## Decision

Decision Date: May 15, 2018

NY State of Health Account ID: [REDACTED]  
Appeal Identification Number: AP000000029801

## Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health properly determine that you were eligible to receive up to \$375.00 per month in advance payments of the premium tax credit, effective April 1, 2018?

Did NY State of Health properly determine that you were eligible for cost-sharing reductions?

Did NY State of Health properly determine that you were not eligible for the Essential Plan?

## Procedural History

On October 24, 2017, NY State of Health (NYSOH) issued a renewal notice, stating that, based on information from federal and state sources, it could not make a decision about whether you qualify for financial help paying for your health insurance coverage. The notice requested that you update the information in your NYSOH account by December 15, 2017 and stated that, if you missed the deadline, you were at risk of losing your health insurance coverage and, if applicable, any financial assistance.

On November 20, 2017, you submitted an updated application for financial assistance with health insurance through NYSOH.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On November 21, 2017, NYSOH issued an eligibility redetermination notice, based on the November 20, 2017 application, stating that you were eligible to enroll in the Essential Plan, with a \$20.00 premium per month, for a limited time, effective January 1, 2018. The notice further stated that you were eligible for a limited time because proof of your household income was required by February 18, 2018, to confirm eligibility for your household.

Also on November 21, 2017, NYSOH issued an enrollment confirmation notice, based on a plan selection made November 20, 2017, stating that you were enrolled in an Essential Plan with a start date of January 1, 2018.

On February 21, 2018, paycheck stubs dated January 26, 2018 to February 16, 2018, were uploaded to your account and verified by NYSOH. Your application for financial assistance with health insurance was updated and your eligibility was re-run.

On February 22, 2018, NYSOH issued an eligibility redetermination notice stating that you were eligible to receive up to \$375.00 per month in advance payments of the premium tax credit (APTC) as well as cost-sharing reductions if you enrolled in a silver level qualified health plan, both effective April 1, 2018. That notice further stated that you were not eligible for the Essential Plan because your annual household income was over the allowable income limit for that program.

Also on February 22, 2018, NYSOH issued a disenrollment notice, stating that your coverage in the Essential Plan would end on March 31, 2018.

On February 28, 2018, you submitted an application for financial assistance with health insurance through NYSOH.

On March 1, 2018, NYSOH issued an eligibility redetermination notice stating that you were eligible to receive up to \$375.00 per month in APTC as well as cost-sharing reductions if you enrolled in a silver level qualified health plan, both effective April 1, 2018. That notice further stated that you were not eligible for the Essential Plan because your annual household income was over the allowable income limit for that program.

On March 6, 2018, you spoke to NYSOH's Account Review Unit and appealed insofar as you were not eligible for an increased amount of financial assistance.

On March 14, 2018, NYSOH issued a notice stating that you were eligible for the Essential Plan for a limited time, effective April 1, 2018. This was because you had been granted Aid to Continue pending the outcome of your appeal.

On March 14, 2018, NYSOH issued an enrollment confirmation notice stating that you were enrolled in an Essential Plan, effective April 1, 2018.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On May 3, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

## **Findings of Fact**

A review of the record supports the following findings of fact:

- 1) You testified that you are specifically seeking to be found eligible for the Essential Plan.
- 2) You testified that you expect to file your tax return for 2018 with a tax filing status of single. You will claim no dependents on that tax return.
- 3) On February 21, 2018, paycheck stubs dated January 26, 2018 to February 16, 2018, were uploaded to your account and verified by NYSOH. From these stubs, your expected annual income was updated to \$25,882.48.
- 4) The applications submitted on both February 22, 2018 and February 28, 2018 listed annual household income of \$25,882.48, consisting of employment income. You testified that this amount was most likely correct, but that your income may go down due to decreased hours.
- 5) You testified, and your application reflects, that you will not be taking any deductions on your 2018 tax return.
- 6) Your application states that you live in Washington County. However, you credibly testified that you live in Warren County.
- 7) The cost of the second lowest cost silver plan available through NYSOH for an individual in Washington County is \$522.67.
- 8) The cost of the second lowest cost silver plan available through NYSOH for an individual in Warren County is \$522.67.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

## **Applicable Law and Regulations**

### Advance Payments of Premium Tax Credit

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

APTC are generally available to a person who is eligible to enroll in a qualified health plan and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a qualified health plan, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 26 CFR § 1.36B-2, 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

*minus*

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2018 is set by federal law at 2.01% to 9.56% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3, IRS Rev. Proc. 2017-36).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Federal Register 8831).

