides in New York State, gains access to or obtains other health insurance coverage, or becomes eligible for Medicaid (NY Public Health Law § 2510(6)).

"A State must specify a method for determining the effective date of eligibility for [Child Health Plus], which can be determined based on the date of application or through any other reasonable method that ensures coordinated transition of children between [Child Health Plus] and other insurance affordability programs as family circumstances change and avoids gaps or overlaps in coverage" (42 CFR § 457.340(f)).

The State of New York has provided that a child's period of eligibility for Child Health Plus begins on the first day of the month during which a child is eligible. A

child will become eligible on the first day of the next month, if the application is received by the 15th of the month; applications received after the 15th day of the month will be processed for the first day of the second following month (see e.g. State Plan Amendment (SPA) NY-14-0005, approved February 3, 2015 and effective January 1, 2014).

Legal Analysis

The only issue under review is whether NYSOH properly determined that your children's enrollment in their Child Health Plus plan was effective February 1, 2018.

You testified that you contacted NYSOH on December 16, 2017 and enrolled your children into a Child Health Plus plan.

The date on which a Child Health Plus plan can take effect depends on the day a person selects the plan for enrollment. A plan that is selected between the first day and fifteenth day of a month goes into effect on the first day of the following month. A plan that is selected from the sixteenth day of the month and the end of the month goes into effect on the first day of the second following month.

On December 16, 2017, you selected a Child Health Plus plan, so your children's enrollment properly took effect on the first day of the second following month; that is, on February 1, 2018.

Therefore, the December 17, 2017 enrollment confirmation notice stating that your children's enrollment in their Child Health Plus plan was effective February 1, 2018, is correct and must be AFFIRMED.

Decision
