Decision

Decision Date: May 15, 2018

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000029884

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you and your spouse were eligible to receive up to \$714.00 per month in advance payments of the premium tax credit (APTC)?

Did NYSOH properly determine that you and your spouse were ineligible for cost-sharing reductions (CSR)?

Did NYSOH properly determine that you and your spouse were ineligible to enroll in the Essential Plan?

Procedural History

On March 7, 2018, you submitted an application for financial assistance through NYSOH. Based on that application, NYSOH rendered a preliminary eligibility determination stating that you and your spouse were eligible for up to \$714.00 per month in APTC.

Also on March 7, 2018, you spoke with NYSOH's Account Review Unit and requested an appeal relative to the amount of financial assistance you and your spouse were determined eligible to receive.

On March 8, 2018, NYSOH issued an eligibility determination notice stating that you and your spouse were eligible for a tax credit up to \$714.00 per month, effective April 1, 2018. Further, that you and your spouse were determined

ineligible for CSR and the Essential Plan because your household income was above the income limit for those programs.

Also on March 8, 2018, NYSOH issued a plan enrollment notice confirming that as of March 7, 2018, you and your spouse were enrolled in a qualified health plan with an enrollment start date of March 1, 2018.

On April 10, 2018 and April 14, 2018, you faxed documentation to NYSOH requesting that an expedited hearing with NYSOH's Appeals Unit (Documents [REDACTED] uploaded April 12, 2018, April 17, 2018).

On April 20, 2018, a notice denying your requested for an expedited appeal was uploaded to your NYSOH account (Document [REDACTED]). The hearing was scheduled in the normal course.

On May 9, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. Testimony was taken during the hearing, and the record was closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) According to your NYSOH account and testimony, you are applying for health insurance for you and your spouse.
- 2) According to your NYSOH account, you expect to file a 2018 federal income tax return with the tax status of married filing jointly, and do not expect to claim any dependents on that tax return.
- 3) According to your March 7, 2018 application and your testimony, you expect your income to be \$18,194.00 and your spouse's income to be \$24,724.00 in 2018.
- 4) According to your NYSOH account and testimony, you do not expect to claim any deductions on your 2018 federal income tax return.
- 5) You testified that you want your and your spouse's [REDACTED] to be considered when your financial assistance is determined.
- 6) According to your NYSOH account, you and your spouse reside in [REDACTED] New York.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Modified Adjusted Gross Income

NYSOH bases its eligibility determinations on modified adjusted gross income as defined in the federal tax code (45 CFR § 155.300(a)). The term “modified adjusted gross income” means adjusted gross income increased by (1) any income that was excluded under 26 USC § 911 for United States citizens or residents living abroad, (2) tax-exempt interest received or accrued, and (3) Social Security benefits that were excluded from gross income under 26 USC § 86 (see 26 USC § 36B(d)(2)(B), 26 CFR § 1.36B-1(e)(2)).

“Adjusted gross income” means, in the case of an individual taxpayer, gross federal taxable income minus certain specific deductions, such as expenses reimbursed by an employer, losses from sale or exchange of property, losses from premature withdrawal of funds from time savings accounts, deductions attributable to royalties, and certain retirement savings (26 USC § 62(a)).

Household Composition

For APTC and CSR, the household size equals the number of individuals for whom the taxpayers are allowed a deduction under 26 USC § 151 for the taxable year, which typically includes: (1) the taxpayer, (2) his or her spouse, and (3) any claimed dependents (26 USC § 36B(d)(1)).

Advance Payments of Premium Tax Credit

Advance payments of the premium tax credit (APTC) are generally available to a person who is eligible to enroll in a qualified health plan (QHP) and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a QHP, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer’s coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer’s expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2018 is set by federal law at 2.01% to 9.56% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3, IRS Rev. Proc. 2017-36).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2017 FPL, which is \$16,240.00 for a two-person household (82 Federal Register 8831).

For annual household income in the range of at least 250% but less than 300% of the 2017 FPL, the expected contribution in 2018 is between 8.10% and 9.56% of the household income (26 CFR § 1.36B-3(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2017-36).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

Cost-Sharing Reductions

Cost-sharing reductions (CSR) are available to a person who (1) is eligible to enroll in a QHP through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level QHP (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable federal poverty level (FPL) or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR

§ 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

Affordability Exemption

Under some circumstances, a person may receive an exemption from paying a penalty for not purchasing health insurance coverage. Such an exemption may be granted if that person can show that he or she experienced a financial hardship or has domestic circumstances that (1) caused an unexpected increase in essential expenses that prevented that person from obtaining health coverage under a QHP; (2) would have caused the person to experience serious deprivation of food, shelter, clothing, or other necessities, as a result of the expense of purchasing health coverage under a QHP; or (3) prevented that person from obtaining coverage under a QHP (45 CFR § 155.605(a), (g)).

NY State of Health has deferred to the U.S. Department of Health and Human Services (HHS) on the matter of hardship exemptions (see 45 CFR § 155.505(c)).

Legal Analysis

The first issue under review is whether NYSOH properly determined that you and your spouse were eligible for up to \$714.00 of APTC per month.

On March 7, 2018, you submitted an application for financial assistance through NYSOH. In that application, you attested that you expected your income to be \$18,194.00 and your spouse's income to be \$24,724.00 in 2018. Based on your attestations, your household's expected household income was calculated to be \$42,918.00

For an individual who expects to file a federal income tax return, the household equals the taxpayers and the number of individuals for whom the taxpayer is claiming as a dependent.

You attested that you expect to file a 2018 federal income tax return with the tax status of married filing jointly, and did not expect to claim any dependents on that return. Therefore, you and your spouse are in a two-person household for purposes of this analysis.

You reside in [REDACTED] New York, where the second lowest cost silver plan available for a couple through NYSOH costs \$1,018.60 per month.

An annual income of \$42,918.00 is 264.27% of the 2017 FPL for a two-person household. At 264.27% of the 2017 FPL, the expected contribution in 2018 is 8.52% of the household income, or \$304.61 per month.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for a couple in your county (\$1,018.60 per month) minus your expected contribution (\$304.61 per month), which equals \$713.99 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you and your spouse to be eligible to share in up to \$714.00 per month in APTC.

The second issue under review is whether you and your spouse were properly found ineligible for CSR.

CSR are available to a person who has a household income no greater than 250% of the 2017 FPL. Since a two-person household with an income of \$42,918.00 is 264.27% of the 2017 FPL, NYSOH correctly found you and your spouse to be ineligible for CSR.

The third issue under review is whether NYSOH properly determined that you were ineligible for the Essential Plan.

The Essential Plan is provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. Since an annual household income of \$42,918.00 is 264.27% of the 2017 FPL, NYSOH properly found you and your spouse to be ineligible for the Essential Plan.

Therefore, the March 8, 2018 eligibility determination notice is AFFIRMED.

You testified that you want your and your spouse's [REDACTED] to be considered when your financial assistance is considered; however, [REDACTED] are not considered when an individual's eligibility for financial assistance is determined.
