Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly terminate your children's Child Health Plus plans for non-payment of premium effective, January 31, 2018?

Did NYSOH properly determine that your children's reenrollment in their Child Health Plus plan was effective April 1, 2018?

Procedural History

On April 6, 2017, NYSOH issued a notice of renewal, stating that your four children still qualified for coverage with Child Health Plus for a cost of \$30.00 per month, per child, effective June 1, 2017, and were automatically re-enrolled in their current health plans for another year, with a start date of June 1, 2017.

On April 17, 2017, NYSOH issued an enrollment confirmation notice stating that your children were enrolled in Child Health Plus plans effective June 1, 2017.

On February 9, 2018, NYSOH issued a disenrollment notice stating that your children's enrollment in their Child Health Plus plans would end on January 31, 2018, because a premium payment had not been received by the health plan.

On February 25, 2018, you reenrolled your children in Child Health Plus plans.

On February 26, 2018, NYSOH issued an enrollment confirmation notice stating that your children were enrolled in their Child Health Plus plans, with a \$30.00 premium per month, per child, with an enrollment start date of April 1, 2018.

Also on February 26, 2018, you spoke to NYSOH's Account Review Unit and appealed the April 1, 2018 start date of your children's Child Health Plus plans.

On April 12, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you are appealing your children's April 1, 2018 reenrollment start date in their Child Health Plus plans, and are seeking to have their Child Health Plus plans be made effective as of March 1, 2018.
- 2) Your children were enrolled into Child Health Plus plans, effective June 1, 2017.
- 3) You testified that you missed a payment to the Child Health Plus plans for the month of January 2018.
- 4) Your children were disenrolled from their Child Health Plus plans, with their coverage ending on January 31, 2018.
- 5) You testified that you became aware that your children had been disenrolled from their Child Health Plus plans in February 2018, after the 15th day of that month.
- 6) You testified that when you became aware that your children had been disenrolled you contacted NYSOH to reenroll them.
- 7) On February 25, 2018 NYSOH received your Child Health Plus plan selections.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Appealable Issues

An applicant has the right to appeal to NYSOH's Appeals Unit: (1) an eligibility determination, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions; (2) a redetermination of eligibility, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions; (3) an eligibility determination for an exemption; (4) a failure by NYSOH to provide timely notice of an eligibility determination 45 CFR § 155.505; and (5) a denial of a request for a special enrollment period (45 CFR § 155.505(b)(1)(iii), 45 CFR § 155.305(b), and 45 CFR § 155.420(d)).

Child Health Plus

A child who meets the eligibility requirements for Child Health Plus may be eligible to receive a subsidy payment if the child resides in a household with a household income at or below 400% of the federal poverty level (FPL) (NY Public Health Law § 2511(2)(a)(iii)).

To be eligible for Child Health Plus, the child:

- Must be under 19 years of age;
- Must be a New York State Resident;
- Must not have other health insurance coverage; and
- Must not be eligible for, or enrolled in, Medicaid

(NY Public Health Law § 2511(2)(a)-(e)).

The "period of eligibility" for Child Health Plus is "that period commencing on the first day of the month during which a child is an eligible child and enrolled or recertified for enrollment on an annual basis based on all required information and documentation and ending on the last day of the twelfth month following such date," unless the Child Health Plus premiums are not timely paid or the child no longer resides in New York State, gains access to or obtains other health insurance coverage, or becomes eligible for Medicaid (NY Public Health Law § 2510(6)).

"A State must specify a method for determining the effective date of eligibility for [Child Health Plus], which can be determined based on the date of application or through any other reasonable method that ensures coordinated transition of children between [Child Health Plus] and other insurance affordability programs as family circumstances change and avoids gaps or overlaps in coverage" (42 CFR § 457.340(f)).

The State of New York has provided that a child's period of eligibility for Child Health Plus begins on the first day of the month during which a child is eligible. A child will become eligible on the first day of the next month, if the application is

received by the 15th of the month; applications received after the 15th day of the month will be processed for the first day of the second following month (see State Plan Amendment (SPA) NY-14-0005, approved February 3, 2015 and effective January 1, 2014).

Legal Analysis

The first issue under review is whether NYSOH properly terminated your children's Child Health Plus plans for non-payment of premium effective, January 31, 2018.

On April 17, 2017 your children were enrolled in their Child Health Plus plans, effective June 1, 2017.

You testified that you missed a payment for the month of January 2018.

On February 9, 2018 NYSOH issued a notice stating that your children were disenrolled from their Child Health Plus plans for non-payment of premiums, effective January 31, 2018.

NYSOH Appeals Unit only has the authority to review issues related to the following: (1) an eligibility determination, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions, (2) a redetermination of eligibility, including the amount of advance payments of the premium tax credit and level of cost-sharing reductions, (3) an eligibility determination for an exemption, (4) a failure to provide timely notice of an eligibility determination and (5) a denial of a special enrollment period.

Since the Appeals Unit is not given the authority to review termination of enrollment due to non-payment of premiums, we cannot reach the merits as to whether or not your children were properly terminated from their Child Health Plus plans for non-payment of premiums. Therefore, your appeal of the February 9, 2018 disenrollment notice is **DISMISSED** as a non-appealable issue.

The second issue is whether NYSOH properly determined that your children's reenrollment in their Child Health Plus plans was effective April 1, 2018.

You contacted NYSOH on February 25, 2018 to reenroll your children into their Child Health Plus plans.

The date on which a Child Health Plus plan can take effect depends on the day a person selects the plan for enrollment. A plan that is selected between the first day and fifteenth day of a month goes into effect on the first day of the following month. A plan that is selected from the sixteenth day of the month and the end of the month goes into effect on the first day of the second following month.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

As you contacted NYSOH to reenroll your children into Child Health Plus plans on February 25, 2018, their reenrollment should have taken effect the first day of the second following month after February 2018; that is, on April 1, 2018.

Therefore, the February 26, 2018 enrollment confirmation notice stating that your children's reenrollment in their Child Health Plus plans was effective April 1, 2018 is AFFIRMED.
