Decision

Decision Date: May 7, 2018

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000030157

Issues

The issues presented for review by the Appeals Unit of NY State of Health are:

Did NY State of Health (NYSOH) properly determine that you and your spouse were eligible to receive up to \$560.00 per month in advance payments of the premium tax credit, effective April 1, 2018?

Did NY State of Health properly determine that you and your spouse were eligible for cost-sharing reductions?

Did NY State of Health properly determine that you and your spouse were not eligible for the Essential Plan?

Procedural History

On March 8, 2018, you updated your application for health insurance and financial assistance through NY State of Health (NYSOH).

On March 9, 2018, NYSOH issued an eligibility determination notice stating that you and your spouse were eligible to receive up to \$560.00 per month in advance payments of the premium tax credit (APTC) as well as cost-sharing reductions if you enrolled in a silver level qualified health plan, both effective April 1, 2018. That notice also stated that you and your spouse were not eligible for the Essential Plan because your annual household income was over the allowable income limits for that program.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On March 13, 2018, you spoke to NYSOH's Account Review Unit and appealed that eligibility determination notice insofar as you and your spouse were not eligible for the Essential Plan.

On March 24, 2018, NYSOH issued a notice stating that you and your spouse were eligible for the Essential Plan for a limited time, effective March 1, 2018. This was because you and your spouse had been granted Aid to Continue pending the outcome of your appeal.

On March 24, 2018 NYSOH issued an enrollment confirmation notice stating that you and your spouse were enrolled in the Essential Plan, effective March 1, 2018.

On May 1, 2018, you had a telephone hearing with a Hearing Officer from NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the hearing.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) You testified that you expect to file your tax return for 2018 with a tax filing status of married filing jointly with your spouse. You will claim three dependents on your tax return.
- 2) You are seeking eligibility for the Essential Plan for yourself and your spouse.
- 3) The application that you submitted on March 8, 2018 listed annual household income of \$70,000.00, consisting entirely of your employment income. You testified that this amount was correct.
- 4) Your application states that you will not be taking any applicable deductions on your 2018 tax return. You testified that this is also correct.
- 5) Your application states that you live in Bronx County.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Advance Payments of Premium Tax Credit

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

APTC are generally available to a person who is eligible to enroll in a qualified health plan and (1) expects to have a household income between 138% and 400% of the applicable federal poverty level (FPL), (2) expects to file a tax return and claim a personal exemption deduction for a person who meets the eligibility requirements to enroll in a qualified health plan, and (3) is not otherwise eligible for minimum essential coverage except through the individual market (see 45 CFR § 155.305(f), 26 CFR § 1.36B-2, 42 CFR § 435.119(b), 42 CFR § 435.911(b)(1), 42 CFR § 435.603(d)(4)).

The maximum amount of APTC that can be authorized equals:

- 1) the cost of the health insurance premium for the taxpayer's coverage family in the second lowest cost silver plan offered through NY State of Health in the county where the taxpayer resides

minus

- 2) the taxpayer's expected contribution amount

(see 26 USC § 36B, 26 CFR § 1.36B-3).

The taxpayer's expected contribution amount is the amount that the taxpayer is expected to spend on health insurance premiums. The expected contribution for 2018 is set by federal law at 2.01% to 9.56% of household income (26 USC § 36B(b)(3)(A), 26 CFR § 1.36B-3, IRS Rev. Proc. 2017-36).

In an analysis of APTC eligibility, the determination is based on the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested (45 CFR §§ 155.300(a), 155.305(f)(1)(i)). On the date of your application, that was the 2017 FPL, which is \$28,780.00 for a five-person household (82 Federal Register 8831).

For annual household income in the range of at least 200% but less than 250% of the 2017 FPL, the expected contribution is between 6.34% and 8.1% of the household income (26 CFR § 1.36B-3(g)(1), 45 CFR § 155.300(a), IRS Rev. Proc. 2017-36).

People who use the APTC to help pay health insurance premiums must file a federal tax return and reconcile their expected income (stated on NYSOH application) with their actual income (stated on their federal income tax return). Those who take less tax credit in advance than they claim on the tax return may get the rest of it as an income tax refund or have their tax bill reduced. Those who take more tax credit in advance than they can claim on their tax return will owe the difference as additional income taxes (26 CFR § 1.36B-4).