For annual household income in the range of at least 200% but less than 250% of the 2017 FPL, the expected contribution is between 6.34% and 8.10% of the household income (26 CFR § 1.36B-3(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2017-36).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

### Cost-Sharing Reductions

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

Cost-sharing reductions are available to a person who (1) is eligible to enroll in a qualified health plan through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level qualified health plan (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

### Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable FPL or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application that was the 2017 FPL, which is \$12,060.00 for a one-person household (82 Fed. Reg. 8831).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/downloads/ny-blueprint.pdf>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

The Essential Plan is considered minimum essential coverage; therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1), 26 USC § 5000A(f)(1)(C)).

### Requirement for Individuals to Report Changes

NYSOH must require an applicant to report any change which may affect eligibility, such as citizenship status, incarceration, residency, household size, and income within 30 days of such change (45 CFR §155.330(b), 45 CFR §155.305, 42 CFR §435.403, 42 CFR §435.406, 42 CFR §425.603).

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

## Legal Analysis

The first issue is whether NYSOH properly determined that you were eligible for up to \$375.00 per month in APTC.

The application that was submitted on February 28, 2018 listed an annual household income of \$25,882.48 and the eligibility redetermination relied upon that information.

You are in a one-person household. You expect to file your 2018 income tax return as single and will claim no dependents on that tax return.

Your application indicates that you reside in Washington County, where the second lowest cost silver plan available for an individual through NYSOH costs \$522.67 per month. You testified that you live in Warren County, however the second lowest cost silver plan in Warren County is also \$522.67 and thus the analysis of your eligibility for APTC would not change.

An annual income of \$25,882.48 is 214.61% of the 2017 FPL for a one-person household. At 214.61% of the FPL, the expected contribution to the cost of the health insurance premium is 6.85% of income, or \$147.75 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for an individual in your county (\$522.67 per month) minus your expected contribution (\$147.75 per month), which equals \$374.92 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you to be eligible for up to \$375.00 per month in APTC.

The second issue is whether you were properly determined eligible for cost-sharing reductions. Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$25,882.48 is 214.61% of the applicable FPL, NYSOH correctly found you to be eligible for cost sharing reductions.

The third issue under review is whether NYSOH properly determined you were ineligible for the Essential Plan.

The Essential Plan is generally provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$12,060.00 for a one-person household. Since an annual household income of \$25,882.48 is 214.61%

of the 2017 FPL, NYSOH correctly found you to be ineligible for the Essential Plan.

Since the March 1, 2018 eligibility redetermination notice properly stated that, based on the information in your application, you were eligible for up to \$375.00 per month in APTC, eligible for cost-sharing reductions, and ineligible for the Essential Plan, it is correct and is AFFIRMED.

However, you credibly testified that you live in Warren County, and not Washington County as indicated in your application. The cost of the second lowest cost silver plan for an individual is \$522.67 in both Warren County and Washington County. Therefore, the error in county designation would not alter the financial analysis or eligibility determination in this case. However, because the application does not reflect the correct county you reside in, your case is RETURNED to NYSOH to ensure that your applications and account reflect your residential county as Warren County and not Washington County.

You testified that your income may decrease. Please note that you are required to report any change which may affect eligibility, such as citizenship status, incarceration, residency, household size, and income within 30 days of such change. If the information in your application is no longer correct, including income, you must contact NYSOH to update your account with the correct information immediately.
