Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly end your enrollment in a Medicaid Managed Care plan, effective December 31, 2017?

Procedural History

On November 3, 2017, NYSOH issued an eligibility determination notice stating that you remained eligible for Medicaid effective November 1, 2017.

Also on November 3, 2017, NYSOH issued a notice of enrollment confirming your enrollment in a Medicaid Managed Care (MMC) plan, with a plan enrollment start date of October 1, 2017.

On December 5, 2017, NYSOH redetermined your household's eligibility for financial assistance with health insurance.

On December 6, 2017, NYSOH issued a notice of eligibility redetermination stating that you would remain eligible for Medicaid, effective January 1, 2018, however, you were unable to select a MMC plan as the system was showing that you had other full benefit health insurance or Medicare.

On December 7, 2017, NYSOH issued an enrollment confirmation notice stating that the type of Medicaid coverage you were eligible for does not require you to enroll in a health plan.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

Also on December 7, 2017, NYSOH issued a disenrollment notice confirming that your MMC plan coverage would end effective December 31, 2017.

On February 13, 2018, redetermined your household's eligibility for financial assistance with health insurance.

On February 14, 2018, NYSOH issued an eligibility determination notice stating that you remained eligible for Medicaid, effective February 1, 2018. The notice advised you to pick a health plan.

Also on February 14, 2018, NYSOH issued an enrollment notice asking you to pick a health plan.

On February 20, 2018, you selected a MMC plan for enrollment.

Also on February 20, 2018, you spoke to NYSOH's Account Review Unit and appealed the start date of your enrollment in your MMC plan, insofar as your enrollment did not begin February 1, 2018.

On February 21, 2018, NYSOH issued an enrollment notice stating that your enrollment in a MMC plan would begin April 1, 2018.

On April 12, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified, and your account confirms, that you were determined eligible for Medicaid effective November 1, 2017.
- 2) You testified that on November 2, 2017 you selected a Medicaid Managed Care plan.
- 3) You testified, and your account confirms, that on December 5, 2017 you were disenrolled from your MMC plan because the system determined that you had active third-party health insurance.
- 4) You were terminated from your MMC plan, effective December 31, 2017.
- 5) You testified that you did not have any third-party health insurance and had requested that NYSOH reinstate your MMC coverage.

- 6) The record indicates that the third-party health insurance was removed from the system on or about February 13, 2018.
- 7) You testified that you were without an MMC plan between January 1, 2018 and March 31, 2018 and incurred medical bills.
- 8) The record does not contain any information from NYSOH regarding where they obtained the information that you were enrolled in third party health insurance.
- 9) The record indicates that you were reenrolled into a MMC plan on February 20, 2018.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Medicaid

An individual is eligible for fee-for-service Medicaid effective on the first day of the month if that individual was eligible at any time during that month (42 CFR § 435.915(b); Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010,13ADM-03(III)(F)).

Medicaid Managed Care plan enrollments received on or before the fifteenth day of the month are effective the first day of the following month. Enrollments received after the fifteenth day of the month are effective the first day of the second following month (Medicaid Managed Care Model Contract (Appendix H-6(b)(ii) & (iii), effective 3/1/2014 – 2/28/2019; see 18 NYCRR § 360-10.3(h),; Medicaid Eligibility Changes under the Affordable Care Act (ACA) of 2010,13 ADM-03(III)(F)).

Continuous Coverage

Most applicants determined eligible for Medicaid are guaranteed 12 months of Medicaid coverage offered through Medicaid Managed Care, even if the adult loses Medicaid eligibility because of any changes or updates they make to their Marketplace account. For example, even if income increases above the Medicaid limit allowed for the household size, the insured will remain covered under Medicaid for a 12-month period. This 12-month period is referred to as “continuous coverage,” and is set based on the start date of the original Medicaid eligibility determination or the date of any subsequent Medicaid eligibility determination based on modified adjusted gross income (see 42 CFR § 435.916; NY Social Services Law (NY SSL) § 366(4)(c)).

Third Party Health Insurance

A person who has primary medical or health care coverage available from or under a third-party insurance provider is not permitted to enroll into a Medicaid Managed Care plan (NY SSL § 364-j(3)(e)(xx); Medicaid Managed Care Model Contract (Appendix H-6), effective 3/1/2014 – 2/28/2019). However, they will remain eligible for fee-for-service Medicaid with limited exceptions, including entering prison or another facility that provides medical care, lack of state residence, or failing to provide a valid social security number (NY SSL § 366(4)(c)).

Legal Analysis

The issue for review is whether NYSOH properly determined that your enrollment in your MMC plan was terminated effective December 31, 2017.

In the November 3, 2017 eligibility determination notice, you were found eligible for Medicaid, effective November 1, 2017. On November 2, 2017, you selected an MMC plan, effective October 1, 2017, as is documented by the November 3, 2018 enrollment notice.

Generally, when an individual is eligible for Medicaid through NYSOH they are required to enroll in an MMC plan. Applicants determined eligible will be enrolled or remain in their Medicaid plan with limited exceptions, including entering prison or another facility that provides medical care, moving out of state, or failing to provide a valid Social Security number.

On December 5, 2017, NYSOH redetermined your household's eligibility for financial assistance with health insurance. On December 7, 2017, NYSOH issued a disenrollment notice advising that your coverage in your MMC plan would be terminated as of December 31, 2017 because you had full benefit health insurance or Medicare.

When NYSOH determines that a person has active coverage in a health insurance plan outside of NYSOH, that person is not eligible to enroll or remain enrolled in a MMC plan.

However, you credibly testified that your coverage under you were not enrolled in third-party health insurance, and NYSOH independently removed the restricting preventing you from enrolled in an MMC on or about February 13, 2018.

Therefore, when NYSOH cancelled your coverage in a Medicaid Managed Care plan due to your having third party health insurance, you did not, in fact, have third party health insurance and the information relied upon by NYSOH in making the determination to terminate your coverage under your Medicaid Managed Care plan was incorrect.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

Accordingly, the December 7, 2017 disenrollment notice terminating your coverage under your MMC plan, effective December 31, 2017 is RESCINDED.

Your case is RETURNED to NYSOH to reinstate your MMC plan effective January 1, 2018.
