## **Decision**

Decision Date: May 11, 2018

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000029496

## **Issue**

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that you were not eligible for financial assistance as of your February 27, 2018 application?

## **Procedural History**

On February 27, 2018, you applied for health insurance and financial assistance through NYSOH.

That day, a preliminary eligibility determination was prepared stating that you were eligible to purchase a qualified health plan (QHP) at full cost, effective April 1, 2018.

Also on February 27, 2018, you spoke to NYSOH's Account Review Unit and appealed that preliminary eligibility determination notice insofar as you were not eligible for financial assistance.

On February 28, 2018, NYSOH issued an eligibility determination notice stating that you were eligible to purchase a QHP at full cost, effective April 1, 2018. That notice also stated that you were not eligible for an advance premium tax credit (APTC), cost-sharing reductions (CSR), the Essential Plan and Medicaid, because your annual household income was over the allowable income limits for those programs.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On April 23, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and remained open as the Hearing Officer directed you to provide as additional evidence to corroborate your testimony: all earnings statements issued to you by your two employers, [REDACTED] and [REDACTED] during the month of February 2018. The record was to be closed 15 days after the hearing date, or upon the receipt of the above referenced documents, whichever occurred earlier.

On February 25, 2018, you provided to NYSOH Appeals Unit through your NYSOH account: (1) two earnings statements issued by [REDACTED] and (2) three earnings statements issued to you by [REDACTED] as [REDACTED] for [REDACTED]

Accordingly, the record was closed on April 25, 2018.

## **Findings of Fact**

A review of the record support the following findings of fact:

- 1) You testified that you expect to file your tax return for 2018 with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking insurance for yourself only.
- 3) The application that was submitted on February 27, 2018 listed annual household income of \$78,099.99, which consisted of \$10,500.00 you anticipate receiving from [REDACTED] between January 1, 2018 and June 15, 2018, and \$1,300.00 per week you anticipate receiving from [REDACTED] during 2018. You testified that this amount was correct.
- 4) You testified that your income can fluctuate based on not working during holidays, and days that you do not work since you are paid on a per diem basis by each employer.
- 5) Your NYSOH application reflects that you will not be taking any deductions on your 2018 tax return.
- 6) You live in [REDACTED] New York.
- 7) You testified that you were seeking financial assistance since your gross income alone is not representative of your ability to afford health plans through NYSOH.
- 8) On April 25, 2018, you provided to NYSOH Appeals Unit two earnings statements issued to you by [REDACTED] reflecting that you received (1) \$500.00 on February 15, 2018 and (2) \$500.00 on February 22, 2018.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

- 9) On April 25, 2018, you provided to NYSOH Appeals Unit two earnings statements issued to you by [REDACTED] reflecting that you received (1) \$1,300.00 on February 16, 2018 and (2) \$1,300.00 on February 23, 2018.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Advance Payments of Premium Tax Credit

APTC are generally available to a person who is eligible to enroll in a qualified health plan and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a qualified health plan, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 26 CFR § 1.36B-2, 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Federal Register 8831).

### Cost-Sharing Reductions

Cost-sharing reductions are available to a person who (1) is eligible to enroll in a qualified health plan through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level qualified health plan (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

### Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable FPL or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and

(6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Fed. Reg. 8831).

### Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL "for the applicable budget period used to determine an individual's eligibility" (42 CFR § 435.4). On the date of your application, that was the 2018 FPL, which is \$12,140.00 for a one-person household (83 Fed. Reg. 2642).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

## **Legal Analysis**

The issue under review is whether NYSOH properly determined that you were not eligible for financial assistance as of your February 27, 2018 application.

The application that was submitted on February 27, 2018 listed an annual household income of \$78,099.99, which consisted of (1) \$10,500.00 you anticipate receiving from [REDACTED] between January 1, 2018 and June 15, 2018, and (2) \$67,600.00 (\$1,300.00 x 52 weeks) you anticipate receiving from [REDACTED] during 2018. The eligibility determination relied upon that information.

You are in a one-person household. You expect to file your 2018 income tax return as single and will claim no dependents on that tax return.

APTC is available to a person who has a household income no greater than 400% of the FPL. Since a household income of \$78,099.99 is 647.56% of the applicable FPL, NYSOH correctly found you to be not eligible for APTC.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

CSR is available to a person who has a household income no greater than 250% of the FPL and is otherwise eligible for APTC. Since a household income of \$78,099.99 is 647.56% of the applicable FPL and you were found not eligible for APTC, NYSOH correctly found you to be not eligible for CSR.

The Essential Plan is generally provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,060.00 for a one-person household. Since an annual household income of \$78,099.99 is 647.56% of the 2017 FPL, NYSOH correctly found you to be not eligible for the Essential Plan.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income that is at or below 138% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,140.00 for a one-person household. Since \$78,099.99 is 643.33% of the 2018 FPL, NYSOH properly found you to be not eligible for Medicaid on an expected annual income basis, using the information provided in your application.

However, financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size.

On April 25, 2018, at the request of the Hearing Officer, you submitted several earnings statements reflecting that during February 2018 you received a total of \$3,600.00.

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is 1\$,397.00 per month. Since the documentation you provided shows that you earned \$3,600.00 in February 2018, you do not qualify for Medicaid based on monthly income as of the date of your application.

Since the February 28, 2018 eligibility determination notice properly stated that, based on the information you provided, you were eligible to purchase a QHP at full cost, not eligible for APTC, CSR, the Essential Plan and Medicaid, it is correct and is AFFIRMED.
