nystateofhealth.ny.gov
or call the
NY State of Health
Care at Home helpline
at 1-855-648-1912.

NY State of Health Care at Home is your online connection to safe and reliable home care professionals for you, your family and loved ones in Nassau, Suffolk and Westchester counties.
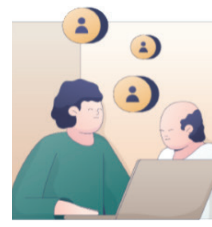

With just a click, you can filter by location and other preferences to connect to trusted home care professionals that best fit your unique needs and support your independence. Get help with tasks like housekeeping, meal prep, bathing, and more.

HOW IT WORKS:

BROWSE
Enter your ZIP code to find home care agencies near you.

FILTER
Use the available filters to find home care agencies that meet your specific requirements.

CONNECT
Your selected agencies will contact you to help you find a home care professional.

MATCH
Schedule a meeting to ask questions and find a home care professional that fits your needs.
