Decision

Decision Date: April 26, 2018

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000029272

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you were eligible to receive up to \$372.00 per month in advance payments of the premium tax credit, effective March 1, 2018?

Did NYSOH properly determine that you were eligible for cost-sharing reductions?

Did NYSOH properly determine that you were not eligible for the Essential Plan?

Did NYSOH properly determine that you did not qualify to enroll in a qualified health plan outside of the open enrollment period, effective March 1, 2018?

Procedural History

On January 26, 2018, NYSOH received an update to your application for financial assistance with health insurance.

On January 27, 2018, NYSOH issued an eligibility determination notice stating that you were eligible to receive an advance premium tax credit (APTC) of up to \$372.00 per month and, if you selected a silver-level plan, eligible or cost-sharing reductions (CSR), effective March 1, 2018. The notice further stated that

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

you were not eligible for the Essential Plan, because your annual household income was above the income limit for that program.

On February 23, 2018, you spoke to NYSOH's Account Review Unit and appealed that eligibility determination notice insofar as (1) you were not found eligible for the Essential Plan and (2) you were not permitted to enroll in a qualified health plan (QHP) outside of the open enrollment period.

On February 24, 2018, NYSOH issued an eligibility determination notice stating that you were eligible to receive an APTC of up to \$372.00 per month and, if you selected a silver-level plan, eligible or CSR, effective March 1, 2018. The notice further stated that you were not eligible for the Essential Plan, because your annual household income was above the income limit for that program. Finally, the notice stated that you do not qualify to select a health plan outside of the open enrollment period for 2018.

On April 17, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record support the following findings of fact:

- 1) You testified that you expect to file your tax return for 2018 with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself only.
- 3) The application that was submitted on January 26, 2018 listed annual household income of \$24,960.00, consisting of \$480.00 per week you earn from your employment with [REDACTED]. You testified that this amount was correct since it was based on \$13.00 per hours you receive over a typical 38-hour workweek.
- 4) Your NYSOH application states that you will not be taking any deductions on your 2018 tax return.
- 5) You live in [REDACTED], New York.
- 6) You testified that QHPs available through NYSOH are unaffordable without additional financial assistance. You further testified that you were seeking to be found eligible for the Essential Plan, rather than for APTC. Finally, you testified that if you were found eligible solely for APTC, you were seeking to enroll in a QHP for the remainder of the 2018 plan year.

- 7) You testified that since filing your application on January 26, 2018 there have been no other major changes to your household.
- 8) You testified that you did not rely on any statements made by NYSOH that prevented you in enrolling in a QHP sooner.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

APTC are generally available to a person who is eligible to enroll in a qualified health plan and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a qualified health plan, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 26 CFR § 1.36B-2, 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2018 is set by federal law at 2.01% to 9.56% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3, IRS Rev. Proc. 2017-36).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Federal Register 8831).

For annual household income in the range of at least 200% but less than 250% of the 2017 FPL, the expected contribution is between 6.34% and 8.10% of the household income (26 CFR § 1.36B-3(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2017-36).

Cost-Sharing Reductions

Cost-sharing reductions are available to a person who (1) is eligible to enroll in a qualified health plan through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level qualified health plan (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable FPL or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Fed. Reg. 8831).

Enrollment in a Qualified Health Plan

NYSOH must provide annual open enrollment periods during which time qualified individuals may enroll in a QHP and enrollees may change QHPs (45 CFR § 155.410(a)(1)).

For the benefit year beginning on January 1, 2018, the national annual open enrollment period began on November 1, 2017 and extended through December 15, 2017 (45 CFR § 155.410(e)(3)). NY State extended this enrollment period through January 31, 2018 for applications processed through NYSOH (https://www.health.ny.gov/press/releases/2017/2017-09-07_open_enrollment_dates.htm).

Special Enrollment Periods

After each open enrollment period ends, NYSOH provides special enrollment periods to qualified individuals. During a special enrollment period, a qualified individual may enroll in a qualified health plan, and an enrollee may change their enrollment to another plan. This is generally permitted when one of the following triggering events occur:

- (1) The qualified individual or his or her dependent either:
 - (i) Loses minimum essential coverage.
 - (ii) Is enrolled in any non-calendar year group health plan or individual health insurance coverage, even if the qualified individual or his or her dependent has the option to renew such coverage.
 - (iii) Loses pregnancy-related coverage.
 - (iv) Loses medically needy coverage as described under section 1902(a)(10)(C) of the Social Security Act only once per calendar year.
- (2)(i) The qualified individual gains a dependent or becomes a dependent through marriage, birth, adoption, placement for adoption, or placement in foster care, or through a child support order or other court order.
 - (ii) the enrollee loses a dependent or is no longer considered a dependent through divorce or legal separation as defined by State law in the State in which the divorce or legal separation occurs, or if the enrollee, or his or her dependent, dies.
- (3) The qualified individual, or his or her dependent, becomes newly eligible for enrollment in a qualified health plan because he or she gains citizenship, status as a national, or lawful present or is no longer incarcerated.
- (4) The qualified individual's or his or her dependent's, enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, misconduct, or inaction of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities.
- (5) The enrollee or, his or her dependent adequately demonstrates to NYSOH that the qualified health plan in which he or she is enrolled substantially violated a material provision of its contract in relation to the enrollee;

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

(6) The enrollee or enrollee's dependent is newly eligible or ineligible for advance payments of the premium tax credit, or change in eligibility for cost-sharing reductions.

