Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health properly determine that your children's enrollments in their Child Health Plus plans were effective April 1, 2018?

Procedural History

On February 20, 2018, you created a NY State of Health (NYSOH) account and submitted an application for financial assistance with your children's health insurance. That day, a preliminary eligibility determination was prepared with regard to that application, stating that your children were eligible for Child Health Plus plans, effective April 1, 2018.

Also on February 20, 2018, you contacted NYSOH's Account Review Unit and requested an appeal insofar as your children were deemed eligible to enroll in Child Health Plus plans effective April 1, 2018 and not March 1, 2018.

On February 21, 2018, NYSOH issued an eligibility determination notice, based on your February 20, 2018 application, stating that your children were eligible to enroll in Child Health Plus plans with \$9.00 monthly premiums, effective April 1, 2018.

Also on February 21, 2018, NYSOH issued an enrollment confirmation notice, based on your plan selection on February 20, 2018, stating that your children were enrolled in Child Health Plus plans, and that enrollments in the plans would start April 1, 2018.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On April 11, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified, and the record reflects, that you enrolled your children into Child Health Plus plans on February 20, 2018.
- 2) You testified that you did not have any issues with the application submitted on February 20, 2018.
- 3) You testified that your children were without coverage for February and March of 2018, as their Medicaid coverage through the Human Resources Administration ended as of February 1, 2018.
- 4) You testified that you have medical bills for February and March for your children.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Child Health Plus

The "period of eligibility" for Child Health Plus is "that period commencing on the first day of the month during which a child is an eligible child and enrolled or recertified for enrollment on an annual basis based on all required information and documentation and ending on the last day of the twelfth month following such date," unless the Child Health Plus premiums are not timely paid or the child no longer resides in New York State, gains access to or obtains other health insurance coverage, or becomes eligible for Medicaid (NY Public Health Law § 2510(6)).

"A State must specify a method for determining the effective date of eligibility for [Child Health Plus], which can be determined based on the date of application or through any other reasonable method that ensures coordinated transition of children between [Child Health Plus] and other insurance affordability programs as family circumstances change and avoids gaps or overlaps in coverage" (42 CFR § 457.340(f)).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

The State of New York has provided that a child's period of eligibility for Child Health Plus begins on the first day of the month during which a child is eligible. A child will become eligible on the first day of the next month, if the application is received by the 15th of the month; applications received after the 15th day of the month will be processed for the first day of the second following month (see e.g. State Plan Amendment (SPA) NY-14-0005, approved February 3, 2015 and effective January 1, 2014).

Legal Analysis

The issue is whether NYSOH properly determined that your children's enrollments in their Child Health Plus plans were effective April 1, 2018.

You testified that you contacted NYSOH on February 20, 2018 and enrolled your children into Child Health Plus plans.

The date on which a Child Health Plus plan can take effect depends on the day a person selects the plan for enrollment. A plan that is selected between the first day and fifteenth day of a month goes into effect on the first day of the following month. A plan that is selected from the sixteenth day of the month and the end of the month goes into effect on the first day of the second following month.

Since you selected a plan on February 20, 2018; that plan would properly take effect as of the first day of the second following month after February; that is, April 1, 2018.

Therefore, the February 21, 2018 enrollment confirmation notice stating that your children's enrollments in their Child Health Plus plans were effective April 1, 2018, is correct and must be AFFIRMED.
