Decision

Decision Date: May 11, 2018

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000028762

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you were eligible for the Essential Plan, effective March 1, 2018?

Did NYSOH properly determine that you were no longer eligible for Medicaid, effective February 28, 2018?

Procedural History

On February 2, 2018, you applied for health insurance and financial assistance through NYSOH.

On February 3, 2018, NYSOH issued an eligibility determination notice stating that you were eligible for the Essential Plan with a \$20.00 monthly premium, effective March 1, 2018. That notice also stated that you were no longer eligible for Medicaid because your annual household income was over the allowable income limits for that program.

Also on February 3, 2018, NYSOH issued a disenrollment notice, stating that your enrollment in your Medicaid Managed Care plan would end February 28, 2018.

Additionally, on February 3, 2018, NYSOH issued a notice of enrollment confirming your enrollment in an Essential Plan, effective March 1, 2018.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On February 10, 2018, you spoke to NYSOH's Account Review Unit and appealed that eligibility determination notice insofar as you were not eligible for Medicaid.

On February 28, 2018, NYSOH issued a notice stating that you were eligible for Medicaid for a limited time, effective March 1, 2018. This was because you had been granted Aid to Continue pending the outcome of your appeal.

On February 28, 2018, NYSOH issued an enrollment confirmation notice stating that you were enrolled in a Medicaid Managed Care plan effective March 1, 2018.

On April 23, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your tax return for 2018 with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself.
- 3) The application that was submitted on February 2, 2018 listed an annual household income of \$19,452.00, consisting of \$1,621.00 per month you receive in [REDACTED] benefits. You testified that this amount was correct.
- 4) Your application states and you confirmed that you will not be taking any deductions on your 2018 tax return.
- 5) Your application states that you live in New York County.
- 6) You did not indicate that you were [REDACTED] on your February 2, 2018 application; however, you testified that you are [REDACTED] and have [REDACTED] that require multiple doctor visits and copayments that make the Essential plan unaffordable for you.
- 7) You testified that you have not sought out assistance or been referred to your local Department of Social Services/New York City Human Resources Administration.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable FPL or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Fed. Reg. 8831).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

The Essential Plan is considered minimum essential coverage; therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL "for the applicable budget period used to determine an individual's eligibility" (42 CFR

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

§ 435.4). On the date of your application, that was the 2018 FPL, which is \$12,140.00 for a one-person household (83 Fed. Reg. 2642).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

If an individual does not qualify for MAGI-based Medicaid through NYSOH, he or she may still be eligible for non-MAGI-based Medicaid coverage through their Local Department of Social Services or the New York City Human Resources Administration (see N.Y. Soc. Serv. Law § 366(1)(c)).

Legal Analysis

The first issue is whether NYSOH properly determined you were eligible for the Essential Plan with a \$20.00 monthly premium beginning March 1, 2018.

The application that was submitted on February 2, 2018 listed an annual household income of \$19,642.00 and the eligibility determination relied upon that information.

You are in a one-person household. You expect to file your 2018 income tax return as single and will claim no dependents on that tax return.

The Essential Plan is generally provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,060.00 for a one-person household. A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution.

Since an annual household income of \$19,642.00 is 161.29% of the 2017 FPL, NYSOH correctly found you to be eligible for the Essential Plan with a \$20.00 monthly premium.

The second issue is whether NYSOH properly determined that you were ineligible for Medicaid.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income that is at or below 138% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,140.00 for a one-person household. Since \$19,642.00 is 161.80% of the 2018 FPL, NYSOH

properly found you to be ineligible for Medicaid on an expected annual income basis, using the information provided in your application.

However, financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size.

You testified that you receive \$1,621.00 per month in [REDACTED] benefits.

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is \$1,397.00 per month. Since you received \$1,621.00 in February 2018, you do not qualify for Medicaid based on monthly income as of the date of your application.

Since the February 3, 2018 eligibility determination notice properly stated that, based on the information you provided, you were eligible for the Essential Plan with a \$20.00 monthly premium effective March 1, 2018 and ineligible for Medicaid, it is correct and is AFFIRMED.