(7) The qualified individual or enrollee, or his or her dependent, gains access to new qualified health plan as a result of a permanent move and either—

(i) Had minimum essential coverage for one or more days during the 60 days preceding the date of the permanent move, or

(ii) Was living outside of the United States or in a United States territory at the time of the permanent move;

(8) The qualified individual or dependent who gains or maintains status as an Indian may enroll in a qualified health plan or change from one plan to another, once per month.

(9) The qualified individual or enrollee, or his or her dependent, demonstrates to the Exchange, in accordance with guidelines issued by HHS, that the individual meets other exceptional circumstances as the Exchange may provide;

(10) A qualified individual or enrollee—

(i) Is a victim of domestic abuse or spousal abandonment, including a dependent or unmarried victim within a household, is enrolled in minimum essential coverage and seeks to enroll in coverage separate from the perpetrator of the abuse or abandonment; or

(ii) Is a dependent of a victim of domestic abuse or spousal abandonment, on the same application as the victim, may enroll in coverage at the same time as the victim;

(11) A qualified individual or dependent—

(i) Applies for coverage through NYSOH during the annual open enrollment period or due to a qualifying event, is assessed as potentially eligible for Medicaid or Child Health Plus and is determined ineligible for Medicaid or Child Health Plus either after open enrollment has ended or more than 60 days after the qualifying event; or

(ii) Applies for coverage at their Local Department of Social Services or Human Resources Administration during the annual

open enrollment period, and is determined ineligible for Medicaid or Child Health Plus after open enrollment has ended;

(12) The qualified individual or enrollee, or his or her dependent, adequately demonstrates to NYSOH that a material error related to plan benefits, service area, or premium influenced the qualified individual's or enrollee's decision to purchase a qualified health plan; or

(13) At the option of NYSOH, the qualified individual provides satisfactory documentary evidence to verify his or her eligibility for an insurance affordability program or enrollment following termination of enrollment due to a failure to verify such status within 90 days. NYSOH has not elected to adopt this subsection at this time.

(45 CFR § 155.420(d)).

Generally, if a triggering life event occurs, the qualified individual or enrollee has 60 days from the date of a triggering event to select a qualified health plan (45 CFR § 155.420(c)(1)).

Legal Analysis

The first issue under review is whether NYSOH properly determined that you were eligible for up to \$372.00 per month in APTC.

The application that was submitted on January 26, 2018 listed an annual household income of \$24,960.00, consisting of \$480.00 per week you earn from your employment with [REDACTED]. The eligibility determination relied upon that information.

You are in a one-person household. You expect to file your 2018 income tax return as single and will claim no dependents on that tax return.

You reside in Queens County, where the second lowest cost silver plan available for an individual through NYSOH costs \$509.30 per month.

An annual income of \$24,960.00 is 206.97% of the 2017 FPL for a one-person household. At 206.97% of the FPL, the expected contribution to the cost of the health insurance premium is 6.59% of income, or \$136.97 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$509.30 per month) minus your expected contribution (\$136.97 per month), which equals \$372.06 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$372.00 per month in APTC.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

The second issue is whether you were properly determined eligible for CSR.

CSR is available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$24,960.00 is 206.97% of the applicable FPL, NYSOH correctly found you to be eligible for CSR.

The third issue under review is whether NYSOH properly determined were not eligible for the Essential Plan.

The Essential Plan is generally provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,060.00 for a one-person household. Since an annual household income of \$24,960.00 is 206.97% of the 2017 FPL, NYSOH correctly found you to be not eligible for the Essential Plan.

The fourth issue under review is whether NYSOH properly determined that you do not qualify to enroll in a qualified health plan outside of the open enrollment period, effective March 1, 2018.

NYSOH provided an open enrollment period from November 1, 2017 until January 31, 2018. On January 26, 2018, you submitted an application for health insurance and were found eligible for an APTC of up to \$372.00 per month and CSR; however, you did not select a plan prior to the open enrollment period lapsing on January 31, 2018. Your NYSOH account reflects that on February 23, 2018, you requested to enroll in a qualified health plan. On February 24, 2018, NYSOH issued a notice stating that you do not qualify to enroll in a qualified health plan outside of the open enrollment period.

Once the annual open enrollment period ends, a health plan enrollee must qualify for a special enrollment period to enroll in, or change to another health plan offered in NYSOH. To qualify for a special enrollment period, a person must experience a triggering event.

A special enrollment period can be granted if a qualified individual's enrollment or non-enrollment in a qualified health plan is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, misconduct, or inaction of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities

You testified that you did not rely on any statements made by NYSOH that prevented you in enrolling in a QHP sooner. Since the record does not indicate that NYSOH, by action or inaction, made an error or misrepresented information, a special enrollment period cannot be granted.

The credible evidence of record indicates that, since the open enrollment period closed on January 31, 2018, no triggering events have occurred that would qualify you for a special enrollment period.

Since the February 24, 2018 eligibility determination notice properly stated that, based on the information you provided, you were eligible for up to \$372.00 per month in APTC, eligible for CSR, not eligible for the Essential Plan, and did not qualify for a special enrollment period to select a QHP after the open enrollment period ended, it is correct and is AFFIRMED.
