Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you were not eligible for the Essential Plan, to receive tax credits or cost-sharing reductions to help pay for the cost of insurance, or to enroll in a qualified health plan at full cost through NYSOH as of February 1, 2018, because you were not considered lawfully present?

Did NYSOH properly determine that you were ineligible for Medicaid?

Procedural History

On January 8, 2018, NYSOH received your updated application for health insurance.

On January 9, 2018, NYSOH issued an eligibility determination notice stating that you were eligible for advance payments of the premium tax credit up to \$335.00 per month and cost sharing reductions if you enrolled in a silver-level qualified health plan for a limited time, effective February 1, 2018. The notice stated that you were not eligible for Medicaid because your income was over the allowable income limit for that program. The notice further stated that you needed to submit documentation of your income by April 8, 2018, so that your eligibility could be confirmed.

On January 9, 2018, NYSOH issued a plan enrollment notice confirming your enrollment in a silver-level qualified health plan effective February 1, 2018.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On January 9, 2018, NYSOH received a copy of your I-776 Employment Authorization Card (EAC) reflecting a category code of "C33." Your EAC was reviewed and verified by NYSOH on January 10, 2018 as valid proof of your immigration status (see, Document [REDACTED])

Also on January 10, 2018, NYSOH issued an eligibility determination notice stating that you were eligible for advance payments of the premium tax credit up to \$335.00 per month and cost sharing reductions if you enrolled in a Silver-level qualified health plan for a limited time, effective February 1, 2018. The notice stated that you were not eligible for Medicaid because your income was over the allowable income limit for that program. The notice further stated that you needed to submit documentation of your income by April 8, 2018, and documentation of your immigration status by April 9, 2018, so that your eligibility could be confirmed.

On January 11, 2018, NYSOH issued a discontinuance notice based on information verified on January 10, 2018. The notice stated that you were not eligible for a qualified health plan at full cost, effective February 1, 2018. This was because your "[v]erification documents show not lawfully present."

On January 11, 2018, NYSOH issued a disenrollment notice ending your enrollment in a silver-level qualified health plan effective February 1, 2018.

On January 16, 2018, you contacted NYSOH's Account Review Unit and requested an appeal of those eligibility determinations insofar as you were not eligible for coverage under a qualified health plan because you were not lawfully present.

Your hearing was scheduled for March 27, 2018. A Hearing Officer from NYSOH's Appeals Unit contacted you on this date. You requested an adjournment of your hearing which was granted.

On March 29, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and held open to April 13, 2018, to allow you to submit supporting documents.

On April 10, 2018, copies of your paystubs were viewable in your NYSOH account and have been incorporated into the record as Appellant's Exhibit 1. The record was closed that day.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) According to your NYSOH account, you expect to file your 2017 taxes with a status of single and you will claim no dependents on that tax return.
- 2) You are seeking health insurance for yourself.
- 3) Your application states you are an immigrant non-citizen.
- 4) You uploaded a copy of your Employment Authorization card on January 9, 2018 with the status of C-33, which was verified on January 10, 2018.
- 5) The status of C-33, according to the United States Customs and Immigration Services (USCIS) and Social Security Administration (SSA) is in reference to a status classified as Deferred Action on Childhood Arrivals.
- 6) The application that was submitted on January 10, 2018, in which you requested financial assistance, listed an annual household income of \$59,200.00, consisting of income you earn from employment. You testified that this amount was correct at the time.
- 7) You provided income documentation on April 10, 2018, in the form of copies of your paystubs with check dates of January 5, 12, 19, and 26, 2018 in the gross amounts of \$600.00, \$600.00, \$656.25, and \$633.75 respectively (see, Appellant's Exhibit 1).
- 8) You testified that you believe NYSOH is incorrect in its statement that you are not lawfully present. You testified that you are here legally, and that you believe you should be eligible for health insurance coverage.
- 9) Your application states that you live in Kings County, NY.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to

have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

Qualified Immigrants Transitioned to the Essential Plan

In New York State, qualified immigrants who were formerly eligible for Medicaid through the state, but not eligible for Medicaid under federal law, were transitioned to the Essential Plan as of January 1, 2016 (New York's Basic Health Plan Blueprint, p. 19, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/basic-health-program.html>). This category of qualified immigrants includes individuals lawfully admitted for permanent residence in the United States who are still in their first five years of permanent residency (18 NYCRR § 349.3, 8 USC § 1613).

Medicaid

A person who meets certain nonfinancial criteria and has a household income that is at or below the applicable Medicaid income standard is eligible for Medicaid benefits (45 CFR § 155.305(c)). One of the non-financial criteria for Medicaid eligibility is the immigration status of the person applying for health insurance. A person is eligible for Medicaid when his or her immigration status is satisfactory and he or she meets all other requirements for Medicaid.

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL "for the applicable budget period used to determine an individual's eligibility" (42 CFR § 435.4).

On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Fed. Reg. 8831).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

Qualified Health Plan

To enroll in a qualified health plan (QHP) through the Marketplace, an applicant must be a citizen or national of the United States or a non-citizen who is lawfully present in the United States and reasonably expects to become a citizen or remain a lawfully present noncitizen for the entire period for which enrollment is being sought (45 CFR § 155.305(a)(1)).

Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a QHP and (1) expects to have a household income between 138% and 400% of the applicable FPL, (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Immigration Status

Generally, no person except a United States citizen, a naturalized citizen, a qualified alien, and persons permanently residing in the United States under color of law (PRUCOL), is eligible for medical assistance from the state (NY Soc. Serv. Law § 122(1); 18 NYCRR § 360-3.2(j)).

A PRUCOL alien is a person who is residing in the United States with the knowledge and permission or acquiescence of the federal immigration agency and whose departure from the United States such agency does not contemplate enforcing (18 NYCRR §360-3.2(j)). The New York Department of Health regards aliens who have been issued an Employment Authorization Document (I-688B or

I-766), and have the requisite category code, to be PRUCOL (08 OHIP/INF-4, dated August 4, 2008)).

The guide, “Key to I-766/I-688B, Employment Authorization Documents (EADs)”, defines certain codes on the USCIS Employment Authorization Documents” (08 MA/033, dated December 1, 2008, and as amended). It confirms that a person who has category code of “(c)(33)” has PRUCOL status for Medicaid and Child Health Plus only (*id.*).

Legal Analysis

The first issue under review is whether NYSOH properly determined that you were not eligible to enroll in the Essential Plan, to receive tax credits or cost-sharing reductions, or to enroll in a full cost qualified health plan through NYSOH, because you are not considered lawfully present.

On January 9, 2018, you submitted an updated application to NYSOH, which included your I-766 EAC number and reflected that you are an immigrant non-citizen. This information was verified and confirmed that you have a C-33 status. That application listed an annual household income of \$59,200.00 and the eligibility determination relied upon that information.

As a result, NYSOH issued a discontinuance notice on January 11, 2018, stating that you were not qualified to enroll in coverage through NYSOH because the documentation you provided showed that you were not lawfully present.

Your employment authorization documentation states you are an immigrant non-citizen with a C-33 status. The status of C-33, according to the USCIS and SSA is in reference to a status classified as Deferred Action on Childhood Arrivals. Individuals who have obtained an EAC with the status of C-33 category are persons considered not “lawfully present” for purposes of the federal definition, and are therefore not recognized as eligible to receive federal funding under those programs.

In addition, while individuals who have been determined to be qualified aliens and were formerly eligible for Medicaid through the state, but not eligible for Medicaid under federal law, were transitioned to the Essential Plan as of January 1, 2016, this is not the case for persons who received Deferred Action status.

Therefore, NYSOH was correct in finding you not eligible for coverage under the Essential Plan.

Additionally, federal regulations require that a person seeking enrollment in a qualified health plan through NYSOH have United States citizenship or satisfactory or immigration status. Under the federal regulations, individuals with

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

Deferred Action for Childhood arrivals status are not considered to be lawfully present for the purposes of obtaining coverage in a qualified health plan through NYSOH. Therefore, NYSOH properly found you ineligible to enroll in a qualified health plan.

In order to be found eligible for advance payments of the premium tax credit or cost-sharing reductions, an individual must be eligible to enroll in a qualified health plan. As you are ineligible to enroll in a qualified health plan for 2018 for the reasons noted above, NYSOH properly found you ineligible for advance payments of the premium tax credit and, because you were ineligible for tax credits, you were not eligible for cost-sharing reductions.

Accordingly, the January 11, 2018 discontinuance notice properly found you to be ineligible to enroll in a qualified health plan, ineligible for APTC and cost-sharing reductions, and ineligible for the Essential Plan based on you not being considered lawfully present.

The second issue under review is whether NYSOH properly found you ineligible for Medicaid.

NY State has consistently recognized persons with Deferred Action status within the accepted meaning of "*PRUCOL alien*"; even though the federal government has not. The New York Court of Appeals ruled, in *Aliessa, et al. v. Novello* (96 NY 2d 418 [2001]), that New York must provide state-funded Medicaid to the lawfully residing immigrants who had been excluded from access to the federal Medicaid program.

Since your current Deferred Action status does confer PRUCOL status for individuals seeking Medicaid eligibility, we may review whether you met the financial criteria for Medicaid.

You are in a one-person household for purposes of this analysis. This is because you expect to file your 2017 income taxes as single and will claim no dependents on that tax return.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size. On the date of your applications, the relevant FPL was \$12,060.00 for a one-person household. Since \$59,200.00 is 490.88% of the 2018 FPL, NYSOH properly found you to be ineligible for Medicaid on an expected annual income basis, using the information provided in your application.

Financial eligibility for Medicaid can also be based on current monthly household income and family size.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

You provided copies of your paystubs with check dates of January 5, 12, 19, and 26, 2018 in the gross amounts of \$600.00, \$600.00, \$656.25, and \$633.75 respectively (see, Appellant's Exhibit 1).

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is \$1,387.00 per month. Since the documentation you provided indicates that you earned, \$2,490.00 in January 2018, you do not qualify for Medicaid on the basis of monthly income as of the date of your application.

As NYSOH properly found you ineligible to enroll in the Essential Plan, to receive tax credits or cost-sharing reductions to help pay for the cost of insurance, or to enroll in a qualified health plan at full cost because you are not considered lawfully present, and ineligible for Medicaid as your income is over the allowable income limit for that program, the January 11, 2018 discontinuance and disenrollment notices are AFFIRMED.
