Decision

Decision Date: May 15, 2018

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000029560

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health properly determine that you were eligible to receive up to \$178.00 per month in advance payments of the premium tax credit, effective April 1, 2018?

Did NY State of Health properly determine that you were not eligible for cost-sharing reductions?

Did NY State of Health properly determine that you were not eligible for the Essential Plan?

Did NY State of Health properly determine that you were not eligible for Medicaid?

Procedural History

According to your account, pursuant to NY State of Health's (NYSOH) request, on January 30, 2018, you submitted a letter from your employer dated January 29, 2018 (see Document [REDACTED]). This documentation was validated by NYSOH on January 30, 2018.

On February 18, 2018, NYSOH issued an eligibility determination notice, based on your February 17, 2018 updated application, stating that you were eligible to receive up to \$178.00 in advance payments of the premium tax credit (APTC), effective April 1, 2018. That notice also stated that you were not eligible for cost-

sharing reductions, the Essential Plan, or Medicaid because your annual household income was over the allowable income limit for those programs.

On February 28, 2018, you spoke to NYSOH's Account Review Unit and appealed that eligibility determination notice insofar as you were not eligible for an increased amount of financial assistance.

On April 20, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and held open to May 5, 2018, to allow you time to submit supporting documents.

As of May 5, 2018, the Appeals Unit did not receive any documents from you and none were viewable in your NYSOH account.

On May 8, 2018, you submitted your 2017 federal income tax return and your 2017 New York State income tax return, along with all their corresponding schedules. Although this documentation was received late, in the interest of justice, these documents were made part of the record as "Appellant's [REDACTED]" and the record was closed on May 8, 2018.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) According to your NYSOH account and testimony, you expect to file your tax return for 2018 with a tax filing status of single. You will claim no dependents on that tax return.
- 2) You are seeking health insurance and a greater amount of financial assistance for yourself.
- 3) The application that was submitted on February 17, 2018 listed annual household income of \$41,600.00, consisting of \$41,600.00 you earn from your self-employment. You testified that this amount was correct but did not include your business expense deductions and student loan interest deduction.
- 4) On January 30, 2018, you submitted a letter, dated January 29, 2018, that states you will do work for your employer "on a contract basis at a pay rate of \$20.00 per hour." You work "approximately 40 hours per week" and are paid "bi-weekly." This letter shows that you are [REDACTED] and you expect to receive approximately \$41,600.00 in gross business income calculated by multiplying \$1,600.00 per week by 26 bi-weekly pay periods (see Document [REDACTED]).

- 5) On May 8, 2018, you submitted a copy of your 2017 federal income tax return that shows you had business expense deductions of \$24,440.00, a self-employment tax deduction of \$567.00, and a student loan interest deduction of \$2,500.00 (see Appellant's [REDACTED]).
- 6) You testified you expect your deductions to be the same in 2018.
- 7) Your submitted documentation shows that your expected 2018 modified adjusted gross income is expected to be \$12,035.00, consisting of \$41,600.00 in gross business income less business expense deductions of \$24,440.00, a student loan interest deduction of \$2,500.00 and an estimated self-employment tax deduction of \$2,625.00.
- 8) Your application states that your average monthly income is the same as your income for February 2018. This calculates to \$3,466.67 in income for the month of February 2017.
- 9) Your application states that you will be taking a \$700.00 monthly student loan interest deduction on your 2018 tax return. You testified this is correct.
- 10) According to your NYSOH account and testimony, you live in [REDACTED], New York.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

APTC are generally available to a person who is eligible to enroll in a qualified health plan and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a qualified health plan, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 26 CFR § 1.36B-2, 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

minus

2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2018 is set by federal law at 2.01% to 9.56% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3, IRS Rev. Proc. 2017-36).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Federal Register 8831).

For annual household income in the range of at least 300% but less than 400% of the 2017 FPL, the expected contribution is 9.56% of the household income (26 CFR § 1.36B-3(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2017-36).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

Cost-Sharing Reductions

Cost-sharing reductions are available to a person who (1) is eligible to enroll in a qualified health plan through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level qualified health plan (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable FPL or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a

household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Federal Register 8831).

The Essential Plan is considered minimum essential coverage; therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

Medicaid

Medicaid can be provided through NYSOH to adults who: (1) are age 19 or older and under age 65, (2) are not pregnant, (3) are not entitled to or enrolled for Medicare benefits under part A or B of title XVIII of the Act, (4) are not otherwise eligible for and enrolled for mandatory coverage under a State's Medicaid State plan in accordance with subpart B of this part, and (5) have a household modified adjusted gross income (MAGI) that is at or below 138% of the FPL for the applicable family size (42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)), NY Social Services Law § 366(1)(b)).

