Decision

Decision Date: May 11, 2018

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP0000000029348

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you were eligible to receive up to \$352.00 per month in advance payments of the premium tax credit, effective April 1, 2018?

Did NYSOH properly determine that you were eligible for cost-sharing reductions?

Did NYSOH properly determine that you were not eligible for the Essential Plan?

Procedural History

On February 6, 2018, NYSOH received several updates to your application for financial assistance with health insurance.

On February 7, 2018, NYSOH issued a notice stating that the income information in your application did not match what NYSOH received from state and federal sources. You were requested to provide proof of your current household income to NYSOH by February 21, 2018 so that an eligibility determination could be issued.

On February 24, 2018, NYSOH received a letter issued by your employer, [REDACTED] reflecting your average hours worked and gross income received on a weekly basis.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On February 26, 2018, NYSOH redetermined your eligibility for financial assistance with health insurance. That day, a preliminary eligibility determination was prepared stating that you were eligible to receive up to \$352.00 in advance payments of the premium tax credit (APTC) and cost-sharing reductions (CSR), effective April 1, 2018.

Also on February 26, 2018, you spoke to NYSOH's Account Review Unit and appealed that preliminary eligibility determination notice insofar as you were not found eligible for the Essential Plan.

On February 27, 2018, NYSOH issued an eligibility determination notice stating that you were eligible to receive up to \$352.00 in APTC, as well as CSR if you enrolled in a silver-level qualified health plan, effective April 1, 2018. That notice also stated that you were not eligible for the Essential Plan because your annual household income was over the allowable income limits for that program.

On April 30, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your tax return for 2018 with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself only.
- 3) Your eligibility was redetermined by NYSOH on February 26, 2018 based on an annual household income of \$26,661.44, consisting solely of income you anticipate receiving from your employer, [REDACTED]. You testified that this amount was reasonably correct.
- 4) You testified, and provided documentation, that you receive approximately \$512.72 per week from your employer over a typical 35-hour work week.
- 5) You testified, and your application reflects, that you will not be taking any deductions on your 2018 tax return.
- 6) You live in [REDACTED] New York.
- 7) You testified that based on your current income level, you were seeking to be found eligible for the Essential Plan since you can afford the \$20.00

monthly premiums. You further testified that even after applying the maximum APTC available to your, qualified health plans available through NYSOH are unaffordable to you.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

APTC are generally available to a person who is eligible to enroll in a qualified health plan and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a qualified health plan, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 26 CFR § 1.36B-2, 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2018 is set by federal law at 2.01% to 9.56% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3, IRS Rev. Proc. 2017-36).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Federal Register 8831).

For annual household income in the range of at least 200% but less than 250% of the 2017 FPL, the expected contribution is between 6.34% and 8.10% of the

household income (26 CFR § 1.36B-3(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2017-36).

Cost-Sharing Reductions

Cost-sharing reductions are available to a person who (1) is eligible to enroll in a qualified health plan through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level qualified health plan (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable FPL or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Fed. Reg. 8831).

Legal Analysis

The first issue is whether NYSOH properly determined that you were eligible for an APTC of up to \$352.00 per month, effective April 1, 2018.

The redetermination of your eligibility, based on income documentation you provided on February 24, 2018, listed an annual household income of \$26,661.44 (\$512.72 x 52 weeks) and the eligibility determination relied upon that information.

You are in a one-person household. You expect to file your 2018 income tax return as single and will claim no dependents on that tax return.

You reside in Richmond County, where the second lowest cost silver plan available for an individual through NYSOH costs \$509.30 per month.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

An annual income of \$26,661.44 is 221.07% of the 2017 FPL for a one-person household. At 221.07% of the FPL, the expected contribution to the cost of the health insurance premium is 7.08% of income, or \$157.34 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$509.30 per month) minus your expected contribution (\$157.34 per month), which equals \$351.96 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$352.00 per month in APTC.

The second issue is whether you were properly determined eligible for CSR.

CSR is available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$26,661.44 is 221.07% of the applicable FPL, NYSOH correctly found you to be eligible for CSR.

The third issue under review is whether NYSOH properly determined you were not eligible for the Essential Plan.

The Essential Plan is generally provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,060.00 for a one-person household. Since an annual household income of \$26,661.44 is 221.07% of the 2017 FPL, NYSOH correctly found you to be not eligible for the Essential Plan.

Since the February 27, 2018 eligibility determination notice properly stated that, based on the information you provided, you were eligible for up to \$352.00 per month in APTC, eligible for CSR, and not eligible for the Essential Plan, it is correct and is AFFIRMED.