Cost-Sharing Reductions

Cost-sharing reductions are available to a person who (1) is eligible to enroll in a qualified health plan through NYSOH, (2) meets the requirements to receive APTC, (3) is expected to have an annual household income that does not exceed 250% of the FPL for the first day of the open enrollment period of the benefit year for which coverage is requested, and (4) is enrolled in a silver-level qualified health plan (45 CFR § 155.300(a), 45 CFR § 155.305(g)(1)).

Essential Plan

NYSOH must generally determine an applicant eligible for the Essential Plan, a basic health plan, if the person is (1) a resident of New York State, (2) expects to have a household income between 138% and 200% of the applicable FPL or, in the case of an individual who is a lawfully present non-citizen who is ineligible for Medicaid or Child Health Plus as a result of their immigration status, has a household income that is between 0% and 200% of the FPL, (3) is not otherwise eligible for minimum essential coverage except through the individual market, (4) is 64 years old or younger, (5) is a citizen or a lawfully present non-citizen, and (6) is not incarcerated (see 42 CFR § 600.305, 42 CFR § 435.603(d)(4), 45 CFR § 155.305(e), NY Social Services Law § 369-gg(3), 42 USC § 18051).

In an analysis of Essential Plan eligibility, the determination is based on the FPL in effect on the first day of the benefit year for which coverage is requested (45 CFR § 155.300(a)). On the date of your application that was the 2017 FPL, which is \$28,780.00 for a five-person household (82 Fed. Reg. 8831).

A person who has a household income that is at or below 150% of the FPL has a \$0.00 premium contribution (New York's Basic Health Plan Blueprint, p. 21, as approved January 2016; see <https://www.medicaid.gov/basic-health-program/downloads/ny-blueprint.pdf>).

A person who has a household income greater than 150% of the FPL or below 200% of the FPL has a \$20.00 per month premium contribution (New York's Basic Health Plan Blueprint, as approved January 2016).

The Essential Plan is considered minimum essential coverage; therefore, a person who is eligible for the Essential Plan is not eligible for any premium tax credit because they are eligible for minimum essential coverage through the individual market (see 26 CFR § 1.36B-2(c)(1); 26 USC § 5000A(f)(1)(C)).

Legal Analysis

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

The first issue under review is whether NYSOH properly determined that you and your spouse were eligible for up to \$560.00 per month in APTC.

The application that was submitted on March 8, 2018 listed an annual household income of \$70,000.00 and the eligibility determination relied upon that information.

You and your spouse are in a five-person household. You expect to file your 2018 income tax return as married filing jointly and will claim three dependents on that tax return.

You reside in Bronx County, where the second lowest cost silver plan available for a couple through NYSOH costs \$1,018.60 per month.

An annual income of \$70,000.00 is 243.22% of the 2017 FPL for a five-person household. At 243.22% of the FPL, the expected contribution to the cost of the health insurance premium is 7.86% of income, or \$458.50 per month.

The maximum amount of APTC that can be approved equals the cost of the second lowest cost silver plan available through NYSOH for a couple in your county (\$1,018.60 per month) minus your expected contribution (\$458.50 per month), which equals \$560.10 per month. Therefore, rounding to the nearest dollar, NYSOH correctly determined you and your spouse to be eligible for up to \$560.00 per month in APTC.

The second issue under review is whether you and your spouse were properly determined eligible for cost-sharing reductions. Cost-sharing reductions are available to a person who has a household income no greater than 250% of the FPL. Since a household income of \$70,000.00 is 243.22% of the applicable FPL, NYSOH correctly found you and your spouse to be eligible for cost sharing reductions.

The third issue under review is whether NYSOH properly determined you and your spouse were ineligible for the Essential Plan.

The Essential Plan is generally provided through NYSOH to individuals who meet the non-financial requirements and have a household modified adjusted gross income that is between 138% and 200% of the FPL for the applicable family size. On the date of your application, the relevant FPL was \$28,780.00 for a five-person household. Since an annual household income of \$70,000.00 is 243.22% of the 2017 FPL, NYSOH correctly found you and your spouse to be ineligible for the Essential Plan.

Since the March 9, 2018 eligibility redetermination notice properly stated that, you and your spouse were eligible for up to \$560.00 per month in APTC, eligible

for cost-sharing reductions, and ineligible for the Essential Plan, it is correct and is AFFIRMED.