In an analysis of Medicaid eligibility, the determination is based on the FPL “for the applicable budget period used to determine an individual's eligibility” (42 CFR § 435.4). On the date of your application, that was the 2018 FPL, which is \$12,140.00 for a one-person household (83 Fed. Reg. 2642).

Financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size (42 CFR § 435.603(h)(1); State Plan Amendment (SPA) 13-0055-MM3, as approved March 19, 2014).

Modified Adjusted Gross Income

NYSOH bases its eligibility determinations on modified adjusted gross income as defined in the federal tax code (45 CFR § 155.300(a)). The term “modified adjusted gross income” means adjusted gross income increased by (1) any income that was excluded under 26 USC § 911 for United States citizens or residents living abroad, (2) tax-exempt interest received or accrued, and (3) Social Security benefits that were excluded from gross income under 26 USC § 86 (see 26 USC § 36B(d)(2)(B), 26 CFR § 1.36B-1(e)(2)).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

“Adjusted gross income” means, in the case of an individual taxpayer, gross federal taxable income minus certain specific deductions, such as expenses reimbursed by an employer, losses from sale or exchange of property, losses from premature withdrawal of funds from time savings accounts, deductions attributable to royalties, and certain retirement savings (26 USC § 62(a)). Living expenses, such as rent and utilities are not an allowable deduction in computing adjusted gross income (*id.*).

Business Expenses Deduction

“Adjusted gross income” is the gross income of the taxpayer minus the deductions permitted (26 USC § 62). Subject to some limitations, deductions that are attributable to a trade or business may be deductions from a taxpayer’s adjusted gross income (26 USC § 62 (a)(1)).

Student Loan Interest Deductions

Subject to some limitations, interest on a qualified educational loan can be deducted from adjusted gross income in an amount up to \$2,500.00 in interest paid by taxpayers during the taxable year, whose yearly income does not exceed \$160,000 (26 USC § 221; see also 26 USC § 62 (17)).

Legal Analysis

The first issue under review is whether NYSOH properly determined that you were eligible for up to \$178.00 per month in APTC.

The application that was submitted on February 17, 2018 listed an annual household income of \$41,600.00 and the eligibility determination relied upon that information.

According to your NYSOH account and testimony, you expect to file your tax return for 2018 with a tax filing status of single. You will claim no dependents on that tax return. Therefore, you are in a one-person household.

You reside in Kings County, where the second lowest cost silver plan available for an individual through NYSOH costs \$509.30 per month.

An annual income of \$41,600.00 is 344.94% of the 2017 FPL for a two-person household. At 344.94% of the FPL, the expected contribution to the cost of the health insurance premium is 9.56% of income, or \$331.43 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

county (\$509.30 per month) minus your expected contribution (\$331.43 per month), which equals \$177.89 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$178.00 per month in APTC.

The second issue under review is whether you were properly determined ineligible for cost-sharing reductions. Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$41,600.00 is 344.94% of the applicable FPL, NYSOH correctly found you to be ineligible for cost sharing reductions.

The third issue under review is whether NYSOH properly determined you were ineligible for the Essential Plan.

The Essential Plan is generally provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,060.00 for a two-person household. Since an annual household income of \$41,600.00 is 344.94% of the 2017 FPL, NYSOH correctly found you to be ineligible for the Essential Plan.

The fourth issue under review is whether NYSOH properly determined that you were ineligible for Medicaid.

Medicaid can be provided through NYSOH to adults between the ages of 19 and 65 who meet the non-financial requirements and have a household modified adjusted gross income that is at or below 138% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,140.00 for a one-person household. Since \$41,600.00 is 342.67% of the 2018 FPL, NYSOH properly found you to be ineligible for Medicaid on an expected annual income basis, using the information provided in your application.

However, financial eligibility for Medicaid for applicants who are not currently receiving Medicaid benefits is based on current monthly household income and family size.

Your application states that income for February 2018 is \$3,466.67.

To be eligible for Medicaid, you would need to meet the non-financial criteria and have an income no greater than 138% of the FPL, which is \$1,397.00 per month. Since the documentation you provided shows that you earned \$3,466.67 in February 2018, which exceeds the maximum allowable monthly income, you do not qualify for Medicaid based on monthly income as of the date of your application.

Since the February 18, 2018 eligibility determination notice properly stated that, based on the information you provided, you were eligible for up to \$178.00 per month in APTC, ineligible for cost-sharing reductions, ineligible for the Essential Plan and ineligible for Medicaid, it is correct and is AFFIRMED.

However, since the record now contains a more accurate representation of your 2018 expected modified adjusted gross annual household income of \$12,035.00, your case is RETURNED to NYSOH to redetermine your eligibility for financial assistance in 2018 based on a modified adjusted gross annual household income of \$12,035.00 per year, and a household size of one, for an individual residing in [REDACTED], New York.
