Decision

Decision Date: May 24, 2018

NY State of Health Account ID: [REDACTED]
Appeal Identification Number: AP000000030528

Issue

The issue presented for review by the Appeals Unit of NY State of Health is:

Did NY State of Health (NYSOH) properly determine that your enrollment in your qualified health plan ended effective February 28, 2018?

Procedural History

On November 23, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to receive up to \$292.00 in advance payments of the premium tax credit, effective January 1, 2018.

On December 15, 2017, NYSOH issued a plan enrollment notice confirming your enrollment in a qualified health plan, effective January 1, 2018.

On January 19, 2018, income information in your NYSOH account was updated, and you submitted income documentation.

On January 20, 2018, NYSOH issued a notice stating that the income information in your application did not match what NYSOH received from state and federal data sources. You were directed to provide proof of household income by February 3, 2018, to confirm your eligibility.

Also on January 20, 2018, NYSOH issued a disenrollment notice stating that your coverage with a qualified health plan would end on February 28, 2018, because you were no longer eligible for that plan.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY - Spanish: 1-877-662-4886).

On January 23, 2018, your documentation was verified as sufficient proof of income and an application was run on your behalf.

On January 24, 2018, NYSOH issued an eligibility determination notice stating that you were eligible for Medicaid, effective March 1, 2018.

On March 21, 2018, you contacted NYSOH's Account Review Unit and appealed the date you were disenrolled from your qualified health plan, requesting the disenrollment be made effective January 1, 2018.

On May 17, 2018, you had a telephone hearing with a Hearing Officer from the NYSOH's Appeals Unit. The record was developed during the hearing and closed at the end of the proceeding.

Findings of Fact

A review of the record supports the following findings of fact:

- 1) According to your NYSOH account, you were enrolled in a qualified health plan through NYSOH and your coverage was effective as of January 1, 2018.
- 2) You testified that you paid premiums to your health plan for the months you had coverage, which were January 2018 and February 2018. You testified that you have not paid any additional premiums.
- 3) According to your NYSOH account, you updated your application on January 19, 2018, and on January 23, 2018, you were found eligible for Medicaid effective January 1, 2018.
- 4) You testified that you are seeking an earlier disenrollment date because you had Medicaid coverage in January 2018 and February 2018, when you were still enrolled in your qualified health plan.
- 5) You testified that you did not use your insurance through your qualified health plan during the months of January 2018 or February 2018.

Conflicting evidence, if any, was considered and found to be less credible than the evidence noted above.

Applicable Law and Regulations

Termination of a Qualified Health Plan

NYSOH must permit an enrollee to terminate his or her coverage with a qualified health plan coverage, with appropriate notice to the NYSOH or qualified health plan (45 CFR § 155.430(b)(1)(i)).

If an enrollee is newly eligible for Medicaid, the last day of coverage for the qualified health plan is the day before the Medicaid coverage begins (45 CFR § 155.430(d)(2)(iv)).

For enrollee-initiated terminations, the last day of coverage is either:

- 1) The termination date specified by the enrollee, if the enrollee provides reasonable notice (at least 14 days before the requested termination date);
- 2) Fourteen days after the enrollee requests the termination, if they do not provide reasonable notice; or
- 3) On a date on or after the date the enrollee requests the termination, if the enrollee's qualified health plan issuer and the enrollee agree to such a date

(45 CFR § 155.430(d)(2)(i)-(iii)).

NYSOH must permit an enrollee to retroactively terminate or cancel their enrollment in a qualified health plan if:

- 1) The enrollee demonstrates that they attempted to terminate their coverage and experienced a technical error that did not allow the coverage to be terminated, and requests retroactive termination within 60 days after they discovered the technical error.
- 2) The enrollment in the qualified health plan was unintentional, inadvertent, or erroneous and was the result of the error or misconduct of an officer, employee, or agent of NYSOH or HHS, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities. Such enrollee must request cancellation within 60 days of discovering the unintentional, inadvertent, or erroneous enrollment.
- 3) The enrollee was enrolled in a qualified health plan without their knowledge or consent by any third party, including third parties who have no connection with the Exchange, and requests cancellation within 60 days of discovering of the enrollment.

If you need this information in a language other than English or you need assistance reading this notice, we can help you. Call 1-855-355-5777 (TTY - English: 1-800-662-1220) (TTY – Spanish: 1-877-662-4886).

(45 CFR § 155.430(b)(2)(iv)(A-C)).

NYSOH permits a qualified health plan to terminate an individual's coverage if (1) the enrollee is no longer eligible for coverage or (2) non-payment of the premiums by the enrollee (45 CFR § 155.430(b)(2)(i)-(ii)).

Legal Analysis

The issue under review is whether NYSOH properly determined that your enrollment in your qualified health plan ended effective February 28, 2018.

On November 23, 2017, NYSOH issued an eligibility determination notice stating that you were eligible to receive up to \$292.00 in advance payments of the premium tax credit, effective January 1, 2018. You subsequently enrolled into a qualified health plan.

You testified that you are seeking retroactive disenrollment from your qualified health plan back to January 1, 2018.

NYSOH must permit an enrollee to be retroactively disenroll from their qualified health plan if the enrollee demonstrates that there was a technical error that should have allowed them to terminate coverage earlier, or if their enrollment in the plan was unintentional, inadvertent, or erroneous and was the result of the error or misconduct of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities, or the enrollee was enrolled into a qualified health plan without their knowledge or consent by a third party.

There is no indication in the record that your enrollment in a qualified health plan as confirmed in the December 15, 2017 plan enrollment notice was unintentional, inadvertent, or erroneous, nor was your enrollment in a qualified health plan the result of the error or misconduct of an officer, employee, or agent of NYSOH, its instrumentalities, or a non-NYSOH entity providing enrollment assistance or conducting enrollment activities. Furthermore, there is no indication that your enrollment in a qualified health plan as confirmed in the December 15, 2017 plan enrollment notice was without your knowledge or consent.

Therefore, there is no basis to find that NYSOH must permit you to retroactively terminate or cancel your enrollment in a qualified health plan.

On January 19, 2018, you contacted NYSOH to update your application for financial assistance. As a result, on January 23, 2018, you were found eligible for Medicaid, effective January 1, 2018. On January 20, 2018 NYSOH issued a

disenrollment notice stating that your enrollment in your qualified health would end effective February 28, 2018.

You testified that you are seeking an earlier disenrollment date because you had Medicaid coverage in January 2018 and February 2018, when you were still enrolled in your qualified health plan.

If an enrollee is newly eligible for Medicaid, the last day of coverage through their qualified health plan is the day before the Medicaid coverage begins. Since you were determined eligible for Medicaid on January 23, 2018, under the regulations your qualified health plan should have terminated that day. However, NYSOH does not allow for prorated or partial premiums based on the amount of days in a month you were enrolled in a qualified health plan and, as such, your plan should have been terminated at the end of the calendar month in which you became eligible for Medicaid, which is January 31, 2018.

Therefore, NYSOH's January 20, 2018 disenrollment notice is MODIFIED to state that your enrollment in a qualified health plan would end effective January 31, 2018.

Your case is RETURNED to NYSOH to disenroll you from your qualified health plan for the month of February 2018, and to notify you accordingly.
